

秋风十里 多彩如你

一年一度，斗转星移，不变的是春秋更迭的岁月流转；一届一届，薪火相传，永恒的是乍寒还暖的相遇感动！告别了盛夏的流火，应承金秋的丰硕，新生的到来为美丽青春的三联校园注入新鲜活力，带来阵阵清风。

恰逢收获的金秋时节，正值一年好光景，目光所及之处皆耀眼夺目，亦是学校每年的高光时刻。来自四方的莘莘学子齐聚于此，他们即将融入新的环境，抒展新的希望，开启新的征程。校园在季节的变幻中悄然换新颜，一张张求知若渴的崭新面庞洋溢着青春的活力与朝气，校园里在喜庆的迎新气氛下生机勃勃，熠熠生辉。秋风十里，多彩如你。

可曾想知，2020 届的新生经历了极为不平凡的一年，也使得他们成为了最特殊的一届高中毕业生。突如其来的新冠疫情给人类社会带来了巨大冲击，中国人民风雨同舟、众志成城，构筑起疫情防控的坚固防线，在疫情防控的“大考”下，中国举全国之力战“疫”，交出了一份经得起历史检验的优异答卷。有人说这一届高考生是“生于非典，考于新冠，天降大任，注定不凡。”他们出生时面临非典的侵袭，高考时又面临新冠的威胁，他们面临的挑战前所未有的，被称之为“高考史上最难考生”。线上学习、居家复习打乱了考生们的备考节奏，高考延期对学生心理更是股不小的冲击，他们注定比往届承载着更多的压力和期望。在严峻形势下，2020 届考生经受住了种种考验，克服疫情难关，一路披荆斩棘，终于决胜高考大关，赢得了属于自己的战役，这来之不易的胜利显得弥足珍贵。

新的生活，新的开始。对于新生来说，高中生活在身后已逐渐缩成一个小点，他们即将背起行囊迎来生命中的第一个“离”，迈入大学校园新的台阶，在三联的大家庭中度过最美好的四年时光。习

近平总书记说：“在全面建设社会主义现代化国家新征程上，同学们将是接过历史接力棒的主力军”。担负时代重托，不负青春韶华，利用宝贵的时光练就过硬本领是需要每个青年好好把握的。坚定理想信念，善于用积极向上的人生价值观去激励自己，乐于让阳光照亮内心，让眼光满足于所见事物，使自己更内敛，更深刻。要记住，大学不是奋斗的终点，而是生命历程中一条新的起跑线。有了一个新的开端，便有了一个美好希望。

新的面貌，新的愿景。走进新的学年，三联学院发生着可喜变化：校园内焕然一新，鲜花齐簇；二十余载的文化积淀喷薄出新的希望，焕发着青春气息。这一切都深深的吸引着我们，激励着我们。春华秋实，硕果芬芳，三联学院在“生为本，师为根，质量促发展”的办学理念和“厚德、博学、砺能、树人”的校训的指导下，逐渐成为一所在省内有较高知名度的民办大学，赢得了良好的社会声誉，取得了令人瞩目的成就。学校正在朝着优势突出、特色鲜明的地方应用型高水平大学迈进，努力强化人才培养质量，为社会输送更多优秀的三联学子。

新的起点，新的征程。1990——2020，在艰苦创业中茁壮成长，在励精图治中发展壮大的安徽三联集团已走过了第 30 个年头。30 年不仅仅是一段历史，更是所有三联人走过的一条不平凡的发展之路。今年恰逢安徽三联集团 30 华诞，更是三联人展望明天，开拓未来，再创辉煌的新起点，三联人将永不停歇前进的脚步，总结经验，开拓创新，吹响第三次创业的号角，为建设三联“百年老店”的目标而不懈追求。

承前启后，我们将乘风破浪，逐梦未来，共同期待下一个十五年的惊喜！

李明阳同志续任安徽三联学院党组织负责人兼督导专员

2020年9月1日，安徽三联学院召开全校领导干部会议，宣布省委教育工委关于李明阳同志任职决定。省委教育工委副书记庆承松出席会议并讲话、省委教育工委组织干部处处长李方泽主持会议并宣布决定。学校董事长余皖生、校长金会庆、党委书记李明阳分别发言。全体校领导、中层正职参加会议。

中共安徽省委教育工委决定：李明阳同志继续担任安徽三联学院党组织负责人兼督导专员。

庆承松在讲话中充分肯定了学校近年来的发展成绩，对李明阳同志为学校事业发展做出的积极贡献给予高度评价。他指出，李明阳同志自2015年2月到校任职以来，以强烈的事业心和责任感，抓党建促发展，在规范办学、创新发展等各个方面起到了重要的作用，为学校各项工作健康有序开展提供了有力的政治保障。他希望李明阳同志继续履行好把方向、管大局、作决策、抓班子、带队伍、保落实的领导职责，加强党的全面领导，健全党对教育事业全面领导的体制机制，全面加强学校的思想政治工作，全面落实立德树人根本任务，加强和改进学校党的建设。学校董事会和行政班子继续主动支持和配合李明阳同志，根据民办学校办

学宗旨，切实规范办学行为，切实落实双向进入、交叉任职等一系列制度，集体决策、分工负责，确保督导专员有职有权，充分发挥作用。全校教职员工要再接再厉，以敢闯敢拼的精神，把学校建设成为“国内知名、省内一流、优势突出、特色鲜明”的地方应用型高水平大学。

庆承松对学校发展和党建工作提出六项要求。学校要认真学习《习近平总书记谈治国理政》第三卷，深刻领会、准确把握习近平总书记关于教育的重要论述以及考察安徽重要讲话精神。一是进一步巩固党对办学治校的全面领导，充分发挥民办学校党组织政治核心作用；二是坚决落实“两个维护”的各项制度，在政治建设上担当作为；三是推进民办学校党的组织和党的工作有效覆盖，在落实《条例》精神上坚强有力；四是健全党组织参与决策的监督机制；五是抓好发展党员和党员教育管理工作；六是聚焦深化“三全育人”综合改革，抓好思想政治教育和德育工作。希望学校继续创新发展思路，不断提高办学实力和办学水平，为走出一条三联特色的民办高等教育发展之路贡献自己的智慧、实践和探索，为我省民办高等教育的发展做出新的更大的贡献！

金会庆校长代表学校对省委教育工委的决定表示衷心拥护，对省委教育工委、省教育厅一直以来对学校事业发展和学校领导班子建设给予的关心支持，表示衷心感谢。他表示，李明阳同志政治站位高，原则性强，扎实抓党建工作，注重领导班子建设，工作勤勉，尽职尽责，在推动学校发展和疫情防控工作中发挥了重要作用。我们一如既往地支持和配合李明阳同志工作，团结一致，带领全校师

生员工为学校各项事业新发展努力奋斗。

余皖生董事长表示，坚决拥护服从省委教育工委的决定。李明阳同志到校任职以来，与董事会和行政班子保持良好沟通交流，积极参与学校重大问题和事项决策，全面加强党的建设，落实立德树人根本任务，充分发挥了党委政治核心作用；学校董事会将深入贯彻《民办教育促进法》，认真履职，相互支持，同心协力，共促发展。

李明阳在表态发言中，表示完全拥护、坚决服从省委教育工委的决定。他说，省委教育工委让我再次担任督导专员，是省委教育工委对我的充分信任和重托，也是全校教职员工对我的极大支持，我深感责任重大。当前，学校面临加强党的建设及疫情防控、安全稳定、教育教学、改革发展创新等重大任务，任重道远，我们将在省委和省委教育工委的正确领导下，深入学习《习近平谈治国理政》（第三卷）和习近平总书记考察安徽重要讲话精神，坚持以习近平新时代中国特色社会主义思想为指导，

坚持社会主义办学方向，全面落实新时代党的建设总要求，认真履行全面从严管党治党的主体责任，健全完善党建工作责任制，坚决贯彻落实省委和省委教育工委部署要求，根据民办高校特点，围绕学校中心工作，充分发挥党委政治核心和保障作用，基层党组织战斗堡垒作用和党员的先锋模范作用，再接再厉，促进学校持续健康发展。

安徽三联学院举行 2020 级新生开学典礼

天色碧如洗，秋景映新颜。2020 年 9 月 29 日，安徽三联学院 4900 余名 2020 级新生汇聚到体育场，怀着兴奋而激动的心情迎接他们入学后的第一个重

要时刻——开学典礼。校长金会庆教授因公出差，特别发来慰问信息，值此国庆、中秋到来之际，向同学们致以节日的祝福和最诚挚的问候！出席开学典礼并在主席台就座的领导有：校董事长余皖生，省教育督导专员、校党委书记李明阳，校党委副书记、副校长鲁先长，副校长秦永元、金哲、蔡文芬、江秀丽，财务总监范兆红，校长助理傅炜，安徽红十字会卫生学校党总支书记方劲松、校长洪梅，合肥竹棵技工学校常务副校长解明胜和副校长江杰。参加开学典礼的还有各二级学院执行院长、各职能处室负责人以及师生代表。典礼由副校长姜发根主持。

开学典礼在雄壮的国歌和校歌声中拉开序幕，主席台、观礼台人员，全体新生面向国旗庄严致敬。

校党委副书记、副校长鲁先长宣读表彰文件。校董事长余皖生依次为新生入学教育工作先进集体、先进个人代表,军训工作先进集体、先进个人、优秀教官代表,新生接待工作优秀志愿者共三个批次的获奖者代表颁奖。

省教育督导专员、校党委书记李明阳发表重要讲话,他首先代表学校对新同学们的到来表示最热烈的欢迎,向今年在疫情期间,经受过种种考验,克服疫情难关,决胜高考大关的同学们表示热烈的祝贺!李明阳说,安徽三联学院20余年的办学成绩赢得了良好的社会声誉,学校正在朝着优势突出、特色鲜明的地方应用型高水平大学迈进,今年恰逢安徽三联集团30华诞,学校将乘风破浪扬帆远航。面对新目标、新征程,李明阳对同学们提三点希望:一是坚定理想信念。要树立远大的理想和高远的志向,坚持正确的价值取向,做一个有理想、有抱负、有学识、有社会责任感的人。二是坚守初心使命。希望同学们念念不忘“初心使命”,认识大学的真正价值,认识自己,用积极乐观的态度拥抱新的生活,用充实而富有成效的学业回报父母和学校。三是坚持知行合一。“知者行之始,行者知之成”,做到学以致用,在实践中求真知、悟真谛,脚踏实地,认认真真地做好每一件事,一步一个脚印在人生的道路上笃行致远。最后,李明阳语重心长的寄语新生,希望大家珍惜大学时光、践行三联精神,肩负时代使命,矢志拼搏奋斗,书写无愧于时代的多彩青春,为“创建百年老校”这个宏伟目标增添新的魅力、谱写新的华章!

在正式开启多彩大学生活之际,校学生会骨干张世皇同学用铿锵誓言表决心,带领全体新生宣誓;经济管理学院执行院长占海文代表全体教师宣誓。

2014届毕业生翟小华作为援鄂校友代表受邀来到了典礼现场。在新冠肺炎疫情发生以来,安徽三联学院护理学院翟小华、吴曙光、钱斌斌3名校友第一时间参加安徽省第一批援鄂医疗队,他们在

疫情最危险的时候奔赴武汉,用仁心仁术坚守到最后一刻,圆满完成了各项任务,是最美逆行者。

他在发言中讲述了从1月27号驰援武汉出发之时到3月30号抗战归来之日这段期间在武汉抗疫的经历,表示作为医务工作者、三联毕业生,能为祖国人民做好本职工作,深感骄傲和自豪。今后将继续弘扬母校的优良传统,用热血书写医者仁心。他殷殷嘱咐学弟学妹们:努力学习,让自己的知识学以致用;学会承担责任,在祖国需要的时候能够毫不犹豫挺身而出;以知识和技能为铠甲,在人生的道路上奋勇向前,只争朝夕,不负韶华!

