

传承非遗文化 争做时代青年

“求木之长者，必固其根本；欲流之远者，必浚其泉源。”非遗文化是指中国传统文化中的非物质文化遗产，包括口头传统、表演艺术、社会实践、习俗仪式和自然知识等。这些非遗文化承载着中华民族的基因和血脉，是中华民族文化的重要组成部分，它存续着历史的根脉、凝结着人民的智慧、彰显着文明的魅力，保护好、传承好非遗，对于坚定文化自信、建设社会主义文化强国具有重要意义。

随着经济的快速发展，人们的生活观念、生活方式、审美价值发生了巨大变化，非遗这种世代传承、口传心授的传统文化发展至今，却失去了对年轻人的吸引力。作为新时代青年，我们当秉承祖先智慧，创新传承形式，让非遗在新的时代里绽放出更加璀璨的光彩，向世界推介更多具有中国特色、体现中国精神、蕴藏中国智慧的优秀文化。

一种创新的传承方式是将非遗文化融入现代文化中。比如在电影、电视剧、小说等艺术作品中融入非遗文化元素，让观众在欣赏作品的同时了解非遗文化；在游戏、APP等互联网产品中融入非遗文化元素，让年轻人通过娱乐的方式了解非遗文化。

另一种方式是利用现代科技手段，将非遗文化进行数字化传承。比如在博物馆、展览馆等场所，利用虚拟现实技术重现非遗，让观众可以沉浸式体验非遗文化。除了创新传承方式，我们还要思考如何创新非遗文化内容。比如传统的戏曲艺术可以加入更多现代元素，让观众更容易接受；传统的手工艺品可以加入现代设计理念，让产品更具有时尚感。

习近平总书记在文化传承发展座谈会上强调：“中华文明具有突出的创新性，从根本上决定了中华民族守正不守旧、尊古不复古的进取精神，决定了中华民族不惧新挑战、勇于接受新事物的无畏品格。”青年群体在文化传承创新中迸发的创造力，印证着“以不息为体，以日新为道”的创新自强精神。成长在当代中国，广大青年一展身手的舞台无比宽广。我们要勇敢追光、拼搏向前，做有担当、有理想、有抱负的新青年，以蓬勃的朝气、昂扬的锐气，讲好非遗故事，展现非遗魅力，为文化传承发展注入更多青春力量。

合肥市委书记虞爱华充分肯定中国（合肥）园博会 安徽三联学院 500 名志愿者工作

2023 年 9 月 27 日上午，合肥市委书记虞爱华在视察园博会期间，对安徽三联学院志愿者们的精神风貌和出色表现给予了高度赞赏，并表示其在园博会期间展现出的担当精神和责任意识是年轻一代的楷模。志愿者们在受到虞爱华书记的赞扬后纷纷表示，这是对他们本次志愿服务工作的肯定，也是对他们服务精神的最大鼓励，他们表示将倍加珍惜这次难得的岗位机会，更加努力地投入到志愿服务中，用实际行动回报社会。

据悉，第十四届中国（合肥）国际园林博览会于 9 月 26 日盛大开幕，323 公顷的园博园正式开门喜迎五洲宾朋、四海嘉宾。安徽三联学院 500 名志愿者经过四轮培训，在出征仪式后正式服务于这场综合性盛会，并展现出了无私奉献的精神，成为整个盛会中一道亮丽的风景线。

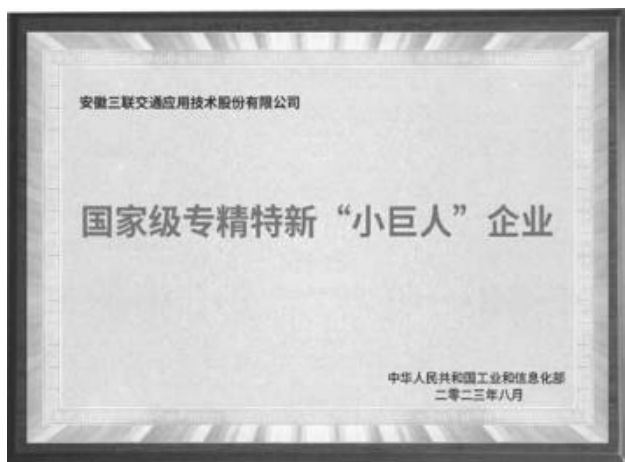

志愿者在岗服务期间，乐于助人，解群众之难。例如，一位约五六岁的小朋友在人群中与家人走散，在志愿者的接力下，三联学院 2021 级计算机科学与技术专业的吴希同学成功帮助失散儿童找到父母。此外，园区一位游客不慎摔倒受伤，无法行动。志愿者们迅速反应，立刻为受伤游客找来轮椅，联系医护人员。在志愿者们的细心照料下，受伤游客得到了及时治疗 and 关怀。

虞爱华书记对志愿者们的肯定和表扬将激励着三联志愿者们继续奋发向前。他们将以此为动力，继续用爱心和关怀为园博会增添更多温暖的色彩，为推动合肥城市发展和社会进步贡献自己的力量。

安徽三联学院第二十一届运动会暨安徽三联集团第十二届职工运动会顺利开幕

2023年10月26日上午，安徽三联学院第二十一届运动会暨安徽三联集团第十二届职工运动会开幕式在主校区体育场举行。安徽三联集团及学校领导金会庆、王光虎、余皖生、金磬、朱熔、梅珑、赵翀、张树林、洪梅、罗文其、方向勇等出席并在主席台就座。三联创始人、校长金会庆致开幕词。开幕式由常务副校长江秀丽主持。

9时，在激昂的乐曲中，护旗手护送国旗、校旗和运动会会旗进入体育场，各运动员代表队随后依次入场。入场式后，大学生社团尚舞社、武术队、花样跳绳队、学生会骨干分别带来了舞蹈《Let's Get Lit》、武术表演《群英璀璨》、花样跳绳《绳彩飞扬》、文体表演《启航》。

金会庆在致辞中首先代表学校对本届运动会的顺利召开表示热烈祝贺，向全体运动员、裁判员以及工作人员致以诚挚问候。他说，学校始终把体育工作摆在突出位置，牢固树立“健康第一”教育理念，不断推动体教深度融合。他指出，体育是学校教育的重要组成部分，也是学校全面贯彻党的教

育方针，落实立德树人根本任务，实现“五育并举”，促进学生全面成长成才的基础性工程。希望全体运动员坚持“友谊第一，比赛第二”，在赛场上发挥最佳水平，做到安全、文明、团结比赛。充分感受体育运动魅力，把体育运动当作一种习惯，让身心健康成为一种追求，将全民健身作为一种风尚，做健康生活的示范者和领跑者。发扬“勇闯难关、拼搏向前，开拓创新、争创辉煌”的三联精神，以崭新的风貌和昂扬的斗志，在推进三联各项事业发展的征程中创造新的、更大的辉煌。