为致敬抗疫英雄,弘扬抗疫精神,激励三联学子,学校授予翟小华、吴曙光、钱斌斌3人安徽三联学院优秀校友称号。校董事长余皖生为援鄂校友代表翟小华颁发了优秀校友荣誉证书。

伴随着热烈的掌声,副校长姜发根宣布2020级新生开学典礼圆满结束。大学的一切美好,从这一刻已然开启,4900余名新生加入三联教育大家庭,为青春美丽的校园注入了新鲜活力,愿同学们都能秉承“厚德博学、砺能树人”的校训,铭记“勤学、敏行、守信、致用”的学风,继承和发扬“勇闯难关、拼搏向前;开拓创新、争创辉煌”的三联精神,奋力拼搏逐梦想,砥砺心志启新篇,以“功成不必在我、功成必定有我”的精神境界,在实现中国梦的伟大实践中书写精彩而无悔的青春!

红会卫校 2020 年迎新生暨国庆中秋联欢会精彩上演

在中秋国庆佳节和安徽三联集团 30 华诞即将来临之际，为营造喜庆祥和的节日氛围，2020 年 9 月 25 日晚 6 时 30 分，红会卫校“逐梦·筑梦”2020 年迎新生暨国庆中秋师生联欢晚会在学校篮球场隆重举行。肥东县教体局职成办主任韦存和、安徽省红十字会事业发展部部长张本该、安徽三联集团执行总裁余皖生、安徽三联交通应用技术股份有限公司总经理王江波、安徽三联机器人科技有限公司总经理梅珑和安徽三联学院副校长姜发根、蔡文芬以及合肥三联教育培训学校等兄弟有关单位领导携同全体在校师生共同观看了整场晚会。

晚会以“逐梦·筑梦”为主题，分为“庆国庆，同心共筑中国梦”、“贺中秋，师生共追相思梦”、“迎新生，守望未来天使梦”三个篇章，爱国爱校和意识形态教育融入艺术形式，用新方式为新生上好进入红卫校园后的政治课。晚会节目充满红卫元素、专业品质和青春正能量，节目内容紧扣主题，从逐梦和筑梦角度为观众带来一场完美的文化盛宴。

晚会在全体师生共同参与拍摄的短视频中拉

开帷幕，视频全面的反映了红卫校园的日常生活。在第一篇章“庆国庆，同心共筑中国梦”中，节目《少年中国说》表达了年轻一辈“吾辈当自强”的英雄气概，展现出年轻人的蓬勃朝气和对祖国母亲的热爱和期望。自创舞蹈《最美的阳光》结合专业特点，以白衣天使抗疫的感人片段为背景，体现白衣天使的无私和伟大。古风舞蹈《红昭愿》通过红卫学子的翩翩舞姿将现代元素与一段历史进行完美融合，体现出古韵美。舞蹈《映山红》表现出一种深深的革命情结和鲜红的革命精神，体现了红卫学子奋斗不息，追求美好的自强精神。舞蹈《快乐崇拜》，热情洋溢的旋律节拍，酷炫潇洒的舞步，尽显红卫学子的青春风采与活力。

舞蹈《好日子》将晚会带入第二篇章“贺中秋，师生共追相思梦”，月满人齐全，家国两团圆，花好月圆佳节夜，今天是个好日子。舞蹈《Jazz Dance》，让蓬勃的朝气与青春的风采在节拍与舞步交织之中展现得淋漓尽致。歌曲《我还年轻》更是展现青年一辈的雄心壮志。怎一个美字了得的古

风舞蹈《莫问归期》，欢快的舞蹈节奏，动人的旋律，将舞蹈展示的美轮美奂。

节目《我们一起喜洋洋》揭开了晚会的最后一个篇章“迎新生，守望未来天使梦”，舞步轻盈，歌声动听，展现了莘莘学子追梦新时代的蓬勃朝气和青春风采。拉丁舞蹈《Rhythm Ta》点燃了青春的烟火，跳出了青春的风采，唱响了青春的旋律。自编说唱《红卫baby》，以新颖的形式，独特的作词，体现出红卫学子不忘初心，牢记使命，勇往直前的毅力，也表达了对2020年新生的欢迎。《红卫模特T台秀》和由2020年新生班主任共同参演的舞蹈《乘风破浪》进行完美融合，将晚会推向高潮，表达了红卫人的红卫情，体现了红卫人艰苦奋斗、自强不息，唱出了红卫人乘风破浪奋进新时代的豪情壮志！

晚会精彩纷呈，紧扣“逐梦·筑梦”主题，生动展示了青年一辈的朝气与活力，在决胜全面建成小康社会、开启全面建设社会主义现代化国家新征程的关键节点，在红会卫校收官“十三五”、谋划“十四五”的关键阶段，在育新机开新局的关键时期，全体红卫人将更加紧密地团结在以习近平同志为核心的党中央周围，坚持以习近平新时代中国特色社会主义思想为指导，在举办者的坚强领导下，进一步弘扬“办一流红十字特色学校，育最佳基层医护人才”的办学宗旨和“人道、博爱、奉献”的红十字精神，不忘初心，牢记使命，勇于担当、主动作为，为建设特色鲜明的红十字模范校，努力实现红会卫校办学水平、办学质量的提高而努力奋斗。

安徽三联学院产教融合项目喜获中国交通教育研究会 2017-2019 年度优秀成果一等奖

近日，接中国交通教育研究会通知，由校长金会庆教授主持，联合校企共同申报的《科研驱动，产教融合，专业集群——交通安全应用型人才培养的创新与实践》获 2017-2019 年度交通教育科学研究优秀成果一等奖，也是全国唯一获得该项殊荣的民办本科高校。

《科研驱动，产教融合，专业集群——交通安

全应用型人才培养的创新与实践》以校企产学研为背景，展现了安徽三联学院在多学科交叉专业的人才培养、产教融合在人才培养的深入实践、高校专业群合力效应等三个方面的建设成果；提出了错位发展、深化产教融合、合体共建共享等应用型本科建设的创新观点。此项成果的获得，充分肯定了安徽三联学院在产教融合方面的成果，今后将推广至其他学科专业建设中，全面提高学校本科教育质量。

中国交通教育研究会成立于 1993 年，业务主管部门是交通运输部，同时接受教育部和人社部的业务指导。研究会由全国交通行业的教育部门、教育研究组织、交通各级各类院校和交通企事业单位等组成，现有会员单位 460 余个，主要设有高等教育研究分会、航海教育研究分会、院长分会和职业教育分会等分支机构。安徽三联学院作为院长分会会员单位，长期致力于中国交通教育的建设与发展。

大力推进产教融合 加速一流专业建设

——安徽三联学院 - 用友·新道会计学（智能会计方向）正式开班

2020 年 9 月 23 日，2020 级安徽三联学院 - 用友·新道会计学（智能会计方向）开班仪式在学术报告厅举行。安徽三联学院党委副书记、副校长鲁先长，副校长姜发根、蔡文芬，实践教学部部长王力；新道科技股份有限公司安徽省区总经理吕京波、业务总监康阿朋、服务总监黄锐；合肥鑫山财务管理有限公司、安徽满辰财税科技股份有限公司、用友网络科技股份有限公司、合肥顺天税务师事务所、安徽昱明科教装备有限公司代表；财会学院领导班

子出席仪式。仪式由财会学院教学副院长朱海涛主持。

党委副书记、副校长鲁先长致欢迎辞，他代表学校对来宾表示热烈欢迎，并就学校基本情况、办学特色、学科建设、产教融合、双元育人等方面工作情况介绍。新道科技安徽省区总经理吕京波向与会人员介绍了数字化转型与智能化发展及新道科技的优质教育资源。

财会学院会计学专业带头人、副教授袁良荣和

新道科技黄锐分别进行智能会计专业介绍，详细讲解了智能会计班的课程体系和发展前景。党委副书记、副校长鲁先长和新道科技吕京波为新生代表颁发校徽、班徽，并合影留念。

副校长姜发根在讲话中表示，安徽三联学院和新道科技股份有限公司开展专业合作共建，融合双方的资源要素和优势，合作举办智能会计班，既是会计专业人才培养应对新时代挑战的重要探索，也是高校的人才培养融入乃至引领新时代经济社会发展的重要举措，既标志着学校产教融合、校企合作育人的应用型、复合型、创新型人才培养模式进入新的阶段，也标志着学校在教育教学改革和专业建设上取得新的突破。同时他提出三点希望：希望财会学院和新道科技凝心聚力，共同探索和构建校企二元育人的新型人才培养机制和模式；希望财会学院携手新道科技股份公司进一步细化和落实人才培养的各方面工作，在过程中积累经验、优化方案、形成模式；希望智能会计班的首期同学，珍惜机遇，

认真践行“厚德博学 砺能树人”的校训，做新时代的奋进者、开拓者和领跑者。

安徽三联学院—用友·新道会计学（智能会计方向）开班仪式在热烈的掌声中圆满落幕。正值三联集团三十华诞，学校将继续开阔新视野、拓展新思路，继续在校企优势互补、互利共赢的基础上，为三联“第三次创业”拼搏奋进。

安徽三联学院召开产教融合改革实施方案宣贯会

为进一步推动安徽三联学院产教融合改革，落实《安徽三联学院产教融合改革实施方案》各项任务，2020年9月25日，安徽三联学院在T518会

议室召开产教融合改革实施方案宣贯会。校领导鲁先长、姜发根、蔡文芬、江秀丽、范兆红、傅炜出席会议，会议由副校长姜发根主持。

蔡文芬副校长宣贯了方案的总体要求、基本原则、实施目标、融合路径和保障措施等内容，特别强调了融合路径中4个方面、12个板块的具体任务。实践教学部部长王力汇报了产教融合思想大讨论之后主要工作进展、存在问题和下一步工作计划和打算。

姜发根副校长部署了各教学单位和部门下一步的工作任务。他要求各单位组织学校实施方案的学习讨论，制定本单位实施方案和任务清单，推进各项具体工作，迎接年底产教融合目标验收和平台检查。之后，就如何落实方案任务，姜校长提出要

正确处理三个方面关系：一是正确处理理念与行动的关系。要将校企二元育人纳入到人才培养全过程、各环节，以具体项目依托，扎实开展工作。二是要正确处理改革与守正的关系。产教融合要遵循高等教育规律、学生成长规律，也要坚守本位，立足学校实际和中长期发展规划，谋划改革。三是正确处理点与面的关系。要在推进全面工作同时，在综合实习改革、高水平产教融合平台、横向项目合作、创业孵化和就业能力提升上着重发力。

最后，校党委副书记、副校长鲁先长对各教学单位和部门提出两点要求：一是要对深化产教融合再学习、再认识、再提高。深化产教融合重心在二

级学院，服务在职能部门，各单位要对集团三次创业、学校十四五规划与产教融合内涵精神进行再学习、再认识、再提高，把产教融合与新时代高等教育新发展、地方经济社会发展连接起来，契合起来。二是要再消化、再深化和再融合。要借鉴其他高校产教融合特色，立足校情，做好再消化；要高标准建设产教融合平台，推进平台再深化；要推进学校与企业、部门与部门、教与学再融合，着力凸显体现三联深化产教融合的特色，打造育人共同体。

安徽三联学院与安徽汇云传媒有限公司共建数媒人才高地

为继续加大校企合作力度，深化产教融合内涵，全面提高人才培养质量。2020年9月28日上午，安徽三联学院动漫与数字艺术学院在竹樾咨询大厅与安徽汇云文化传媒有限公司举行校企合作交流会。动漫与数字艺术学院院长孙义、副院长杨亮、汇云公司冠名班项目负责人陶晶、竹樾新媒体工作室主任赵贵东等相关负责人出席交流会。

会上，双方分别介绍了共建“汇云冠名班”项目的建设优势和开展情况，并就基地共建、人才培

养、深度校企合作等事宜进行了深入交流并达成共识。

在听取工作室及“汇云冠名班”负责人关于下半年工作及培训规划后，孙院长提出两点要求：一、校企合作推进中，双方要积极沟通，及时了解学生在学习中的工作状态，发现问题早解决；二、学校要加强与企业联系，深化校企合作，将企业岗位需求与学校人才培养体系相结合，优化课程设置，培养适应未来行业需求的实用型人才。随后，汇云公司冠名班项目负责人陶晶、竹樾新媒体工作室主任赵贵东就加速产教融合、深化校企合作分享经验，交流心得。

校企双方多层次、多形式、多领域的合作，为实现校企资源的有机结合和优化配置，共同培养经济社会发展需要人才提供了新的契机，同时也是深入贯彻国家战略和集团部署的战略举措，根植江淮高等人才教育高地，助力三联产教融合大发展。

合肥市公安局交警支队副支队长陈建梅考察三联交通公司

2020年9月2日，合肥市公安局交警支队副支队长陈建梅、车管所所长黄华军、车管所副所长王兰萍、车管所考试科科长程鹏等领导一行考察三联交通公司，实地考察调研公司积极响应公安部“放管服”便民改革新政，在智慧车驾管领域所取得的最新研究成果，受到了公司总经理王江波的热情接待。公司副总经理罗文其、潘涛，智慧交通事业部副总经理董贤新以及合肥分公司负责人等陪同接待。

陈建梅副支队长一行在王江波总经理陪同下现场观摩了基于视频分析的驾驶人考试业务接处警管理平台，详细听取了驾驶人考试自助终端（三联ATM机）、驾驶人自助体检机等相关产品汇报，与公司相关领导和研发中心技术骨干进行深入交流，并针对产品技术需求、功能扩展等专业领域给予重要指导。

陈建梅副支队长充分肯定了三联交通公司长

期贯彻部局要求，在技术升级和产品创新等方面不断精益求精所取得的重要成果，认为公司的车驾管相关产品技术已经颇为成熟。她希望双方围绕驾考行业关键技术难点进一步展开交流，为将合肥打造为安徽乃至全国车驾管事业的标杆而共同努力。

三联交通公司助力南宁交警支队亮相全国公安交管 深化“放管服”改革现场会

2020年9月22日，公安部交管局在南宁召开全国深化公安交管“放管服”改革暨车辆管理所规范化建设现场推进会。公安部交管局党委书记、局长李江平，部交管局和全国各省（自治区、直辖市）交警总队负责同志、车管处（科）长，省会市、自治区首府市、计划单列市交警支队车辆管理所所长，一等管理水平车辆管理所所长以及广西自治区下辖各地级市交警支队长、车管所所长参加会议。

南宁市副市长、市公安局局长秦运彪陪同领导一行赴南宁交警支队各服务站点，观摩南宁市交警支队推进落实公安交管“放管服”改革情况，观摩

最后一站，来到了邕大机动车驾驶人考场，现场观摩了南宁交警支队联合三联交通共同研发的驾考智能管控平台。

驾考智能管控平台采用人工智能、视频分析、大数据分析等算法，基于考场现有视频源，实现考试数据智能监管，自动检测疑似异常行为主动推送监管人员，将“被动”检查转变为“主动”监控，在节约警力的同时提高了监管效率，有效解决了警力资源紧张和监管效率不高的难题。

管控平台实现了驾驶人科目考试全过程的监督和管理，异常事件实时预警推送，监管后台及时

查看处理，实现驾考业务监督与处置的生态闭环。目前，管控平台的应用，为南宁交警支队提升了80%监管效率、节约了60%警力资源。

管控平台受到公安部交管局和全国同行的高度肯定。未来三联交通公司将继续立足交管部门业务需求，充分发挥自身优势，以科技创新聚焦交通事故预防“减量控大”，助力交管业务监管多场景应用，为守好交通安全第一道屏障添砖加瓦，助力推进公安交管“放管服”改革措施落地。

安徽三联学院喜迎 2020 级新生入学

金秋送爽、丹桂飘香，在这个收获的季节里，迎来了安徽三联学院 2020 级新生。他们脸上洋溢着笑容，带着对即将到来的大学生活的向往，朝气蓬勃地走进校园。三联志愿者们也在校门口辛勤地迎候着新生的到来，为其搬运行李，做好向导。2020 年 9 月 17 日上午，小雨霏霏，安徽三联学院 2020 年迎新工作正式开展。

今年由于疫情的原因，家长不能陪同学生入校报到。学生个人进入校园后，志愿者们将其行李放在寄存点，带领着他们进入校园教学区办理入学手续，紧接着又带领他们领取生活用品，办理入住宿舍等多项工作。在不辞辛劳、尽职尽责的教职工和勤勤恳恳、无私奉献的志愿者的帮助下，新生报到工作有条不紊地进行着。期间，校领导深入报到现场、生活区检查迎新工作，亲切问候新生，让新生

们感受到了三联人的热情和三联校园的温暖。

三联志愿者们跟随学校组织的十余辆大巴车，在合肥市火车站，汽车站，高铁南站等地迎接从五湖四海赶来的新生。报到当日，凤凰网安徽的记者来到学校对新生报到进行了采访。采访中，记者问到一位来自安徽庐江的会计学新生李雨蒙，她表示，十分憧憬即将到来的大学生活，面对新的同学和老师，她希望能够和同学们相处融洽，在能力范围之内协助老师完成日常管理工作，和同学们团结一心、互帮互助。

随后，记者在校门外采访到一位学生家长余秀华，在交谈中了解到，她的孩子名叫王静，今年就读财会学院，因为不能陪伴孩子进入校园，她一直在校门外等候，面对记者的采访她不禁有些泪目了，想到就此和孩子分别，内心非常不舍，但表示为了

安全考虑会积极配合学校防疫管理工作，让她独立去完成报到手续。她希望女儿在学校的四年里认真完成学业，毕业后能够达成所愿，前程似锦。

为做好疫情防控工作，此次新生报到对学校来说也是一次重大的考验，学校各单位积极应对，努

力完成迎新工作。2020级新生开启了他们人生中新的起点，未来四年时光里，他们将度过最美好的时光。

安徽三联学院有序组织秋季学期学生返校

根据学校计划安排，安徽三联学院2018级本科、2019级专升本、2019级本专科学子于9月5日-7日错峰返校报到，学校各部门严格落实老生返校方案和疫情联防联控相关要求，统筹安排，精心谋划，引导学生分类分批错峰返校，高效率的做好开学前各项准备工作。

报到期间，学校实施“一测二核三查四领五交”的报到机制。即测体温，核对身份信息，查验“安康码”和个人旅行轨迹信息，检测与核查无误后，学生领取报到通行证进入校区，至宿舍楼上交报到通行证并再次测温正常后，完成报到。

为及时了解学生返校现场情况，省教育督导专员、校党委书记李明阳，校党委副书记、副校长鲁先长，各二级学院执行院长等分别前往生活区现场查看，与工作人员、返校学生亲切交谈，并深入食

堂、学生宿舍等场所，检查指导开学工作；由学生处、总务处、保卫处、校医院和各二级学院组成的报到工作组每日早早到岗，有序组织，密切配合，严格做好证件查验和体温测量等现场管控工作；辅导员、党员志愿者等工作人员不顾连日的高温酷暑，始终坚守在接待一线，细致耐心的为学生办理报到事宜。

为减少人员流动和聚集所带来的风险，财务处开通了网络支付等多渠道缴费模式，进一步精简广大学生的报名程序，提高服务效能。学校各部门牢固树立“以生为本”的理念，以实际行动践行担当。

金秋新气象，希望同学们能尽快调整在校的生物钟，以饱满的热情和最佳的姿态迎接新学期。

携笔从戎书青春本色 建功军营圆强国梦想 ——安徽三联学院举行 2020 年大学生参军入伍欢送仪式

2020 年 9 月 10 日，安徽三联学院 2020 年欢送大学生参军入伍仪式在教学楼 A 楼举行。省教育督导专员、校党委书记李明阳，校党委副书记、副校长鲁先长，副校长秦永元，校长助理傅伟，保卫处处长郭万根，学工部部长、学生处处长李燕及辅导员代表出席欢送仪式。仪式由校武装部副部长孙宇主持。

首先，校武装部介绍了今年学校应征入伍的 27 名大学生的总体情况；校领导与胸带光荣花的入伍大学生一一握手表示祝贺和勉励。

随后，入伍大学生代表、外语学院学生李强同学发言表示，将永远牢记秉承“厚德、博学、砺能、

树人”的三联校训，不辜负学校的培养，到部队后服从命令、听从指挥，严格训练，争做合格、优秀的军人，用优异的成绩回报学校和老师的培育之恩，为母校争光添彩。

李明阳书记代表学校向即将步入军营的学生表示祝贺，对他们携笔从戎、献身国防的爱国主义精神和无私奉献精神予以高度肯定，并对即将开始军旅生涯的同学提出四点要求和希望：一要坚定理想信念，担当强国使命。把人生价值与理想融入到强国梦、强军梦，在部队的大熔炉里淬炼成钢。二要弘扬优良传统，锻造钢铁战士。传承发扬人民军队的光荣传统，珍惜时光，牢记初心，早日成为有灵魂、有本事、有血性、有品德的新时代“四有”军人，勇做强军先锋。三要刻苦钻研业务，掌握军事技能，以高度的责任感和使命感创造一流业绩。四要树立献身国防的崇高理想，把满腔热情化为报国之志，以实际行动建功军营，增辉母校。

仪式结束后，入伍学生与各位领导、老师们合影留念，依依话别。伴着阵阵掌声祝贺，学校 2020 年参军入伍大学生即将开启新的军旅征途。

合肥竹棵技工学校应邀参加 2020 年全国 骨干技工院校校长会议

为推动全国技工院校改革发展，提升全国骨干技工院校校长的能力和水平，2020 年 9 月 7 日至

11 日，由国家人力资源和社会保障部举办的 2020 年全国骨干技工院校校长高级研修活动在河北秦皇

岛举行，来自全国共 90 余人骨干出席会议。合肥竹棵技工学校常务副校长解明胜作为安徽省的三位骨干校长代表之一参加会议。

此次研修内容主要围绕职业能力建设、技工教育、职业技能提升行动、职业技能竞赛、技能扶贫、技工院校对口帮扶和教材建设等方面进行。国家人力资源社会保障部汤涛副部长亲临会议并做重要讲话，并与参加研修活动的学员进行了座谈交流。他指出，当前我国面临人才供给结构性调整、高技能人才十分短缺等问题，各技工院校要充分认识到高技能人才对国家经济社会发展的重要意义，积极培养更多高素质技能人才，为中国制造提供强大的人才支撑，对重点做好招生、校企合作、师资建设及