运动员代表汪洋、裁判员代表黄霞先后宣誓。

安徽三联集团董事长余皖生正式宣布运动会开幕。开幕式结束后，金会庆为本届运动会鸣响第一枪。

本届运动会为期2天，设有田赛、径赛、趣味赛、篮球赛等项目，共有近2000名运动员参加共40组比赛项目。

金会庆校长教师节前夕亲切看望慰问护理学院教职工

在第39个教师节来临之际，三联创始人、校长金会庆教授及校领导江秀丽、傅伟来到护理学院，亲切看望慰问护理学院全体教职员工，并与护理学

院教职工一起，学习插花技巧、制作花篮。校长金会庆与教职工亲切交流，向广大教师致以节日祝福。

金会庆在与教师交流时说到，插花和育人有着异曲同工之处。每一个花篮和作品都彰显着制作者的性格，作为教育工作者，也要学会因材施教，根据学生各自特点有针对性地培养，挖掘不同学生的潜能，多在育人上“动脑筋”，致力于培养有“三联特色”的人才。他希望全体教师秉承“生为本、师为根”的办学理念，为三联学院的长足发展、为祖国教育事业共同努力。最后，他再次祝全体教师节日快乐。

安徽三联学院参加安徽省普通本科高校现代产业学院建设研讨会

为深入学习贯彻党的二十大精神及习近平总书记关于教育的重要论述，落实《深化高校学科专业结构改革服务产业创新发展实施方案（2022—2025年）》《安徽高校服务新一代信息技术产业人才培养行动方案》等文件精神，2023年10月21日，安徽省教育厅在滁州学院组织开展了省属普通本科高校现代产业学院建设研讨会。安徽三联学院副校长操晓峰、蔡文芬及两个省级现代产业学院领导凤鹏飞、孙义一行参加研讨。

省教育厅副厅长储常连等领导出席会议，并在讲话中提出三点要求。一是要深入学习，科学分析教育发展趋势；二是要系统总结，准确把握新建本科高校的发展方位；三是要统筹融合，全力推进现代产业学院的创新发展。按照省委省政府部署要

求，在开展微专业建设、开发专业人才培养方案、推进课证融通、开展中国特色的学徒制、开展创新创业、打造高水平双能型教师队伍、开发认证证书和制定行业标准、攻克技术工艺难题、开展国际合作、加强党的政治建设和思想政治教育等方面

共同发力，努力培养更高质量应用型人才，服务产业创新发展，服务美好安徽建设。

会上，常熟理工学院副校长徐惠钢教授作了题为《常熟理工学院现代产业学院建设探索》报告，从该校 10 个产业学院建设背景、建设过程和取得的成效等方面进行了经验分享，同时也提出在产业学院建设中的体制机制、评价体系等方面的困惑。随后，由两所联盟高校和三家企业进行了建设分享和合作共建方面的交流，从不同角度和不同层面对现代产业学院建设的共性和个性问题进行了分析交流。

在数字信息现代产业学院和智慧安全与应急技术现代产业学院现场考察中，三联学院参会团队

深入了解了滁州学院现代产业学院的运行机制、校企共育模式、科研服务对接等。座谈会上，智慧交通现代产业学院副院长凤鹏飞代表学校进行了交流汇报，他在交流中提出，产学研一体化发展是安徽三联学院的办学“基因”，依托省级现代产业学院的建设，在创新人才培养模式、提升专业建设质量、开发校企合作课程等七个方面取得的成效和存在的不足，与参会领导和兄弟院校进行了经验交流。

通过此次研讨会交流学习，进一步了解了省内外高校现代产业学院建设现状，对学校现代产业学院下一步建设有重要的指导和参考意义。

群“新”云集 共筑未来 ——安徽三联学院喜迎 2023 级新生

初秋云舒，迎新当季，安徽三联学院迎来了 2023 级新生。新生们满怀憧憬踏入校园，为学校注入新的生机与活力。校园里展示着醒目的迎新标语，弥漫着热烈喜庆的氛围。

学校领导高度重视迎新工作，坚持“以生为本”，统筹安排，按照“热情周到，和谐安全”的原则，做到“让新生暖心，让家长放心”。常务副

校长江秀丽等校领导前往迎新现场看望前来报到的新生，慰问奋战在迎新一线的师生，检查指导迎新工作，强调要强化迎新服务工作的精准性、细致性，传递“三联温度”。校党委副书记、副校长赵翀前往合肥南站接站服务点查看接待情况，协调新生接待工作，耐心解答、具体指导，与家长亲切交谈，并勉励学生好好学习。

学校开启点对点运送、“一站式”服务，分别在合肥火车站、合肥南站设立迎新接待点，并安排车辆往返于接待站点与学校之间。

学校还开设“绿色通道”，积极宣传国家资助政策，完善资助体系，帮助新生办理助学贷款、奖助政策咨询等，保障家庭经济困难新生顺利入学。同时，安保、后勤、财务、校医院等工作人员及迎新志愿者坚守岗位，为新生提供全面、优质、便捷

的服务，确保新生安全有序报到。

自9月7日起，2023级新生将正式开启新生入学教育。在接下来的校园生活和学习中，他们将秉承“厚德 博学 励能 树人”的校训，志存高远、脚踏实地，勇敢地迎接新挑战，创造精彩人生。

安徽三联学院举行 2023 年教师节庆祝大会

赓续风华铸师魂，共赴星辰育桃李。在第39个教师节来临之际，安徽三联学院于9月8日在图书馆学术报告厅隆重举行2023年教师节庆祝大会，旨在表彰优秀、致敬先进，激励全校师生为实现教育梦想而努力。三联创始人、校长金会庆教授，省教育督导专员、校党委书记王光虎，在肥校领导，各单位中层管理人员，受表彰人员及教职工代表出席大会。大会由常务副校长江秀丽主持。

大会在庄严的校歌声中拉开序幕。首先，副校长蔡文芬、宋梦岚先后宣读了数个省级、校级先进荣誉及获奖表彰文件，大会现场对荣誉及奖项获得者进行了表彰和颁奖。金会庆校长、王光虎书记为获奖教师颁发了荣誉证书并合影留念。

表彰环节之后，年度优秀教师代表、护理学院

饶圣宏老师上台发言，分享了自己在教育教学工作中的心得体会，她表示将继续立足本职岗位，为学生的成长和学校的发展贡献自己的力量。随后，四位教师代表以一首“筑梦三联”的诗朗诵为参加大会的老师献上精彩的表演节目，深情演绎了三联教师的荣光和使命。

大会最后，校长金会庆教授作总结讲话。他对学校优秀教师给予了充分肯定，并对广大教师提出了殷切希望。金校长殷切嘱咐全校广大教师以优秀为标杆，积极进取、敬业立学，为推动建成“国内知名、省内一流、优势突出、特色鲜明”的地方应用型高水平大学贡献更大的力量。

安徽三联学院举行 2023 级新生开学典礼 暨军训总结表彰大会

9月26日上午，安徽三联学院在主校区体育场举行2023级新生开学典礼暨军训总结表彰大会。校领导金会庆、王光虎、余皖生、赵翀、张树林、洪梅、操晓峰、蔡文芬、刘峥、宋梦岚、傅炜、范兆红出席，各二级学院、职能处室负责人、师生代表及全体2023级新生参加。校长金会庆致辞，省教育督导专员、校党委书记王光虎颁奖，校董事长余皖生宣布大会开幕。大会由常务副校长江秀丽主持。