教材建设等方面给予指导意见。他强调，技工院校要抢抓机遇、迎难而上，抓住技能人才队伍建设机遇期，实现技工教育新的发展。

据悉，此次研修活动安排了专家授课、现场教学、分组研讨和座谈交流等环节，通过理论与实践相结合，着重提升骨干技工院校办学能力和水平，推进技工教育新发展。

解明胜副校长代表安徽骨干院校在会上作了办学交流与分享，并表示通过参加此次研修更加坚定了办好技工教育的信心，增强了立足安徽、提升技能人才培训质量的信心和动力，实现技能强省的人才战略，做江淮中职教育典范的决心。

踏歌凯旋 再攀高峰

——合肥竹棵技工学校召开 2020 年招生总结暨发展研讨会

喜逢双节家国欢，硕果飘香享甘甜。2020 年 10 月 7 日，合肥竹棵技工学校利用中秋假期时间在寿县小兰草度假村召开了 2020 年招生总结暨发展研讨会。竹棵公司总经理朱榕、竹棵技工学校常务副校长解明胜等中高层领导班子、全体招生工作人员参加了会议。会议由招生办主任张强主持。

本次会议分招生总结和发展研讨两部分。会议首先听取了招生办公室主任张强关于今年招生工作的汇报，总结了 2020 年的招生工作，从分数结构、招生区域、专业设置等方面分享招生工作经验，肯定大学校园优势及专业特色，并从中查找不足、阐述建议、提出规划。随后，各区域招生负责人纷纷畅言，对今年各自区域招生进行总结，通过各自招生经验及工作中的感触分享招生得失与不足。

接着，解明胜副校长在会上就今年招生工作发言。首先对学校今年招生工作所取得的成绩给予充分肯定，他表示超额完成年度招生计划成绩骄

人可喜，这与招生人员、学校领导及教师、各职能部门的通力合作是分不开的，并代表学校向全体奋战在招生工作一线的同志们表示了衷心感谢。他强调，在新人才培养变革、中高职扩招、中职招生严峻等新形势下，学校招生工作既面临挑战更存在机遇，只要我们能够提前谋划、调整思路、措施得力，充分利用好新媒体和大数据等前沿手段，充分发挥

好职业生涯规划对生源基地建设的重要作用，一定能够克服困难，再创佳绩。同时，强调“招的来、留得住、管的好、能成才”教学教务管理等方面的重要性，并与参会人员进行了交流和研讨。结合会议整体目标，提出了四点要求：①做好市场调研、②招生政策要科学合理、③要善于运用数据分析、④区域策略，要求大家充分利用大数据分析、新媒体传播手段等新趋势提高工作效率及宣传口碑。最后，对2021年春季招生工作进行了部署。

会议最后，竹棵公司总经理朱榕作总结发言。他首先充分肯定了本次招生工作总结会议分享的经验 and 做法，以及2020年招生工作取得的成绩。其次，他从竹棵二字的解字“棵，小树苗加一个果，代表收获”的寓意，来诠释工作起始的走向是以结果为导向，他肯定了全体招生工作人员的用心、用力及对招生工作的付出，认为此次招生充分发挥团队力量，群策群力创辉煌；再次，他指出从中职教育及

学生的人才培养等方面，要更加关注中职学校的办学质量，不辜负家长希望，打造筑梦圆梦中职人才培育高地，深化内涵，锤炼专业特色，科学高效成才体系，形成良性循环。最后，朱榕总经理对竹棵技工学校的发展提出要求。他指出招生工作是关键一环，希望大家继续同心协力共同实现发展的目标，要敬过往、不回望，庆当下、展未来，继续携手奋进未来可期的愿景，鼓励全体员工继续昂扬斗志，奋发图强。

会后，与会人员进行了短暂的自由活动，在小兰草度假村寻找秋的踪迹，感受秋的韵味。湛蓝飘逸的蓝天白云，金秋的阳光温馨恬静，秋风和煦轻柔。伴随落日余晖返程，2020年招生总结暨研讨会完美落幕。

守护学生身心健康 维护校园安全和谐

刘青霞：记安徽三联集团2019年度先进个人、
安徽三联学院心理中心老师刘青霞

刘青霞，中共党员，心理学硕士研究生，安徽三联学院心理健康教育与咨询中心成员，安徽省心理协会会员、安徽省心理危机干预协会成员，具有国家级心理咨询师资格证二级、国家心理治疗师。2017年以来，负责学校大学生心理健康教育与咨询工作。几年来，她在领导和同事的指导 and 帮助下，遵循“尊重理解、真诚保密、助人自助”的辅导原则，认真做好大学生的接待、咨询记录、危机干预等工作。工作中，她恪守道德规范，爱岗敬业，守时守信，精准专业地服务每一位来访学生，多次化解校园心理危机事件，促进了学生健康成长，维护了校园安全和谐。

一、尽心尽责，倾情学校心理育人工作

扎实做好心理普查工作。刘青霞同志每年开展新生心理普查工作，建立了近 15000 名新生的心理普查档案，参测率 99% 以上。共筛查出约谈学生 510 余人，对不同问题学生，第一时间上报校领导及各二级学院，协同关注问题学生。

认真开展日常心理咨询工作。截止 2019 年 12 月初，共接待 200 余人次的个体心理咨询。针对不同问题和程度，采用专业的咨询技术和方法，有效缓解同学的心理问题，预防了危机事件的发生，提升了问题学生愉快学习、享受生活的能力。

积极处理日常心理危机干预工作。共干预 50 余人，根据学校的危机干预方案，作妥善处理，避免了心理危机事件的发生。及时上报大学生的心理健康月报工作。截止 2019 年 12 月初，心理健康月报累计关注学生达到 1000 余人次，并重视对心理月报中发现的重点关注学生的咨询、支持、转介和跟踪辅导工作。

落实每年的春秋两季大学生心理危机排查工作。累计排查出需重点关注学生 200 余人，依据问题的分类、

严重程度作相应处理。

二、敢于创新，精心打造心理健康教育特色

敢于创新，打造安徽三联学院特色活动。先后举办多届“5·25”心理健康月活动，通过条幅签名、主题班会、海报板报、校园广播、心理电影展播、心理演讲比赛、心理沙龙等形式开展了心理健康知识宣传活动；连续举办多届校大学生校园心理情景剧视频大赛，参赛的作品反映了大学生对社会、学校及身边人的感恩心态，营造和谐健康的校园文化，充分发挥大学生的自我教育功能，其中心理情景剧作品《你的模样》，参加全国第二届高校心理情景剧大赛，荣获优秀奖及优秀指导老师奖；积极开展三月安全月活动、团体辅导活动等，调动广大师生的积极性，共同关心大学生的心理健康问题。

三、积极上进，提高心理健康教育专业素养

热爱心理健康教育工作。先后参加省教育厅、省心理协会、省危机干预协会有关心理健康教育的专题培训学习；邀请校外专家开展“如何发现大学生心理问题和处理”和“如何进行心理约谈和个体咨询”的主题讲座2场，参与290余人次；开展团体辅导知识交流培训会及异常问题识别与干预的培训共6次，参与1000余人次；组织班级心理委员和宿舍安全信息员专题培训工作，累计培训11场，参与1087余人次；首次发展了一批17人的兼职心

理辅导老师队伍，壮大了校心理健康教育的力量，并重视对兼职队伍的培训和引导，形成了“领导重视、专家指导、专兼结合、全体教职工积极参与、朋辈支持”的心理健康教育模式，满足了学生日益增多的心理健康教育的需求。

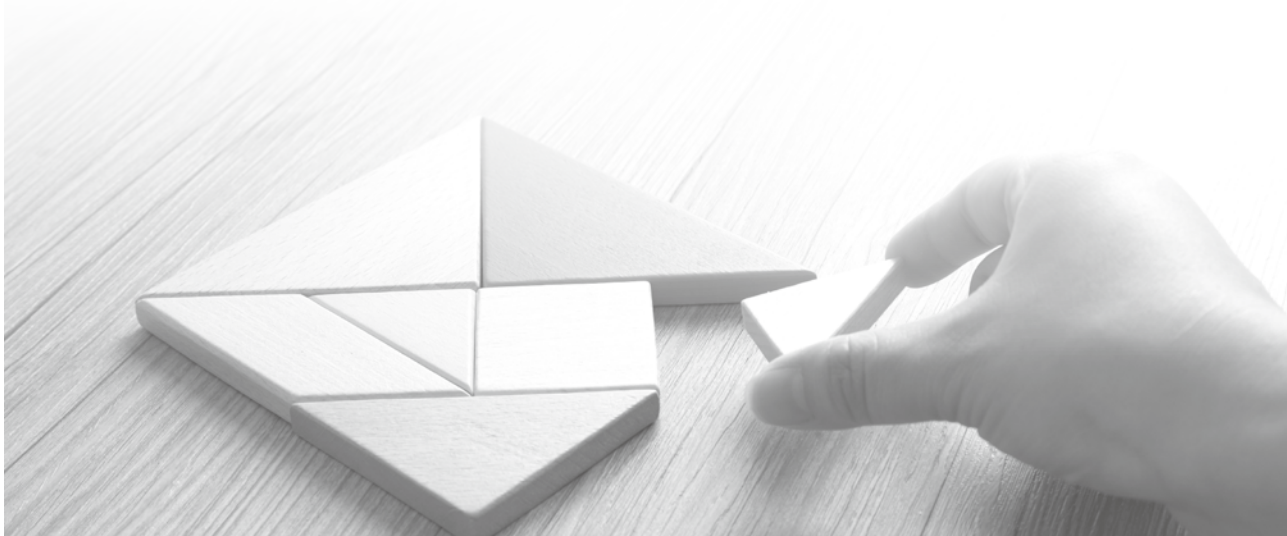

刘青霞同志亦重视心理健康工作的理论与实践研究，指导学生参加心理类省级大创项目2项、校级课题结项2项、省级课题1项，完成2篇三类论文等，通过不断总结与反思，提升自身专业素养。

四、积极发挥，资助育人、双优生激励育人作用

兼顾多项工作特点，多管齐下，共同发挥心理育人作用。多年来，积极开展安徽省普通高等学校品学兼优毕业生评选工作，共评选出安徽省品学兼优毕业生200余人；积极落实应征入伍服兵役高等学校学生实行国家教育资助工作，最终补偿人数总计300余人。她发挥工作特点，及时教育学生的感恩、诚信、回馈的正性能量，起到教育、宣传的作用，营造出安全、文明、健康、和谐的校园育人环境。

刘青霞同志长期在心理育人的一线工作岗位上，用尊重去挖掘，用温暖去融化，用爱心去营造，默默做大学生的心理健康守护人，校园安全和谐的守誉者。

奋进的三联

不知你是否还记得，三十年前在望江东路那个不起眼的地方成立的“合肥三联事故预防研究所”。

不知你是否还记得，二十八年前在上海普陀区枣阳路100号那间简陋的前店后工厂的作坊里，曾经生产出荣获国家科技进步二等奖的驾驶人检测设备。

不知你是否还记得，二十三年前在合肥市的偏僻一隅，安徽三联学院的成立。

我记得三十年前，一个东瀛学子，怀揣一颗报国赤子之心回到祖国，用自己所学之长，投身我国交通事故预防事业，创办了“安徽三联事故预防研究所”。用他的所学，结合当时我国道路交通的实际情况，提出了著名的“三道防线”理论。十余年后，安徽三联事故预防研究所，荣获2002年度国家科技进步一等奖（中国道路机动车交通事故主要预防技术研究及应用）、荣获2005年度国家科技进步二等奖（基于本体的交通系统驾驶员个性化培训技术开发及标准化），填补了我国交通事故预防领域的空白，为我国道路交通事故预防事业做出卓越贡献。

我记得二十八年前，在前店后工厂作坊生产出的驾驶人检测设备和驾驶模拟器，已经成为现今全国驾驶员培训中心和大型运输企业必备的检测、培训设备，应用范围涉及驾驶员培训、公路

交通和铁路交通的广大行车人员。2005年，三联交通公司成立，开始大力发展智能交通工程及产品研发，拥有行业领域唯一的“国家车辆驾驶安全工程技术研究中心”，机动车驾驶人驾驶技能培训系统、汽车模拟驾驶系统、驾驶适应性检测系统、智慧交通等10多个系列，市场覆盖全国400多个城市，现已成为我国智能交通领域的标杆企业。

我记得二十三年前，安徽省第一所民办高校——安徽三联学院成立。作为拥有学士学位授予权的省级普通本科高校，如今的安徽三联学院已成为中国百强民办高校之一。依托三联集团科技产业优势，实行产学研一体化发展，加强培育教科研团队，大力推进科研创新平台建设，不断加强学科专业群建设，完成了一系列自主品牌优势的专业学院，为社会培养一大批优秀专业人才。

荏苒三十年，弹指一挥间。三十年前，那个远渡东瀛的莘莘学子施展他的才华与抱负，铸就了如今的安徽三联集团。他就是安徽三联集团的创始人金会庆教授。三十而立，如今的三联人在金会庆教授的带领下，正朝着第二个三十年，乃至百年奋进。雄关漫道真如铁，而今迈步从头越。相信三联的明天会更加灿烂辉煌！

我的“大家”与“小家”

“吾十有五而志于学，三十而立。”30岁对一个成年人来说，是人到中年的“前奏曲”，此

间步入婚姻生活的时间还不算长，初为父母也还没有体会到太多育儿的辛苦，身体也还算强壮，

但已开始感受太多的竞争压力、升迁压力、经济压力以及来自家庭和社会的各种义务。30年对于一个企业来说，是从无到有、从小到大、从初见雏形到辉煌发展，历经重重险阻，在逆境中披荆斩棘，走过的是一条自强不息之路。屹立30年是企业优质发展的肯定，安徽三联集团自成立至今，从产业、科研、教育三项业务全面发展，到今天均取得辉煌成绩。作为三联的一员，虽加入时间不长，但对这个“大家庭”有着一份特殊的感受。

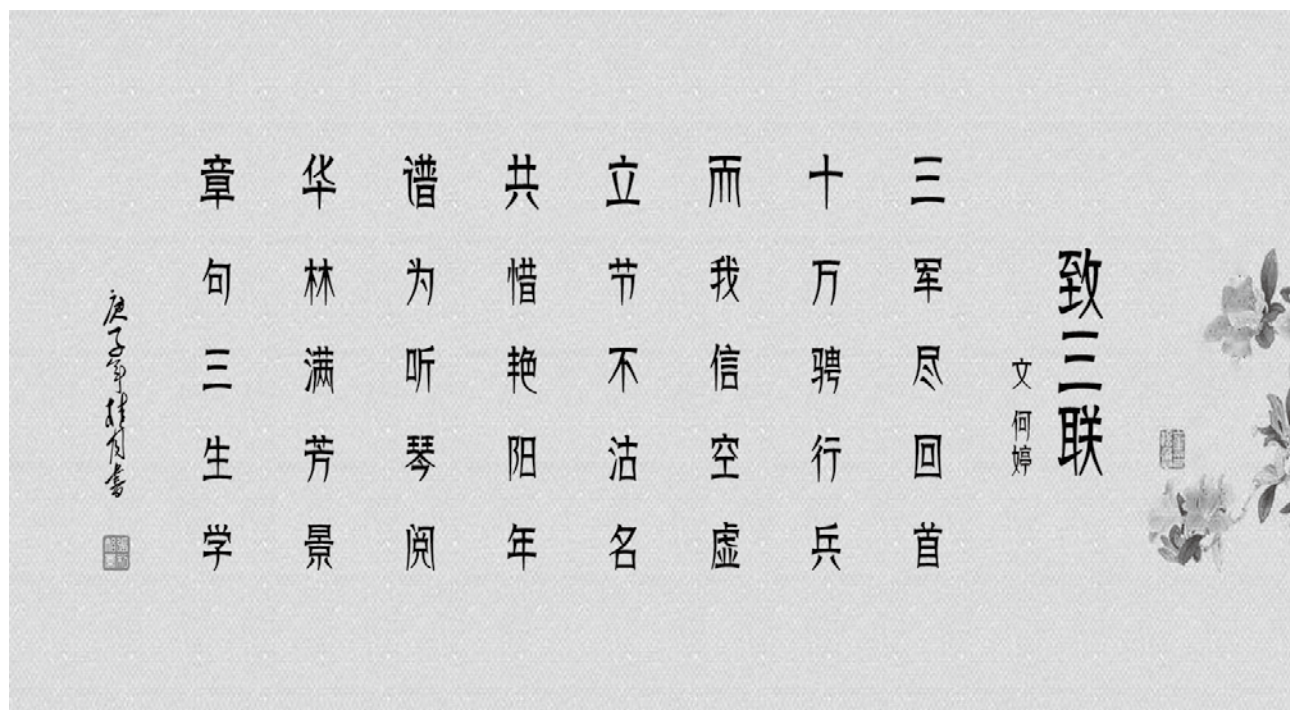

2019年5月，离开北方回归故乡的我，有缘加入三联成为这个大家庭的一份子。在参与公司选人的面试环节中，和很多求职者接触，他们对于三联都不陌生，三联在省内可以说是赫赫有名，知名度很高。当时作为三联的一员，我很庆幸自己选对了三联这个“大家”。在与三联相伴的一年多里，深深的感受到了这个大家庭的和谐、温馨。深深体会到三联人“高效、廉洁、勤勉、务实”的作风，以及始终“以人为本”的用人理念，感受到在这个大家庭只要用心、用情，一定会有

很好的发展。

同样也是在2019年5月，30岁的我在安徽合肥正式安顿好我的“小家”。虽然现在刚在合肥发展，面临着一定的经济压力，但我的“小家”很温馨，在合肥的生活，让我感觉很舒心，与家人一起奋斗，也让我对未来的生活充满信心。随着近几年合肥的高速发展，跻身新一线城市，未来的机会也会很多，只要坚持与我的“大家”共进退，我的“小家”也会在合肥这个国际化大都市越来越好。我始终相信坚守初心，未来可期。

在安徽三联集团成立30周年之际，作为三联人，有责任更有义务献上我们的诚挚祝福，虽未能有幸参与三联以前的30年，但我希望再以后的30年，我能为三联的发展贡献我的一份力量。我的“小家”依附于我的“大家”，在合肥这片沃土上，真诚的祝福三联，我的“大家”，蒸蒸日上，也期望我的“小家”，一切顺利。

我在三联的这一年

大学梦，是莘莘学子寒窗十二载挑灯夜战的坚韧背影。大学梦，是知识青年被中电筒照出的微寒光景。大学梦，是爷爷掏出的发黄的高中课本，满载少年郎上进的愿望。为了心中的目标，为了青春不败的承诺，我们披星戴月，只争朝夕。

一年前的9月，我来到了三联。军训期间，校领导、院领导为引导学生树立奋斗目标，做好大学生涯规划，进行了学校新生入学教育，校园贷、宿舍安全、反电信网络诈骗、心理健康教育、学校相关政策讲解等专题讲座。直到这时，我才深深感受到，什么是大学。大学不是醉生梦死、挥霍青春的地方，也不独是学术自由的科研圣地，它是教学与研究相统一的大众化教育阶段的核心，但它更应该是当代青年的觉醒之地，是中华未来的破晓之地。

我印象中的大学要有浓重的学习氛围，随处可见学生们在校园各处看书、参加活动、锻炼体能。而三联便是如此，莘莘学子无不在努力学习提升自己。夜晚，天上的繁星闪烁，教学楼的周围灯火通明。三联，你就如一位德高望重的老人，见证了无数学子的努力，并指引我们向前。

成长的路上总会有着许多的事情，有着许多的矛盾。至少，我很幸运能来到三联，遇到这么一群人。从来之前的无奈，到来之后的珍惜。母校就是你刚来的时候巴不得早点走，可真当你要走的时候又急切的希望能多留一两天的地方，就如李培根院士所说：“母校就是你在心里骂无数遍，但却不允许别人说一句的地方。”

Comrade Li Mingyang was Successively Appointed as the Party Leader and Supervisory Commissioner of Anhui Sanlian University

On September 1, 2020, Anhui Sanlian University held a meeting of leading cadres of the whole university to announce the decision of the Education Working Committee of the Provincial Party Committee on the appointment of Comrade Li Mingyang. Qing Chengsong, deputy secretary of the Education Working Committee of the Provincial Party Committee, attended the meeting and made a speech. Li Fangze, director of the Human Resources Department of the Education Working Committee of the Provincial Party Committee, presided over the meeting and announced the decision. Yu Wansheng, board chairman, Jin Huiqing, president of the school, and Li Mingyang, secretary of the Party Committee of ASU, made speeches respectively. All school leaders and middle-level leaders attended the meeting.

The Education Working Committee of the Anhui Provincial Committee of the Communist Party of China has decided that Comrade Li Mingyang will continue to serve as the leader and supervisor of the Party Committee of Anhui Sanlian University.

In his speech, Qing Chengsong fully affirmed the

development achievements of the school in recent years, and highly praised Comrade Li Mingyang's positive contribution to the development of the school. He pointed out that since taking office in February 2015, Comrade Li Mingyang, with a strong sense of enterprise and responsibility, has played an important role in promoting the development of Party building, standardizing school running, innovating development and other aspects, and has provided a strong political guarantee for the healthy and orderly development of various work of the school. He hoped that Comrade Li Mingyang would continue to perform the leadership responsibilities of making good management of school running direction, overall situation management, decision-making, leading the group, and ensuring implementation, and to strengthen the Party's overall leadership, improve the Party's overall leadership system and mechanism for education, comprehensively strengthen the ideological and political work in schools, comprehensively implement the fundamental task of building morality and cultivating people, and strengthen and improve the Party building in schools. The board of directors and the administrative team of the school should continue to actively support and cooperate with Comrade Li Mingyang. According to the school running purpose of the private school, we should earnestly standardize the school running practice, earnestly implement a series of systems such as two-way entry and cross-appointment, make collective decisions, divide responsibilities, and ensure that the supervisor have the right to work and give full play to his role. The faculty and staff of the university should make persistent efforts to build the university

into a local application-oriented high-level university which is well-known in China, first-class in the province and has outstanding advantages and distinctive characteristics with the spirit of daring to venture and struggle.

Qing Chengsong put forward six requirements for school development and Party construction. School should conscientiously study the third volume of Xi Jinping: The Governance of China, profoundly understand and accurately grasp General Secretary Xi Jinping's important exposition on education and his important speech spirits in Anhui. The first is to further consolidate the Party's overall leadership in running schools and giving full play to the political core role of Party organizations in private schools; the second is to firmly implement the "two maintenance" systems and take responsibility for political construction; the third is to promote the effective coverage of Party organizations and Party work in private schools and make them strong in implementing the spirit of the regulations; the fourth is to improve the supervision mechanism of Party organizations participating in decision-making. The fifth is to do a good job in the development of Party members and the education and management of Party members; the sixth is to focus on deepening the comprehensive reform of "Three All-around Education Standards" and do a good job in ideological and political education and moral education. It is hoped that the Sanlian university will continue to innovate its development ideas, continuously improve its school running strength and level, contribute its wisdom, practice and exploration to the development of private higher education with Sanlian characteristics, and make new and greater contributions to the development of private higher education in our province!