大会在国歌和校歌中拉开序幕，全体师生起立高唱国歌，面向国旗庄严致敬。全体新生踏着整齐的步伐，喊着响亮的口号入场并进行军训成果汇报表演。

军训成果汇报结束后，金会庆深入操场与全体

新生见面，并关切慰问。

会上，党委副书记、副校长赵翀宣读表彰文件，王光虎依次为新生入学教育工作先进集体、先进个人代表，军训工作先进集体、先进个人代表，军训工作优秀教官，新生接待工作优秀志愿者代表颁奖，并对他们在新生开学及军训工作中的辛勤付出表示衷心感谢。

校学生会主席团轮值主席胡永智带领全体新生宣誓，马克思主义学院院长余晖代表全体教师宣誓。

最后，金会庆发表致辞。他首先代表学校向全体新生表示热烈欢迎，并向教师、教官、家长及亲友们致以衷心感谢。他表示，新生的到来让三联更加生机勃勃，熠熠生辉。安徽三联学院始终坚持产学研一体化发展战略，“产学研”已经成为三联成长的优势基因，学校正在产教融合、科教融汇等方面进行多领域、深层次的探索，不断提升教育教学质量，学校有决心、有信心把大家培养成为更加优秀的人才。

他强调，同学们要立志高远，勇担历史使命；要笃学砺能，练就过硬本领；要以德为先，追求崇高境界。以昂扬的斗志激扬青春，守正创新，不断进步，创造属于自己的辉煌。

2023年9月25日，安徽三联学院在南区运动场隆重举行第十四届中国（合肥）国际园林博览会志愿者出征仪式。副校长宋梦岚、傅炜出席仪式，有关学院执行院长、学管副院长、团总支书记、辅导员和全体志愿者参加本次出征仪式。仪式由校团委书记李燕主持。

出征仪式上，李燕就本次园博会的志愿者招募情况进行简要介绍。学校团委自8月下旬接到团省委、团市委、合肥市青年志愿者协会等单位的协调

通知后，高度重视，上下联动，多次就志愿者招募工作召开专题会议，经团支部自主报名、学院推荐、校级筛选等环节，最终按照岗位需求从计算机工程学院、财会学院、外语学院、护理学院共招募500名志愿者，通过系统的培训，全力以赴前往园博园7个片区、26个综合性岗位、101个具体岗位集中开展为期8天的志愿服务工作，为第十四届中国（合肥）国际园林博览会的顺利举办增光添彩。

会上，护理学院2022级护理学专业彭瑞同学

作为志愿者代表发言，并代表全体志愿者承诺，将珍惜难得机遇，承担起传播志愿服务精神的神圣职责；爱国奉献，做好园博会的形象大使；勤奋学习，扎实工作，做到服务和成长双丰收。随后，全体志愿者在外语学院 2021 级英语专业胡小霞同学的带领下郑重宣誓。

宋梦岚代表学校在出征仪式上对各位志愿者的积极参与和无私奉献表示感谢，并提出三点殷切希望：一是切实提高思想认识，强化责任担当。要深刻认识参与这次活动的意义和价值，以高度的责任感和使命感投入到本次活动。二是严格遵守纪

律，树立良好形象。全体志愿者是学校形象和育人成果的集中展示，要遵守规章制度、服从安排、克服困难，通过自身示范，展现出三联学子的出众风采。三是珍惜锻炼机会，提供优质服务。要珍惜和利用好这个展示能力与潜力的舞台，关注细节，微笑服务，热情和耐心地为每一位参观者提供帮助。

据悉，第十四届中国（合肥）国际园林博览会于 9 月 26 日正式开放，在这场综合性盛会中，安徽三联学院 500 余名志愿者将在校团委的统一组织下，化身一群心怀热爱、干劲十足的“螺丝钉”，在园博会大舞台上默默奉献，发光发热。

在校党委的指导下，近年来，校团委不断创新方式方法，健全育人格局，深耕于大型赛会类志愿服务项目的接洽和培育，坚持理论教育和实践养成相结合，引导青年学子在亲身实践中厚植家国情怀。下一步，校团委将继续以“闯”的精神、“创”的劲头、“干”的作风，全力上好实践育人这堂“大思政课”。

肥东县教体局领导莅临安徽医药卫校 开展秋季学期开学检查

为全面做好 2023 年秋季开学工作，切实维护广大师生生命健康安全和校园安全稳定，保障秋季学期开学平稳有序。9 月 8 日上午，肥东县教体局党委副书记王红兵、组干科科长林松、安全科科长汪朋文，通过“四不两直”的方式来到安徽合肥医药卫生学校开展 2023 年秋季开学工作检查，学校董事长秦永元、校长汪玮等校领导及相关部门负责人陪同检查。

汪玮代表学校从开学准备、心理健康、食品安

全、卫生健康、办学行为等方面进行情况汇报。王红兵对学校秋季学期各项准备工作予以肯定，并详细询问了学校在发展过程中遇到的困难，表示教育部门一定会大力支持学校发展，给予力所能及的帮助。

最后，王红兵结合学校实际情况提出了宝贵的意见和建议，他强调，要抓好安全，始终绷紧安全之弦，坚决守牢安全底线，全面加强校园管理，抓好安全隐患排查、心理健康教育、师生后勤保障等

重点环节，确保新学期开学工作安全平稳、顺利有序推进。同时强调要不断强化师生的安全意识，预防和杜绝溺水、交通、电诈等安全事故的发生。

开学开新局，新学期新气象，学校开学准备工作早谋划、早准备，平安、有序、科学地开展，学校将以此次检查为契机，在党的教育方针的指引下，进一步加强精细化管理，狠抓教学质量，着力打造风清气正、学风浓厚、发展创新、让人满意的职业学校，在新的学年，相信学校一定会有更高质量的发展。

躬耕教坛 强国有我

——安徽医药卫校举行第 39 个教师节庆祝表彰大会

躬耕教坛，强国有我。金秋九月，累累的果实枝头飘香，为深入学习贯彻习近平总书记关于教育的重要论述，以最高礼遇、最诚敬意、最深谢意，表彰先进典型，传递榜样力量，弘扬良好风尚，9月8日下午，安徽合肥医药卫生学校 2023 年教师节庆祝表彰大会在教学楼一楼多功能厅举行，校领导秦永元、汪玮、胡军健、徐晶晶、王道麟出席大会，全体教职工参加大会，庆祝表彰大会由教务处主任沙雯主持。

大会在一个视频中拉开帷幕，视频涵盖了学生对老师的祝福，教师对学生的殷切希望，还记录了教职工日常工作的瞬间。

汪玮校长在讲话中向辛勤耕耘在教学、科研、管理与服务一线的教职工致以节日的问候和崇高的敬意，向受到表彰的先进个人表示热烈祝贺。她指出，近年来学校基础设施得到进一步提升，各项制度建设不断健全，教学质量明显提升，教师队伍建设持续加强，学校各项工作都在往更高更好的方向发展。她强调，学校当前正处于转型发展的关键时

期，她希望广大教职员工要始终聚焦立德树人主责主业，践行“行为世范”价值准则，保持追求卓越的治学态度，继续发扬主人翁意识，以更加饱满的精神状态、更加扎实的工作作风，积极投身到学校各项事业发展之中，为学校的发展作出新的更大贡献。

梁益民副主任带领全体教职工重温《新时代中小学教师职业行为十项准则》，旨在进一步加强师德师风建设，引导学校广大教师努力成为有理想信念、有道德情操、有扎实学识、有仁爱之心的好老师。