On behalf of the school, president Jin Huiqing expressed his heartfelt support for the decision of the Education Working Committee of the Provincial Party Committee, and expressed his heartfelt thanks to the Education Working Committee of

the Provincial Party Committee and the Provincial Department of Education for their concern and support for the development of the school and the construction of the school's leading group. He said that Comrade Li Mingyang has a high political position and strong principle. He has paid close attention to Party building and the construction of the leading group, worked diligently and dutifully, and played an important role in promoting the development of the school and the prevention and control of the COVID-19. As always, we support and cooperate with Comrade Li Mingyang's work, unite as one, and lead all teachers, students and staff to strive for the new development of the school.

Yu Wansheng, chairman of the board of directors, said that he firmly supported the decision of the Education Working Committee of the Provincial Party Committee. Since taking office in the University, Comrade Li Mingyang has maintained good communication with the board of directors and the administrative team, actively participated in the decision-making of major issues and matters of the University, comprehensively strengthened the party's construction, implemented the fundamental task of establishing morality and cultivating talents, and fully played the political core role of the Party committee. The board of directors of the university will thoroughly implement the "Law on Promotion of Private Education", earnestly perform its duties, support each other, and work together to promote its development.

In his speech, Li Mingyang expressed his full support for the decision of the Education Working Committee of the Provincial Party Committee. He said, the continuous assignment is the full trust of the Education Working Committee of the Provincial Party Committee, as well as the great support of the staff of the whole school. He felt deeply responsible. At present, the school is facing great tasks such as strengthening Party building, pandemic prevention and control, security and stability, education and teaching, reform, development and innovation. We still has a long way to go. We will study in depth the Xi Jinping: The Governance of China (Vol.3rd) and general secretary Xi Jinping's important speeches' spirit during his inspection in Anhui under the correct leadership of the Provincial Party Committee and the Provincial Education Committee, and adhere to Xi Jinping's socialist thoughts with Chinese characteristics in the new era.

We should adhere to the direction of socialist school running, fully implement the general requirements of the Party's construction in the new era, conscientiously fulfill the main responsibility of strictly managing the party and governing the party, improve the responsibility system of Party construction, resolutely implement the deployment requirements of the Provincial Party Committee and the Provincial Party Committee's Education Working Committee. According to the characteristics of private colleges and universities, centering on the central work of the school, we should give full play to the political core and guarantee role of the Party Committee, the fighting fortress role of the grass-roots party organizations and the vanguard and exemplary role of the party members, and make persistent efforts to promote the sustainable and healthy development of Sanlian Univeristy.

The leaders who attended the opening ceremony and took their seats on the rostrum were: Yu Wansheng, president of the university; Li Mingyang, provincial education supervisor and secretary of the university party committee; Lu Xianzhang, deputy secretary of the party committee and vice president of the university; Qin Yongyuan, Jin Zhe, Cai wenfen, and Jiang Xiuli, vice presidents; Fan Zhaohong, chief financial officer; Fu Wei, president assistant; Fang Jinsong, secretary of the general party branch of Anhui Red Cross Medical

School and Hong Mei, the president; Xie Mingsheng, executive vice president and Jiang Jie, vice president of Zhuke Technical School. Others attending the opening ceremony were executive presidents of secondary colleges, heads of functional departments and representatives of teachers and students. The ceremony was presided over by Vice President Jiang Fagen.

The opening ceremony kicked off with the majestic national anthem and school anthem. The staff from the rostrum and the auditorium and all the freshmen solemnly saluted the national flag.

Lu Xianzhang, deputy secretary of the university party committee and vice president, read out the commendation document. Yu Wansheng, chairman of the board of the university, presented awards to the representatives of the advanced collectives and individuals of the freshmen enrollment education work, the representatives of the advanced individuals and outstanding instructors in military training work, and the outstanding volunteers in the reception of freshmen.

Li Mingyang, provincial education supervisor and secretary of the party committee of the university, delivered an important speech. He first expressed the warmest welcome to the new students on behalf of the school, and extended warm congratulations to those students who had withstood various tests during the epidemic period, overcome the difficulties of the epidemic situation and finally won the college entrance examination! Li Mingyang said that Anhui Sanlian University has won a good social reputation for its more than 20 years of school running achievements. The university is moving towards a local application-oriented high-level university with outstanding advantages and distinctive characteristics. This year coincides with the 30th birthday of Anhui Sanlian Group, and the university

will make greater achievements. In the face of new goals and new journey, Li Mingyang put forward three hopes for his students: one is to strengthen ideals and beliefs. We should set up lofty ideals and aspirations, adhere to the correct value orientation, and be an ideal, ambitious, knowledgeable and socially responsible person. Second, stick to the original mission. It is hoped that students will never forget the "original mission", understand the real value of the university, embrace a new life with a positive and optimistic attitude, and repay their parents and school with substantial and fruitful studies. Third, we should adhere to the unity of knowledge and practice. "The knowing is the beginning of action, and the action is the accomplishment of knowing". We should learn to apply what we have learned, learn from practice and understand the true meaning. We should be practical, conscientiously do everything well. Finally, Li Mingyang's sincere message to the freshmen is that we should cherish our university time, practice the spirit of Sanlian, shoulder the mission of the times, work hard, and write a colorful youth worthy of the times, so as to write a new chapter for the grand goal of "creating a century old school"!

On the occasion of officially opening colorful university life, Zhang Shihuang, the backbone of the student union, led all the freshmen to take the oath; Zhan Haiwen, executive director of the school of

economics and management, took the oath on behalf of all the teachers.

Zhai Xiaohua, a 2014 graduate, was invited to the ceremony as a representative of the alumni in aid of Hubei Province. Since the new coronavirus pneumonia epidemic, Zhai Xiaohua, Wu Shuguang and Qian Binbin attended the first batch of Anhui medical teams in Anhui province. They rushed to Wuhan at the most dangerous time of the epidemic, and finally fulfill the tasks with professional skills.

In his speech, he described his experience in fighting the epidemic in Wuhan during the period from January 27 to March 30. He said that as a medical worker and graduate of Sanlian University, he was very proud and proud to be able to do his job well for the people of the motherland. In the future, we will continue to carry forward the fine tradition of our alma mater and write the benevolence of doctors with warm blood. He urged the students to study hard and put their knowledge into practice; to learn to take responsibility and stand up without hesitation when the motherland needs; to take knowledge and skills as the armor, to march forward

bravely on the road of life, seize the day and live up to the time!

Zhai Xiaohua, Wu Shuguang and Qian Binbin were awarded the title of outstanding alumni of Anhui Sanlian University. Yu Wansheng, the president of the university, issued the certificate of honor to them.

With warm applause, Vice President Jiang Fagen announced the successful end of the opening ceremony of 2020 freshmen. From this moment on, more than 4900 new students have joined the Sanlian education family, which has injected fresh vitality into the beautiful campus. We hope that all students can uphold the school motto, bear in mind the study style of diligence, agility, trustworthiness, inherit and carry forward the Sanlian principles of "bravely breaking through difficulties, striving forward, pioneering and innovating, and striving for brilliance". With these spirits we will write a wonderful and unrepentant youth in the great practice of realizing the Chinese dream!

The Red Cross Health School Welcomes New Students in 2020 and the National Day Mid-Autumn Festival Party is Wonderfully Staged

On the occasion of the Mid-Autumn Festival and the National Day as well as the 30th birthday of Anhui Sanlian Group, in order to create a festive and peaceful holiday atmosphere, at 6:30 pm on September 25, 2020, the Red Cross Health School hold a dinner party to welcome new students of 2020. This teacher-student Gala was grandly held on the school

basketball court. Wei Cunhe, director of the vocational education office of Feidong County Education and Sports Bureau, Zhang Bengai, director of the Business Development Department of Anhui Red Cross, Yu Wansheng, executive president of Anhui Sanlian Group, Wang Jiangbo, General Manager of Anhui Sanlian Transportation Application Technology Co., Ltd., Mei

Long, general manager of Sanlian Robotics Technology Co., Ltd., Jiang Fagen and Cai Wenfen, vice principals of Anhui Sanlian University, and leaders of related units such as Hefei Sanlian Education and Training School, together with all the teachers and students at the school, watched the whole evening party.

With the theme of "Chasing Dreams · Building Dreams", the party was divided into three chapters: "Celebrate National Day, Build a Chinese Dream Together", "Celebrate Mid-Autumn Festival, Teachers and Students Chase Acacia Dreams", "Welcome the Freshmen, Watch the Future Angel Dream." Patriotism and love to the school and ideological education are integrated into the art form, and new methods are used to teach the new students political lessons after entering the campus. The show is full of "red health" elements, professional quality and positive youth energy. The content of the show is closely related to the theme, bringing the audience a perfect cultural feast from the perspective of chasing dreaming and dream building.

The evening party kicked off in a short video filmed by all teachers and students. The video fully reflected the daily life of the campus. In the first chapter, "Celebrating National Day, Working Together to Build a Chinese Dream", the program "Young Chinese Says"

expresses the heroic spirit of the younger generation that "We should be self-improvement", showing the youthful vigor and love and love for the motherland expect. The self-created dance "The Most Beautiful Sunshine" combines professional characteristics and uses the touching footage of white angels fighting the epidemic as the background, reflecting the selflessness and greatness of white angels. The ancient dance "Hong Zhao Yuan" uses the graceful dance of students to perfectly blend modern elements with a period of history, reflecting the beauty of ancient charm. The dance "Azalea" shows a deep revolutionary complex and bright red revolutionary spirit, which embodies the spirit of the students who are constantly striving and pursuing beautiful self-improvement. The dance "Happiness Adoration", with passionate melody and rhythm, cool and unrestrained dance steps, shows the youthful demeanor and vitality of the students.

The dance "Good Days" brings the party into the second chapter. The dance "Jazz Dance" allows the vigorous vigor and youthful style to be fully displayed in the interweaving of beats and dance steps. The song "I'm still young" shows the ambitions of the young generation. The cheerful dance rhythm and moving melody in the ancient dance "Don't Ask about the Date of Return",

which is so beautiful, show the beauty of the dance.

The program "We Are Happy Together" opened the last chapter of the party, with light dance steps and beautiful singing, showing the vigor and youth of the students who are chasing dreams. The Latin dance "Rhythm Ta" ignited the fireworks of youth, jumped with the youthful style, and sang out the melody of youth. The self-edited rap "Red Cross Baby", with a novel form and unique lyrics, reflects the perseverance of our students to keep their original aspirations in mind, keep their mission in mind, and move forward courageously, and also expresses their welcome to the new students in 2020. The "Model T Stage Show" and the dance "Riding the Wind and the Waves" jointly performed by the head teachers of the 2020 freshman brought the party to a climax, expressing the hard work and the school's sentiment. They reflect the lofty ambition of the students to forge into the new era and constantly strive for self-improvement!

The party was splendid, closely linked to the theme of "chasing dreams and building dreams", and

vividly demonstrated the vigor and vitality of the young generation. It is a key node in the decisive victory of building a well-off society in an all-round way and starting a new journey of building a modern socialist country. At the crucial stage of ending the 13th Five-Year Plan and planning the 14th Five-Year Plan, all staff will unite more closely around the Party Central Committee with Comrade Xi Jinping as the core and persist Xi Jinping's Thought on Socialism with Chinese Characteristics for a New Era, and under the strong leadership of the organizer, further promote the school's mission of "run a first-class red cross school and cultivate the best primary-level medical personnel" and the "humanity, fraternity and dedication spirit." We are not forgetting the original intention, keeping in mind the mission, having the courage to assume and taking the initiative, and strive to build a distinctive and high-level Red Cross health school.