会上，杨雪敏老师作为优秀教师代表发言，她表示要坚守三尺讲台，立德修身、潜心治学、开拓创新，以更加务实的态度，更加饱满的热情，当好学生成长的引路人，做一名合格的职业学校教师，奋力谱写卫校教育事业发展新篇章。

大会宣读了表彰决定，校领导为受到表彰的优秀教师进行颁奖并合影留念。

为了让全体教职工过一个难忘的节日，大会还举行了手工实践活动。大会提前为每位教职工准备

了一份乐高拼图盲盒，并张贴序号，在活动现场教职工通过小程序随机抽取一个号码，然后领取相对应序号的乐高盲盒。通过拼乐高活动，锻炼教职工的动手实践能力，让教职工在忙碌的工作之余可以使身心得到放松，也进一步增进了教职工之间的合作与交流。拼图期间，学生还带来歌曲和舞蹈表演，旨在感谢师恩。期间还设置了抢答环节，抢答成功的老师可获得礼品一份，活动现场的气氛瞬间达到

高潮。

杏坛树人毕生愿，桃李不言自成蹊。全体卫校人将肩负为党育人、为国育才的神圣使命，不断践行党的教育方针，立德铸魂，朝着特色鲜明、水平一流的卫生类职业学校目标坚定前行。

致敬峥嵘岁月 演绎时代之声

——安徽医药卫校开展合唱比赛

熟悉的旋律，奏出青春的华章；飞扬的乐曲，唱响奋斗的时代。为大力弘扬“五四精神”，传承与发扬共青团的优良传统，坚决落实“立德树人”根本任务，进一步坚定青年学生爱党爱国、爱团荣团的信念，2023年10月11日，安徽合肥医药卫生学校团委在教学楼门前以“致敬峥嵘岁月，演绎时代之声”为主题，举办合唱比赛。

“红日升在东方，其大道满霞光，我何其幸，

生于你怀，承一脉血流淌”“少年智则国智，少年富则国富，少年强则国强，少年自由则国自由”，一首首脍炙人口的歌曲，让在场师生沉浸于美妙的旋律中，参赛的各班级学生均以饱满的热情、积极的心态、充沛的感情歌唱出团支部的风采，铿锵有力的歌声回荡在校园的各个角落里，展现出安徽医药卫校学子的激情和梦想，表达了“青春心向党”的情怀，传承了“党有号召，团有行动”的优良传统。

小比赛蕴藏大能量，唱团歌礼赞新时代。在祖国母亲74华诞之际，安徽医药卫校的同学用歌声表达了对党对祖国真挚的祝福、对梦想的追求与渴望，展现了同学们沐浴党的阳光、幸福健康成长的精神风貌。这次合唱比赛，大家纷纷表示要以更加昂扬的精神面貌、饱满的热情投身到生活与学习中去，相信每一个学生都有人生出彩的机会，成为祖国的栋梁之才！

校党委书记王光虎为 2023 级新生讲授开学 第一堂思政课

2023 年 10 月 19 日，省教育督导专员、校党委书记王光虎以“青春正当时，筑梦向未来为题”，为 2023 级新生讲授开学第一堂思政课，教育引导学校全体新生立足当下，把握未来，尽快适应并融入大学生活，走稳走好大学生活的第一步。

“今年新生中‘王’姓人数最多，悦、旭、涛等是名中高频词。”……在一串串新生大数据中，王光虎与同学们话家常、谈感受。运用科学理论、丰富案例、翔实数据，围绕大学何为、大学能为、大学有为三个方面，深刻阐释了“大学是什么？到大学来做什么？将来毕业后做什么样的人？”等一系列新生必须面对的问题，对全体新生提出希望，勉励同学们厚植家国情怀，铿锵奋进未来。

王光虎指出，新时代同学们生逢其时、重任在肩，施展才干的舞台无比广阔，实现梦想的前景无比光明，我们要善于探究式学习，注重跨界型学习，坚持实践性学习，在大学四年时光里塑造人格、找到自我，学会研究、认知世界，打好人生底色。

王光虎强调，青年处于人生积累阶段，是苦练

本领、增长才干的黄金时期。大学阶段，学习仍是主要任务，要不断增强学习内驱力，时常在思想上“准备吃苦”，在行动上“自找苦吃”，用好大学里对人生最重要的良师、益友和好书，始终保持对未知事物的好奇心、求知欲，执着专注学习，甘于艰苦奋斗，勇于求真创新，坚持知行合一，打好终身学习、自我提升的基础。他特别叮嘱，强健的体魄是一个人全面发展的基本条件，大家要坚持运动，同时经常能够“断断网”，把有限的精力投入真正有意义的事情上去，在苦学、苦练、苦干中快速成长为一个爱学习、会学习、能学习的大学生。

最后，王光虎寄语学校青年学生，希望大家保持真挚纯粹，选择执着精进，踔厉奋发、勇毅前行。

学校党委成员、党委职能部门负责人、基层党委（党总支）书记、基层党支部书记、二级学院分管学生工作副院长、全体思政课教师和辅导员，以及 2023 级新生代表等 300 余人参加报告会。

安徽三联学院召开党委理论学习中心组 (扩大)学习会议

2023年10月25日,省教育督导专员、校党委书记王光虎主持召开学校党委理论学习中心组(扩大)学习会议。省委教育工委第八工作组组长、省教育厅二级巡视员郑德新,省教育厅政策法规处处长汪庆忠,省教育厅政策法规处一级主任科员钟原列席旁听会议。

会议第一阶段,与会人员集体参观智慧交通现代产业学院产教融合学习基地三联智慧交通体验馆,听取学校产教融合工作情况报告,实地观摩产教融合实践教学成果。

会议第二阶段,围绕构建产教融合高质量人才培养体系主题进行集中学习。会议集体学习了《习近平著作选读》第二卷、《习近平新时代中国特色社会主义思想专题摘编》部分内容,重温学习了习近平总书记在二十届中共中央政治局第五次集体学习时的重要讲话精神,书面传达学习《职业教育产教融合赋能提升行动实施方案(2023—2025年)》等有关文件精神。副校长操晓峰、蔡文芬作学习研讨发言,提出工作建议。

会议指出,产教融合是建设教育强国和提高人才培养质量的现实需要,也是地方应用型本科高校服务国家战略需求和区域经济社会发展的重要内容,更是学校实现“特色办学,错位发展”办学理念的重要路径。

会议强调,要进一步把握产教融合内涵特征,创新产教协同育人途径,完善产教融合机制,探索产教融合评价改革,推动产教融合向深层次发展,使学校的特色更鲜明,优势更明显。

会议指出,学校党委始终坚持党建引领,从科学优化党的基层组织设置到充分发挥师生党员先锋模范作用等方面深入思考,营造氛围,形成合力,

提供坚强政治保障。

会议强调,要深度推进产教融合,不断提升人才培养、师资队伍、学科建设质量和水平;要始终坚守“成为服务中小微企业发展的百年老校”的办学理想,建强现代产业学院,拓展延伸有为空间,以构建产教融合高质量人才培养体系为学校高质量发展集聚动能。

会议要求,要持续深化对构建产教融合高质量人才培养体系紧迫性和重要性的认识,解放思想,开拓创新,增强“一体化”意识,树牢“一盘棋”思想,将深化产教融合、创新人才培养与推动学校高质量发展,作为全体教职工分内职责,记在心、扛在肩、落实在行动上。要不断强化政治建设,发挥组织优势,充分发挥党建引领作用,凝聚推动高质量发展强大合力,加快形成共促互进的新发展格局,积极打造地方应用型本科高校产教融合、协同育人的三联范式。

学校领导、党委、纪委成员,基层党委(党总支)书记等参加学习会。

宝剑锋从磨砺出 梅花香自苦寒来

——记安徽三联集团 2022 年度先进集体、安徽三联学院交通工程学院

民办高校；硕士学位授权立项建设取得突破，全校首位联合培养硕士研究生到校完成学习；与安徽三联交通公司共同申报“人因安全与道路交通事故防治”安徽省重点实验室；成功承办四届安徽省大学生交通科技大赛，为学校争取该项赛事常驻秘书处单位权；教师凤鹏飞主讲的专业课程关于课程思政部分的内容获中国教育报

交通工程学院是安徽三联学院成立最早的二级学院。多年来，学院坚守产学研基因发展学科专业建设，本着错位发展的理念，交通安全学科专业已成为学校特色发展的一张闪亮名片。2022 年，在集团领导和学校各级领导的关心和支持下，全体教职工克服困难、团结协作、共同拼搏，获得“安徽三联集团先进集体”“安徽三联学院先进集体”“安徽三联学院招生先进集体”“安徽三联学院扁平化优秀管理单位”“安徽三联学院就业先进集体”“安徽三联学院先进团总支”等多项荣誉。

学院坚持以交通安全学科发展为主线，重点建设交通运输、安全工程等特色优势专业，重点打造道路交通事故“三道防线”方向的交通运输专业特色，重点提升交通安全学科专业品牌效应。参与建设了学校首个省级现代产业学院；交通运输工程获批安徽省高峰培育学科，是我省唯一获批建设的

2022 年 3 月 26 日的专题报道；在疫情反复冲击的严峻形势下，学生管理工作井然有序，2018 级交通运输专业本科生周淑娟同学获评“安徽省十佳百优大学生”。

成绩和荣誉的取得，是学校科学决策、正确领导的结果，是学院教职员发挥“百舸争流千帆竞，借海扬帆奋者先”的成效。成绩只能代表过去，新的征程已经开始，新的一年将面临更多的机遇与挑战：本科教学审核评估的号角已经吹响、深化产教融合改革任重道远、工程教育专业认证使命重大……“路虽远，行则将至；事虽难，做则必成”，相信大家只要心往一处想、劲往一处使，开拓拼搏、勇往直前，安徽三联学院定能实现“国内知名、省内一流、优势突出、特色鲜明”地方高水平大学的建设目标。

梁月放，安徽三联学院计算机工程学院实验室主任。他是安徽省教学成果一等奖、二等奖获得者，2021年指导学生参加全国大学生“西门子”杯智能制造挑战赛获得全国一等奖，2022年指导学生参加全国大学生智能汽车竞赛获得全国一等奖1项、二等奖3项，同年指导学生参加全国大学生交通科技竞赛获得全国二等奖。近三年，他每年指导近十类省级以上赛事，平均每年三十支队伍获奖，指导竞赛获奖率大于80%。

以赛促教 以赛促学

——记安徽三联集团 2022 年度先进个人、 安徽三联学院计算机工程学院实验室主任 梁月放

近年来，梁月放老师指导学生参加各类竞赛获得国家级奖项十余项，省级以上奖项近百项，多次被评为全国大学生智能车竞赛优秀指导教师、蓝桥杯全国软件和信息技术专业人才大赛优秀指导教师、安徽省高校物联网应用创新大赛优秀指导教师、中国大学生西门子智能制造挑战赛优秀指导教师等荣誉称号，指导团队代表学校参加智能车竞赛并多次获省级“优秀组织奖”。

不管是晚上、周末、节假日，梁月放老师基本上都在实验室里和学生们一起探索实践。他们设计机械支架、进行 3D 打印，绘制 PCB 电路板、焊接元器件，编写程序代码、研究各类算法，调试数据参数、优化竞赛模型。他“十年如一日”，一步一个脚印，踏踏实实把每个细节都努力做到极致。

坚持不懈、追求卓越，是梁月放老师对自己的要求。言传身教是对梁老师日常教学工作的最好形容，他刻苦钻研、精益求精的工作态度深深影响着实验室的每一位同学。在教学指导过程中，他总是能够鼓励有畏难情绪的学生坚持到底，给兴趣浓厚的学生指明努力的方向。他常常和同学们说，比赛最重要的是过程，而不是结果，学生在比赛中得到锻炼就是最大的收获。

长期以来，梁月放老师坚持“以赛促教，以赛促学”的理念，充分发挥大学生创新实训中心平台作用，将《单片机原理及应用》等课程与各类竞赛有效融合，主持科研项目、教研项目、横向项目、三级大创项目，促进计算机类专业课程体系建设，培养学生工程实践能力，为形成三联学子创新创业活动的长效机制打下了坚实的基础。

辛亥曙光

十月十日，深秋已至。我打着伞儿，任凭雨水沾染发丝，在南京城下散步。一位先生伫立在城头，望着繁华的城市夜景入了迷，后来他告诉我：“我是孙文”。

我注视着他，乌黑的发中掺杂几缕银丝，高大的身形将中山服穿得挺直，问起辛亥革命一事，他微笑着说道：“那已是世纪之前的事了”。

一九一一年的武昌，鱼龙混杂。小商小贩在露天摆摊，吆喝不止；官老爷膀大腰圆，端坐轿中，被抬进了公衙。汉江流，隔两城，七彩斑斓的在内城，黑白混沌的在外城，俨然两个世界。有人麻木，有人清醒。圣人云：“修身齐家治国平天下，是为君子也。”迂腐的文人在楼台上吟诗作赋，黑夜里，革命者在灯火下策划暴力革命，给予这个腐朽王朝以致命一击。

铁路主权不可让，国家利益岂能侵。蜀地多侠客，赤胆忠心。面对列强的欺压，政府的软弱妥协，我们岂能相让，势必要争一争，一较高下。由此，声势浩大的保路运动开始了。

同为中国人，共筑中国心。新军的枪眼怎能对准同胞，长江不能再被血水染红。当孙武在实验炸弹时意外受伤，巨大的声响已经引来了官僚们的鹰犬，满城风雨动摇，革命已到了万分紧急的时刻。幸而在共进会与文学社的努力下，湖北新军最终完成了蜕变——从封建势力的爪牙到革命的中流砥柱。十月十日的夜晚，万籁人息净，唯有清风来。一杆革命的旗帜在风里飘扬，与古老城楼上的龙旗

针锋相对，当程正瀛打响首义枪，刺眼的火光划破寂寥的夜空，革命便开始了。

这是支纪律优良、作战英勇的部队。他们计划缜密，当火光划破夜空，城外革命军的大炮接踵而至。未伤及民宅，兵锋直指楚望台军械库、总督署和第八镇司令部。炮声阵阵轰鸣，夜不再寂静，官僚士大夫们再也无法酣睡，历史的车轮终会将一切封建反动势力轧碎。硝烟过后，革命军如潮水般涌入衙门、司令部，革命的旗帜遍插城头，星光闪烁，像六月的漫山花儿般浪漫。