Anhui Sanlian University Held a Conference on the Construction of Industry Education Integration Plan

In order to further promote the reform of production and education integration in Anhui Sanlian University and implement the tasks of the implementation plan

for the reform, on September 25, 2020, Anhui Sanlian University held a meeting in t518 conference room. School leaders Lu Xianzhang, Jiang Fagen, Cai wenfen, Jiang Xiuli, fan Zhaohong and Fu Wei attended the meeting, which was presided over by Vice President Jiang Fagen.

Vice President Cai Wenfen publicized and implemented the overall requirements, basic principles, implementation objectives, integration path and safeguard measures of the program, especially emphasized the specific tasks of 12 plates in 4 aspects of the integration path. Wang Li, minister of practice teaching department, reported the main work progress,

existing problems and the work plan on the integration of production and education.

Vice President Jiang Fagen deployed the task of the teaching units and departments. He asked all units to organize the study and discussion on the plan of the school, formulate the implementation plan and task list of the unit, promote the specific work, and meet the target acceptance and platform inspection of production and education integration at the end of the year. After that, on how to implement the plan and tasks, President Jiang proposed to correctly handle the relationship between three aspects. One is to correctly handle the relationship between ideas and actions. We should bring the dual-education of school and enterprise into the whole process and every link of talent cultivation, and carry out the work with the support of specific projects. Second, we should correctly handle the relationship between reform and integrity. The integration of production and education should follow the law of higher education and the law of students' growth, adhere to the standard, and the plan for reform should be based on the actual situation of the university and the medium and long-term development plan. The third is to correctly handle the relationship between point and surface. We should focus on comprehensive practice reform as well as the high-level industry education integration platform, horizontal project cooperation, business

incubation and improvement of employability.

Finally, Lu Xianzhang, deputy secretary of the Party committee and vice president of the university, put forward two requirements for teaching units and departments. The first is to deepen the learn and understanding of the integration of production and education. To deepen the integration of industry and education, the focus should be on the secondary colleges and the functional departments should provide essential services. All units should learn, recognize and improve the spirit of the group's 3rd time of entrepreneurship, the school's 14th Five Year Plan and the connotation of industry education integration, so as to connect the integration with the new development of higher education in the new era and the local economic and social development. Second, it is necessary to re-digest, deepen and reintegrate. We should learn from the characteristics of the integration of production and education in other colleges and universities, based on the situation of the university to do a good job; we should build a platform for the integration of production and education with high standards, and promote the further deepening of the platform; we should strive to highlight the characteristics of the university to deepen the integration of production and education, and create an educational community.

Anhui Sanlian University and Anhui Huiyun Company Co-founded Research Project for Digital Media Education

In order to continue to increase school enterprise cooperation, deepen the connotation of industry

education integration, and comprehensively improve the quality of personnel training. On the morning

of September 28, 2020, the College of Animation and Digital Arts of Anhui Sanlian University held a school enterprise cooperation exchange meeting with Anhui Huiyun Culture Media Co., Ltd. in the Zhuke consultation hall. Sun Yi, president of the College of Animation and Digital Arts, Yang Liang, vice president, Tao Jing, project leader of Huiyun's title class, Zhao Guidong, director of Zhuhu new media studio, and other relevant principals attended the meeting.

At the meeting, the two parties respectively introduced the construction advantages and development status of the joint construction of the "Huiyun Titled Class" project, and conducted in-depth exchanges and reached consensus on issues such as joint construction of the base, talent training, and in-depth school-enterprise cooperation.

After listening to plan of the studio and the head of the "Huiyun Titled Class" about the work and training

plan, Dean Sun put forward two requirements: 1. In the promotion of school-enterprise cooperation, both parties must actively communicate and understand the students' situation in the enterprise in time and solve the problems as soon as possible. 2. The school should strengthen the relationship with enterprises, deepen school-enterprise cooperation, combine the needs of enterprises with the school's talent training system, optimize the curriculum, and cultivate practical talents that meet the needs of the future industry. Subsequently, Tao Jing, the project leader of Huiyun's Titled Class, and Zhao Guidong, director of the Zhuke New Media Studio, shared experiences and exchanged experiences on accelerating the integration and cooperation of production and education.

The multi-level, multi-form, and multi-field cooperation between the school and enterprise provides a new opportunity for the organic combination and optimal allocation of school and enterprise resources, and jointly cultivates talents needed for economic and social development. It is also a strategy for in-depth implementation of the national strategy and group deployment. The measures are rooted in the highland of Anhui, and help the development of the integration of industry and education in Sanlian.

Anhui Sanlian University and Anhui Renhe Market Research Consulting Co., Ltd. Discussed Cooperation

On October 27, 2020, Anhui Sanlian University and Anhui Renhe Market Research Consulting Co., Ltd. held a discussion and exchange in conference room 518 of the school library to discuss the cooperation of

building a "talent development center for integration of industry and education." Sun Liangliang, deputy general manager of Renhe company, Tao Chong, personnel director, Qin Ping and Chen Feng, operation manager

Guo Qingmei, Recruitment Manager Li Ming, Senior Researcher Li Lei, and Vice Presidents Jiang Fagen and Cai Wenfen, Wang Li, minister of practical education, and relevant leaders, professional leaders and counselor representatives of the School of Economics and Management attended the meeting. The meeting was presided over by Zhan Haiwen, executive dean of the School of Economics and Management.

At the beginning of the meeting, the school and enterprise reported the basic situation of the unit respectively. Then, the school and enterprise personnel made in-depth speeches and exchanges on five aspects, including internship and employment cooperation, combination of teaching curriculum and practice, teaching staff training and exchange, joint construction of specialty and training base "Talent Development Center", and common topic research.

Vice President Jiang Fagen pointed out in the discussion and exchange that the school's running ideas and positioning are clear. In recent years, school enterprise cooperation has also shifted from single talent output to deep integration of production and education. He stressed that both sides should focus on the needs based on the concept of community construction. Enterprises should be able to participate in the whole process of professional construction and personnel training, and find out the meeting point of the school and the enterprise. We should establish a relatively stable and practical cooperation platform. According to the needs of the school and enterprise, we should give full play to our respective advantages, jointly develop talent training courses, write industry research reports, and undertake relevant research projects, so as to achieve a win-win situation among schools, enterprises and students.

The exchange meeting was successfully concluded in a warm and relaxed atmosphere. In accordance with the spirit of the meeting, the school and enterprise will further improve the framework agreement, refine the co-construction scheme, and strive to achieve actual results in cooperation, so as to promote the integration to a new level.

Anhui Sanlian Applied Traffic Technology Company Helps Nanning Traffic Police Detachment to be Appealing at the National Public Security Traffic Management Meeting for Deepening "Release, Management and Service" Reform

On September 22, 2020, the Traffic Management Bureau of the Ministry of Public Security held a national

on-the-spot promotion meeting on deepening the reform of public security traffic "release, management and

service" management and standardized construction of vehicle management office in Nanning. Li Jiangping, secretary of the Party committee and director of the Traffic Management Bureau of the Ministry of Public Security, the responsible comrades of the traffic control bureau of the Ministry of Public Security and the traffic police corps of all provinces (autonomous regions and municipalities directly under the central government) and the vehicle management department head of the traffic police detachment of the provincial capital city, the capital city of the autonomous region and the city with separate planning, the director of the first-class management level vehicle management institute, and the traffic police branch leaders and vehicle management directors of the prefecture level cities under the jurisdiction of Guangxi autonomous region attend the meeting.

Qin Yunbiao, vice mayor of Nanning city and director of Public Security Bureau of Nanning City, accompanied the leaders to the service stations of Nanning traffic police detachment to observe the implementation of the reform of "release, management and service" of public security traffic management. At the last stop, they came to Yongda motor vehicle driver test center and observed the intelligent driving test control platform jointly developed by Nanning traffic

police detachment and SATTC.

The intelligent management and control platform of driving test adopts artificial intelligence, video analysis, big data analysis and other algorithms. Based on the existing video source of the examination room, it realizes intelligent supervision of test data, automatically detects suspected abnormal behaviors, and actively pushes supervisors. It transforms "passive" inspection into "active" monitoring, which saves police force and improves supervision efficiency, and effectively solves the shortage of police resources and the problem of low efficiency in supervision.

The control platform realizes the supervision and management of the whole process of driver subject examination, real-time early warning of abnormal events, timely check and processing of the background supervision, and realize the ecological closed-loop of driving test business supervision and disposal. At present, the application of the control platform has improved 80% supervision efficiency and saved 60% police resources for Nanning traffic police detachment.

The management and control platform has been highly affirmed by the Traffic Management Bureau of the Ministry of Public Security and the national counterparts. In the future, SATTC will continue to be based on the business needs of the traffic management department, give full play to its own advantages, focus on the prevention of traffic accidents with scientific and technological innovation, assist in the multi-scene application of traffic management business supervision, contribute to the first barrier of traffic safety, and promote the implementation of public security traffic management reform measures.

Anhui Sanlian University Organizes the 2020 National First-class Undergraduate Professional Construction Site Application Review Meeting

On October 26, 2020, the school held the 2020 national first-class undergraduate professional application review meeting in the T518 conference room. The meeting invited a total of 6 experts from inside and outside the school to form a review team to evaluate the 9 majors of Anhui Sanlian University to be declared as national and provincial first-class majors in 2020, including transportation, electronic information engineering, and accounting. The executive deans of the college where the application majors are located, the writer of the application materials, the deputies of the Academic Affairs Office, and related personnel attended the meeting. The review meeting was presided over by the vice president Cai Wenfen.

At the meeting, Cai Wenfen expressed his sincere welcome and gratitude to the experts participating in the meeting, and briefly explained the requirements, quotas and review process of the Provincial Department

of Education for the application of the national and provincial first-class majors. The Academic Affairs Office reported the application status of the school's first-class undergraduate professional construction site and the connotation of the evaluation indicators.

All professional reporters explained the professional positioning and characteristics, comprehensive professional reforms, the construction of the teaching staff, the quality of talent training, existing problems and the construction ideas of next step. On the basis of listening to the report, the expert group put forward suggestions for amendments to the content declared by each profession in terms of in-depth study of relevant documents of first-class professional construction, focusing on professional characteristics and advantages, and highlighting construction results and highlights.

At the end of the meeting, experts combined with

typical cases that have been approved as national first-class professional construction sites to give specific guidance on the completeness, standardization, system, and logic of the application materials, and emphasized that the application should be closely related to the school's orientation, closely focus on the characteristics of professional application-oriented talent training, dig deep into the highlights, key points and characteristics of professional construction, condense and summarize the results, measures, and characteristics of professional construction. The application materials should be concluded refinedly and comprehensively.

After the meeting, the relevant branch schools of ASU will, according to the evaluation results and expert

suggestions, benchmark the first-class professional construction standards, condense the achievements, analyze the deficiencies, systematically integrate, deeply excavate the specialty construction achievements and specialty characteristic advantages, improve the application materials, and strive to promote the first-class undergraduate specialty construction of the University.

Anhui Sanlian University will take this inspection as an opportunity to further improve and perfect the safety and stability work mechanism, and continue to do a good job of school safety, and create a good safety environment for school construction and development.

Anhui Sanlian University Holds Opening Ceremony for 2020 Freshmen

The golden autumn is refreshing, and the sweet osmanthus is fragrant. In this harvest season, we welcome the 2020 freshmen of Anhui Sanlian University. With smiles on their faces and yearning for the upcoming university life, they walked into the campus vigorously. Sanlian volunteers were also diligently waiting for the arrival of the new students at

the school gate, carrying luggage for them, and providing guidance. On the morning of September 17, 2020, Anhui Sanlian University's 2020 orientation work was officially launched.