“原先的总督去哪儿了？”我问孙先生，“他拖着宽大的袍服，满头大汗，划着小船逃遁了。”革命者们很高兴，他们举起旗帜，欢快地舞动着，许多军帽被抛至半空，像白鸽的翅膀，自由飞翔，再不受锁链禁锢。

孙先生谈到此处顿了顿，像有莫名的激动涌上心头。“我当时在国外，忽闻喜讯，归心似箭。在回国的轮渡上，不止一次遇到外国友人，就说：‘共和国将要建立，中国要有新天地了’。”

当清晨的雾气还未散去，天空中的第一缕阳光被直直射在武昌城头，红色的大字报贴在墙上，向自由的人民宣告着重大的喜讯。人们遥相传唱，一时间大街小巷皆是热闹非凡。这便是解放后的人民，这便是辛亥革命的意义。

再望城楼，雨水还在下着，孙先生已消失不见了。雨水嘀嗒，仿佛那日的冲锋号角。

The Secretary of the Hefei Municipal Party Committee Yu Aihua Extols the Efforts of 500 Volunteers from Anhui Sanlian University at the China (Hefei) Garden Expo

On the morning of September 27, 2023, during his inspection of the Garden Expo, Yu Aihua, the Secretary of the Hefei Municipal Party Committee, highly praised the spirit and outstanding performance of the volunteers from Anhui Sanlian University. He stated that their sense of responsibility and dedication exhibited during the Garden Expo serves as a role model for the younger generation. Upon receiving Secretary Yu Aihua's commendation, the volunteers expressed their gratitude for the recognition of their volunteer service and considered it the greatest encouragement for their spirit of service. They showed to cherish this rare opportunity and put even more effort into their volunteer work, repaying society with practical actions.

It is reported that the 14th China (Hefei) International Garden Expo opened grandly on September 26th. The 323-hectare Expo Park officially welcomed guests from all areas. 500 volunteers from Anhui Sanlian

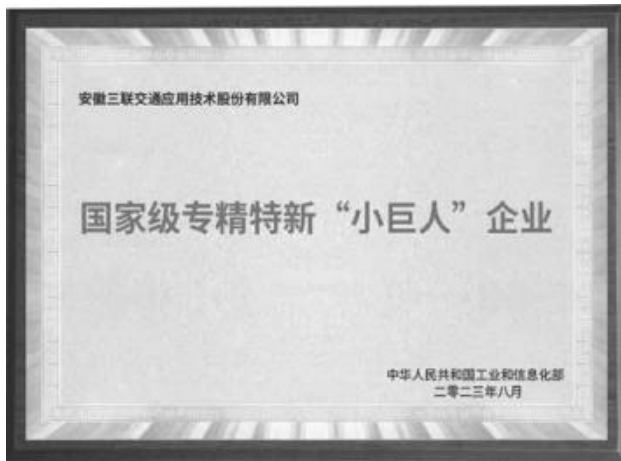

University, after four rounds of training, served in this comprehensive event following the departure ceremony, showcasing a spirit of selfless dedication and becoming a splendid scenery throughout the entire expo.

During their service, the volunteers were enthusiastic in assisting and resolving difficulties faced by the public. For instance, a young child, around five or six years old, got separated from their family in the crowd. With the relay assistance of the volunteers, Wu Xi, a computer science and technology major from the 2021 level of Anhui Sanlian University, successfully helped the lost child reunite with their parents. Moreover, when a visitor in the park accidentally fell and got injured, rendering them immobile, the volunteers promptly responded by providing a wheelchair and contacting medical personnel. Under the attentive care of the volunteers, the injured visitor received timely treatment and support.

Secretary Yu Aihua's recognition and praise will inspire the ASU volunteers to continue their hard work. They will use this as motivation to add more warmth to the Garden Expo, contribute to the development of Hefei's urbanization and social progress, and make a difference through their love and care.

Sanlian Applied Traffic Technology Company Honored with National Specialized and Innovative “Little Giant”

Recently, the Anhui Provincial Department of Economy and Information Technology announced the list of the fifth batch of specialized and innovative “Little Giant” enterprises and the second batch of re-verified specialized and innovative “Little Giant” enterprises in Anhui Province. Anhui Sanlian Applied Traffic Technology Company was included in the list and awarded the national specialized and innovative “Little Giant” title.

Specialized and innovative enterprises are characterized by “professionalization, refinement, specialization, and novelty”. National specialized and innovative “Little Giant” enterprises are the cream of the crop, focusing on markets segment, having strong innovation capabilities, promising development prospects, high market share, excellent quality and efficiency, and mastering key core technologies. Applying companies need to meet six criteria: specialization, refinement, specialization, novelty, supply chain, and brand. This title is the highest level

and most authoritative honor in the assessment of small and medium-sized enterprises in China.

Sanlian Applied Traffic Technology Company is a professional company dedicated to the development of comprehensive techniques for the prevention and control of road traffic accidents. It aims to reform the traditional driver selection, training, and examination models in China, and conducts research on the management of high-risk traffic environments. The company has made significant contributions to the overall advancement of traffic safety technology in China, establishing its leading position in the industry. Based on core technologies such as artificial intelligence, cloud computing, big data, and the Internet of Things, the company has formed a product system centered around “intelligent assessment equipment for motor vehicle driving skills”. It has mastered more than 120 independent core patented technologies in vehicle state detection, behavior assessment, data transmission and processing, and its product technology is at the forefront in China. Its driving test series products have a market share of around 30% in more than 400 cities nationwide. It has also established the “National Vehicle Driving Safety Engineering Technology Research Center” approved by the Ministry of Science and Technology, and has been awarded national high-tech enterprise, national fourth batch of science and technology innovation pilot enterprise, Anhui Province specialized and innovative small and medium-sized enterprise, and Anhui Province key software enterprise.

The award of the national specialized and innovative “Little Giant” title is a full affirmation and high recognition of the development strength of Sanlian Applied Traffic Technology Company by government departments and the industry market. In the future, the company will uphold the mission of “safer transportation” and the vision of “where roads extend, there must be Sanlian Technology”. Adhering to the standards of specialization, refinement, specialization, novelty, supply chain, and brand, the company will fully leverage the leading and exemplary role of specialized

and innovative “Little Giant” enterprises. Based on specialization, driven by refinement, and guided by diversification, it will provide customers with higher quality technical services and solutions, continuously enhance independent innovation and comprehensive competitiveness, and actively contribute to building a strong country in science and technology.

The 21st Sports Meet of Anhui Sanlian University and the 12th Staff Sports Meet of Anhui Sanlian Group Successfully Opens

On the morning of October 26, 2023, the opening ceremony of the 21st Sports Meet of Anhui Sanlian University and the 12th Staff Sports Meet of Anhui Sanlian Group was held at the main campus sports stadium. The leaders of the Anhui Sanlian Group and the university, including Jin Huiqing, Wang Guanghu, Yu Wansheng, Jin Qing, Zhu Rong, Mei Long, Zhao Chong, Zhang Shulin, Hong Mei, Luo Wenqi, and Fang Xiangyong, attended the event and sat on the podium. Jin Huiqing, the founder and president of Sanlian, delivered the opening speech. The opening ceremony was hosted by Jiang Xiuli, Executive Vice President of the university.

At 9 o’ clock, accompanied by stirring music, the flag bearers entered the stadium with the national flag, university flag, and sports meet flag. The teams of each athlete representative followed suit. After the entrance ceremony, the university student groups, including

the Shangwu Society, martial arts team, rope skipping team, and student union backbone, presented dance performances titled “Let’s Get Lit,” martial arts performance titled “Glorious Heroes,” rope jumping performance titled “Jumping Ropes,” and a cultural and sports performance titled “Sailing.”

In his speech, Jin Huiqing first expressed warm congratulations on the successful opening of this sports meet on behalf of the university. He extended sincere greetings to all athletes, referees, and staff. He emphasized that the university has always placed great importance on sports, firmly establishing the education philosophy of “health first,” and continuously promoting the integration of sports and education. He pointed out that sports are an important part of the university’s education and a fundamental project for implementing the Party’s education policy, cultivating virtue and talent, and achieving comprehensive

development of students. He hoped that all athletes would adhere to the principle of “friendship first, competition second,” give their best performance on the field, and compete in a safe, civilized, and united manner. He encouraged them to fully experience the charm of sports, make sports activities a habit, pursue physical and mental health, and promote physical fitness as a trend, becoming demonstrators and leaders in promoting a healthy lifestyle. He encouraged them to carry forward the spirit of Sanlian, characterized by “overcoming challenges, striving forward, pioneering innovation, and striving for excellence,” and create new and greater glories in the journey of promoting the

development of Sanlian in various fields.

Athlete representative Wang Yang and referee representative Huang Xia made their oaths.

Yu Wansheng, Chairman of Anhui Sanlian Group, officially declared the opening of the sports meet. After the opening ceremony, Jin Huiqing fired the starting gun for this sports meet.

The sports meet will last for two days and include various events such as track and field, fun races, and basketball, with nearly 2,000 athletes participating in a total of 40 competitions.

Anhui Sanlian University Visits Zhongke (Anhui) G60 Institutes of Innovation for Intelligent Health for Study and Research

To further promote the cooperation between Anhui Sanlian University and Zhongke (Anhui) G60 Institutes of Innovation for Intelligent Health, on the morning of September 13, 2023, Zhang Shiwei, Special Assistant to the President, along with representatives from the Office of Industry-Education Integration, Modern Health Industry Institute, and School of Robotics Engineering, visited the research institute for study and research.

Zhang Shiwei and his team visited the “Yangtze River Delta G60 Science and Innovation Corridor Hefei Medicine Valley Industrial Park (under construction)” under the research institute, to understand the park’s planning and scope of business. They also held

cooperative discussions with the institute’s main leaders and relevant personnel. In-depth discussions were conducted on student internships, mutual exchange of faculty, teaching and research project, joint application for training programs, and they reached consensus on further cooperation.

It is understood that Zhongke (Anhui) G60 Institutes of Innovation for Intelligent Health, participated in by the Hefei Institutes of Physical Science, Chinese Academy of Sciences, is committed to the research and development of cutting-edge technologies in the field of health. The research institute focuses on the application of artificial intelligence technology in the health industry, including research and development of key technologies for intelligent health, instrument and equipment development, attracting high-level talent and professional skill training, technology transfer and industrial incubation, and attracting upstream and downstream enterprises in the industry chain.

Juliang Certification Training and Practice Base Visits Anhui Sanlian University for Investigation and Exchange

On the afternoon of September 19, 2023, Zhang Nan, former director of the Anhui Provincial Government Research Center, and Wang Sheng, person in charge

of the Juliang Certification Training and Practice Base, visited Anhui Sanlian University for investigation and exchange. Vice President Cao Xiaofeng, leaders

from School of Animation and Digital Arts, and the person in charge of the Sanlian Training Center had comprehensive discussions with the visiting personnel.

Cao Xiaofeng warmly welcomed the visitors and provided a detailed introduction to the history, recent development, and educational achievements of the Sanlian Group and the university. The focus was on the university's experience in integrating industry and education. Zhang Nan expressed gratitude for the warm reception and highly praised the university's efforts and remarkable achievements in talent cultivation and educational development. Wang Sheng introduced the current prospects and training models in the field of artificial intelligence, as well as the professional standards solutions involved in the innovative "short video + live streaming" model in the current market. The two sides shared and exchanged ideas on talent training, professional matching, hardware requirements, and certification systems.

This event promoted the communication between

the university and enterprises, deepened mutual learning, and was a beneficial attempt for the university to introduce Internet thinking, use the comprehensive talent cultivation scheme of the Juliang engine, assist in the rapid establishment of training and assessment systems for relevant majors, and form a systematic talent cultivation strategy.

Anhui Sanlian University Participates in the 7th Anhui Provincial Traditional Chinese Medicine Health Preservation and Elderly Care Development Summit Forum and Expo

From September 1st to 2nd, 2023, the "7th Anhui Provincial Traditional Chinese Medicine Health Preservation and Elderly Care Development Summit Forum and Expo" jointly organized by the Provincial Department of Civil Affairs, Provincial Health Commission, Provincial Development and Reform Commission, and Provincial Department of Commerce was successfully held at the Hefei Binhu Convention Center. 212 units from our province and the Yangtze

River Delta region participated in the expo, including elderly care institutions, elderly care technology companies, health preservation bases, rehabilitation equipment companies, elderly care financial institutions, and universities involved in elderly care talent cultivation.

Leaders of Anhui Sanlian University participated in the event as the vice chairman unit of the Anhui Elderly Care Association and a provincial-level talent

cultivation base for elderly care service professionals. Zhang Shiwei, Special Assistant to the President, Mei Long, General Manager of Anhui Sanlian Robot Technology Co., Ltd., Tong Dechen, Executive Deputy Dean of the Modern Health Industry Institute, as well as representatives from the university's Employment and Entrepreneurship Office, Institute of Innovation and Entrepreneurship, and Nursing College attended the expo. The expo included the opening ceremony, summit forum, and elderly care talent matching activities.

During the expo, the Anhui Sanlian university showcased its experience, characteristics, and practices in modern health industry talent cultivation to visiting enterprises and institutions. Zhang Shiwei and his team also visited the booths of Anhui Sanlian Robot Technology Co., Ltd. and other exhibitors, and exchanged experiences with some exhibitors, thereby laying the foundation for future cooperation.

In order to further develop the Anhui Elderly Care Expo into a platform for elderly care talent exchange in the province and the Yangtze River Delta region, the

expo also held elderly care talent matching activities to support the construction of elderly care talent in the province. Under the unified deployment of the Anhui Provincial Department of Civil Affairs, Tong Dechen, Executive Deputy Dean, on behalf of the university, presented the "Anhui Sanlian University Student Employment and Entrepreneurship Practice Base" bronze plaque to Jiangsu He Kang Elderly Care Industry Group Co., Ltd. and Anhui Fukangtong Health Industry Development Co., Ltd., and discussed the next step of cooperation plans.

This expo further expanded the resources related to the integration of industry and education in modern health industry talent cultivation at Anhui Sanlian University. In the next step, the university will actively connect with relevant exhibitors and units, make good use of the results of the expo, and promote the smooth implementation of related work.