Due to the epidemic this year, parents cannot accompany students to the school to register. After the students entered the campus, the volunteers put their

luggage in the storage area, led them into the campus teaching area to go through the admission procedures, and then led them to collect daily necessities, check in to the dormitory and other tasks. With the help of hardworking, dedicated faculty and staff and diligent and selfless volunteers, the freshman registration work is proceeding in an orderly manner. During the period, school leaders went to the site to check in and check the welcome work in the living area, and greeted the freshmen cordially, which made them feel the enthusiasm of Sanlian people and the warmth of Sanlian campus.

Sanlian volunteers followed more than ten buses organized by the school to welcome freshmen from all over the world at Hefei Railway Station, bus stations, South High-speed Railway Station and other places. On the day of registration, a reporter from Ifeng Anhui came to the school to interview the new students. During the interview, the reporter asked Li Yumeng, a freshman in accounting from Lujiang, Anhui. She said that she was looking forward to the coming college life and facing new classmates and teachers, she hoped to get along well with classmates, assist teachers to complete daily management tasks, unite well and help each other with students.

Later, the reporter interviewed Yu Xiuhua, a

student's parent outside the school. During the conversation, she learned that her child was named Wang Jing. This year she was enrolled in the School of Finance and Accounting. Because she could not accompany her children to the campus, she had been waiting outside the school gate and faced the reporter. She couldn't help tears in the interview. She felt very sad when she thought of separating from her child, but said that for safety reasons, she would actively cooperate with the school's epidemic prevention management work and let her complete the registration procedures independently. She hopes that her daughter will earnestly complete her studies in the four years, and will achieve her dreams after graduation, with a bright future.

In order to do a good job in the prevention and control of the epidemic, the registration of new students was also a major test for the school. All units of the school actively responded and worked hard to complete the orientation work. The 2020 freshmen have opened a new starting point in their lives, and they will have the best time in the next four years.

Anhui Sanlian University Organizes Students to Return to School in the Fall Semester in an Orderly Manner

According to the school plan, Anhui Sanlian University's class 2018 and 2019 students will report back to school from September 5–7. All departments of the school strictly implement the plan for returning old students and joint prevention and control of the epidemic requirements, guide students to return to school in different batches, and efficiently prepare for the beginning of the semester.

During the registration period, the school implements a registration mechanism of "one test, two verifications, three checks, four leads and five pays". They are measuring the body temperature, verifying the identity information, checking the "Health Code" and personal travel trajectory information. After the detection and verification are correct, the student receives the registration pass and enters the campus, and the registration pass is handed in on the dormitory building and the temperature is measured again to complete the registration.

In order to understand the situation of students returning to school in time, Li Mingyang, the provincial

education supervisor and secretary of the School Party Committee, Lu Xianchang, deputy secretary of the School Party Committee and vice president, and the executive deans of the secondary colleges respectively went to the living area to check on the spot, and talked cordially to the staff and returned students and went to the canteen, student dormitory and other places to check and guide the opening of the school; the registration team composed of the student office, general affairs office, security office, school hospital arrived early every day and organized in an orderly manner and strictly did on-site management and control work such as document inspection and body temperature measurement; staff such as counselors, party member volunteers, etc., regardless of the high temperature and heat of the day, always stuck to the front line of reception, and made the registration matters for students carefully and patiently.

In order to reduce the risks caused by the movement and gathering of personnel, the finance office has opened a multi-channel payment model such as

online payment to further streamline the registration procedures for students and improve service efficiency. All departments of the school firmly establish the concept of "student-oriented" and take practical actions to fulfill their responsibility.

The golden autumn is new, and we hope that the students can adjust their biological clocks as soon as possible and welcome the new semester with full enthusiasm.

Coming to the Military Camp to Realize the Dream of a Powerful Country

—Anhui Sanlian University Held a Farewell Ceremony for College Students to Join the Army in 2020

On September 10, 2020, the ceremony of seeing off college students to join the army in 2020 was held in building A. Li Mingyang, provincial education supervisor and secretary of the University Party committee, Lu Xianchang, deputy secretary and vice president of the University Party committee, Vice President Qin Yongyuan, President Assistant Fu Wei, Director of the security office Guo Wangen, and Li Yan, director of the affairs office, representatives of the counselors attended the farewell ceremony. The ceremony was presided over by Sun Yu, vice minister of the Armed Department of the University.

First of all, Armed Department of the University introduced the general situation of 27 college students

recruited in the army this year, and the leaders of the University shook hands with the students to express congratulations and encouragement.

After that, Li Qiang, a student of the College of Foreign Languages said that he would always remember the school motto, live up to the school's training, obey the orders, follow the command, strive to be qualified and excellent soldiers, repay the school and teachers' cultivation with excellent achievements, and win honor for the alma mater.

On behalf of the school, Secretary Li Mingyang congratulated the students who were about to enter the military camp. He highly affirmed their patriotism and selfless dedication to serve in the army and devote themselves to national defense. He also put forward four requirements and hopes for the students who are about to start their military career: first, they should adhere to the principles, think about their faith, and take on the mission of strengthening the country. The value and ideal of life should be integrated into the dream of building a strong country and a strong army. Second, they should carry forward the fine tradition and be forged as iron and steel soldiers. We should inherit and carry forward the glorious tradition of the people's army,

cherish the time, keep in mind the original intention, and become the "Four Haves" soldier with soul, ability and morality in the new era as soon as possible, and be the vanguard. Third, they should study business hard, master military skills, and create first-class performance with a high sense of responsibility and mission. Fourth, we should set up the lofty ideal of devoting oneself to national defense, turn full of enthusiasm into the ambition of serving the country, and enhance the glory

of alma mater.

After the ceremony, the students took a group photo with the leaders and teachers and said goodbye. With bursts of applause and congratulations, college students joining the army in 2020 are about to start a new military journey.

Zhuke Technical School was Invited to Attend the 2020 National Principal Conference of Key Technical Colleges and Universities

In order to promote the reform and development of national technical colleges and universities, and improve the ability and level of the principals of national key technical colleges, from September 7 to 11, 2020, the 2020 National Key Technical College Principals Seminar will be held by the Ministry of Human Resources and Social Security. The seminar was held in Qinhuangdao, Hebei, and more than 90 people from all over the country attended the meeting. Xie Mingsheng, executive vice principal of Hefei Zhuke Technical School, attended the meeting as one of the three key principal representatives of Anhui Province.

The content of this training is mainly centered on vocational capacity building, technical education, vocational skills improvement actions, vocational skills competition, skills poverty alleviation, counterpart assistance to technical colleges, and textbook construction. Vice Minister Tang Tao of the Ministry of Human Resources and Social Security visited the meeting in person and delivered an important speech, and had discussions and exchanges with the trainees participating in the activities. He pointed out that our

country is currently facing the structural adjustment of talent supply and the shortage of high-skilled talents. All technical colleges and universities must fully realize the importance of high-skilled talents to the country's economic and social development, and actively cultivate more high-quality skilled talents. School should provide strong talent support for China, and provide guidance on key aspects such as enrollment, school-enterprise cooperation, teacher construction and textbook construction. He emphasized that technical colleges and universities should seize opportunities, face difficulties for the construction of skilled talent teams, and realize new development of technical education.

It is reported that this training activity has arranged expert lectures, on-site teaching, group seminars and exchanges. Through the combination of theory and practice, it focuses on improving the ability and level of key technical colleges and universities to promote the new development of technical education.

Vice President Xie Mingsheng made a school-running exchange and sharing on behalf of Anhui's key colleges and universities, and said that by participating

in this seminar, he has strengthened his confidence in running technical education and strengthened his confidence in improving the quality of skilled personnel training. We will achieve the talent strategy, and

the determination to be a model of Anhui vocational education.

Subsequently, the heads of enrollment in each region summarize the enrollment of their respective regions this year, and share the gains, losses and shortcomings of enrollment through their respective enrollment experience and feelings in the work.

Then, Principal Xie Mingsheng gave a speech on

the enrollment work this year at the meeting. Principal Xie first fully affirmed the school's achievements in enrollment work this year. He said that the achievement of over-fulfilling the annual enrollment plan is impressive, which is inseparable from the concerted efforts of enrollment staff, school leaders and teachers, and various functional departments. On behalf of the school, he also expressed heartfelt thanks to all the comrades who are working hard in the admissions work. He emphasized that under the new situation of new talent training reform, enrollment expansion of secondary and senior vocational schools, school enrollment is faced with challenges and opportunities. As long as we can plan ahead, adjust our thinking, and take effective measures to make full use of new media, using cutting-edge methods such as big data and

making full use of the important role of career planning in the construction of student bases, school will be able to overcome difficulties and achieve better results. At the same time, Principal Xie emphasized the importance of teaching and educational management, and conducted exchanges and discussions with the participants. Based on the overall goals of the meeting, Principal Xie put forward four requirements: 1. Do a good job in market research; 2. Enrollment policies should be scientific and reasonable; 3. Be good at using data analysis; 4. Regional strategies require everyone to make full use of big data analysis, new media communication methods, etc. Finally, President Xie made arrangements for enrollment in the spring of 2021.

At the end of the meeting, Zhu Rong, general manager of Zhuke Company, made a concluding speech. He first fully affirmed the experience and practices shared in this enrollment work summary meeting, and the results achieved in the enrollment work in 2020. Secondly, he interpreted the meaning of to explain that the initial direction of work is result-oriented. He affirmed the dedication and effort of all admissions staff. He believes that the enrollment will give full play to the

strength of the team; once again, he pointed out that in terms of vocational education and student talent training, we must pay more attention to the quality of vocational education and live up to the hopes of parents to create a highland for cultivating vocational talents, deepen the connotation, temper professional characteristics, and form a virtuous circle. Finally, General Manager Zhu Rong put forward requirements for the development of Zhuke Technical School. He pointed out that enrollment is a key part, and he hopes that everyone will continue to work together to achieve the goal of development. We must continue to work together for the future vision, and encourage all employees to continue to work hard with high morale.

After the meeting, the participants had a short free activity, looking for the traces of autumn at the Xiaolancao Resort and feeling the charm of autumn. The blue and elegant sky and white clouds are good; the golden autumn sunshine is warm and peaceful, and the autumn breeze is gentle. With sunset, they elegantly, and the 2020 enrollment summary and seminar ended perfectly.

In the National College Students Metallographic Skills Competition- ASU Won the National Third Prize

From October 9th to 14th, 2020, the 9th "Leica Cup" College Students National Metallographic Skills Competition, sponsored by the Teaching Steering Committee for Materials of Higher Education of the Ministry of Education and undertaken by Taiyuan University of Technology, was held in Taiyuan, Shanxi. This year's competition attracted 869 student contestants and more than 600 instructors from 290 universities including Tsinghua University, University of Science and Technology in Beijing, Southeast University, Shanghai Jiaotong University, Zhejiang University, etc. The number of participants hit a record high. The Anhui Sanlian University team formed by the School of Mechanical Engineering participated for the first time. After two rounds of semi-finals and one round of final competition, students Li Cheng and Chen Jingjing won the national third prize, and Jinchengao won the winning prize.

Due to the impact of the epidemic, the school formed the competition team late and the preparation work was a little hasty. However, under

the guidance of the teacher, the participating students used the National Day holiday to do pre-match training in the laboratory. During the competition, everyone overcame the discomfort and tension, and finally achieved good results in the national competition, and won the honor for the school.