HuaiBei Intelligent Vehicle Administration System, Constructed by Sanlian Applied Traffic Technology Company Was Awarded the Excellent Project in the “Top Ten Informationization Events in Anhui Province” for 2022

Recently, the results of the selection for the “Top Ten Informationization Events in Anhui Province for 2022,” organized by the Anhui Provincial Informatization Association, were announced. The Intelligent Vehicle Administration System developed by Anhui Sanlian Applied Traffic Technology Company, which was responsible for constructing the Huai Bei Motor Vehicle Driver Safety Education and Examination Center, has successfully been selected as an excellent project for the “Top Ten Informationization Events in Anhui Province.”

The selection of the “Top Ten Informationization Events in Anhui Province” by the Anhui Informationization Association aims to highlight the impact and promotion of information technology on society by selecting typical events or projects with significant social influence within various industries in the province. Being selected signifies the recognition of the Huai Bei Intelligent Vehicle Administration System, constructed by Anhui Sanlian Applied Traffic Technology Co., Ltd., by the industry and the market.

The Huai Bei Intelligent Vehicle Administration System project comprehensively applies eight business management systems developed and launched by Anhui Sanlian Applied Traffic Technology Co., Ltd., including the Safe and Civilized Examination System for Subject One and Three, the Safe and Civilized School, the Examination System for Subject Two, the Motorcycle Examination System, the Intelligent Hall Control System, the Remote Vehicle Inspection System, the Electronic File Image Management System, and the Intelligent Network System. This project innovatively applies satellite positioning, artificial intelligence, big data, and visualization technologies to various system products, leading the domestic technology level. After the system is implemented, it can effectively enhance the technological, informational, and scientific management level of Huai Bei’s driver’s license examination and vehicle administration, accelerate business processes, reduce police workload, improve work efficiency, and provide assistance for the continuous deepening of the “streamlining administration, delegating powers, and improving services” reform.

Anhui Sanlian Applied Traffic Technology Company has been committed to the field of driver’s license examination. Being selected as an excellent project in the “Top Ten Informationization Events in Anhui Province” indicates that the company adheres to the path of technological innovation and actively explores with remarkable results, taking a solid step

forward in promoting technological innovation in intelligent vehicle administration products.

In the future, Anhui Sanlian Applied Traffic Technology Company will continue to consolidate its technology and services, innovate continuously, provide professional and customized solutions to customers,

constantly enhance its comprehensive strength, and contribute more to promoting the development of an informationized society.

Sanlian Robotics Technology Company' s Multi-function Aiding Transfer Machine Wins Bronze Award in China Elderly Welfare Product Creative Innovation and Entrepreneurship Competition' s Innovative Product Group

The China Elderly Welfare Product Creative Innovation and Entrepreneurship Competition (referred to as the “Welfare Competition”) is a public welfare event jointly organized by the Shanghai Civil Affairs Bureau, Shanghai Science and Technology Commission, Shanghai Economic and Information Commission, Shanghai Commerce Commission, and Shanghai Education Commission. It aims to better play the role of the competition in mobilizing public creativity and encouraging innovation, further stimulate market vitality, and promote elderly welfare. After ten years of development, the Welfare Competition has ranked among the top in terms of the scale and influence of its products among similar competitions.

The 11th Welfare Competition officially launched the product collection in late March 2023 and collected a total of 630 products by June 30. Through qualifications pre-screening, preliminary competition and public announcement, and final competition, a total of 50 award-winning products were selected, including 42 in the creative design group and 8 in the innovative product group. Anhui Sanlian Robotics Technology Co.,

Ltd.' s multi-function aiding transfer machine won the bronze award in the innovative product group in this competition.

Anhui Sanlian Robotics Technology Co., Ltd. is a company focusing on the research and development of smart elderly care and intelligent rehabilitation software and hardware equipment. Its products include smart elderly care software and hardware platforms, robotic nursing beds, lower limb assisting exoskeletons, lower limb rehabilitation training exoskeleton robots, and shared multi-function aiding transfer machines. The multi-function aiding transfer machine developed and produced by the company is the first to introduce a 270-degree rear opening and closing design, which can easily solve the three major challenges of “transferring, toileting, and bathing.” The product is highly adjustable and suitable for different nursing scenarios. It is currently widely used in the home adaptation for the aging population and barrier-free renovation for disabled individuals.

President Jin Huiqing Pays Heartwarming Visit to Faculty of School of Nursing on Teachers' Day Eve

On the occasion of the 39th Teachers' Day, Jin Huiqing, the founder and president of ASU, along with school leaders Jiang Xiuli and Fu Wei, visited School of Nursing. They warmly greeted and extended their sympathy to all the faculty members of School of Nursing. Together with the faculty, they learned floral arrangement techniques and created flower baskets. President Jin Huiqing had a friendly exchange with the faculty, conveying his holiday greetings to all the

teachers.

During the exchange with the teachers, Jin Huiqing mentioned that floral arrangement and educating students have similarities. Each flower basket and artwork reflects the character of its creator. As educational practitioners, teachers should also learn to tailor their teaching methods to individual students' characteristics, tap into their potential, and think creatively in education, devoted to cultivating talents with "ASU characteristics". He hoped that all teachers would uphold the educational philosophy of "students as the foundation, teachers as the root" and contribute to the continuous development of Anhui Sanlian University and the education cause in our country. Finally, he once again wished all teachers a happy Teachers' Day.

Leaders of Anhui Sanlian University Participate in the Seminar on the Construction of Modern Industrial Institutes in Anhui Province

In order to thoroughly study and implement the spirit of the 20th National Congress of the Communist Party of China, as well as General Secretary Xi Jinping's important discourse on education, and to implement the implementation plans for deepening the reform of disciplines and specialties in universities

serving the innovation and development of industries (2022–2025) and the action plan for Anhui universities to cultivate talents in the new generation information technology industry, the Anhui Provincial Department of Education organized a seminar on the construction of modern industrial colleges in provincial non-key

undergraduate universities at Chuzhou University on October 21, 3. Vice President Cao Xiaofeng, Cai Wenfen from Anhui Sanlian University, and the leaders of two provincial-level modern industrial colleges, Feng Pengfei and Sun Yi, attended the seminar.

Deputy Director of the Provincial Department of Education, Chu Changlian, and other leaders attended the meeting and made three requirements in their speeches. Firstly, they emphasized the need to study deeply and analyze the trend of educational development scientifically. Secondly, they stressed the importance of summarizing systematically and accurately grasping the development orientation of newly established undergraduate universities. Thirdly, they called for overall coordination and integration to fully promote the innovative development of modern industrial colleges. In accordance with the deployment requirements of the Provincial Party Committee and the Provincial Government, efforts will be made collectively in various aspects, such as the development of micro-specialty construction, the development of talent training programs, the promotion of course certification integration, the implementation of China's distinctive apprenticeship system, the promotion of innovation and entrepreneurship, the cultivation of high-level dual-competent teacher teams, the development of certification certificates and formulation of industry

standards, the solution of technological and process difficulties, the promotion of international exchange and cooperation, and the strengthening of the party's political construction and ideological and political education, in order to cultivate higher-quality applied talents, serve industrial innovation and development, and contribute to the construction of a better Anhui.

During the seminar, Xu Huigang, Vice President of Changshu Institute of Technology, made a report entitled "Exploration of the Construction of Modern Industrial Colleges in Changshu Institute of Technology," sharing the experience of establishing ten industrial colleges, including the background, process, and achievements. At the same time, he also raised concerns about the system and mechanism as well as the evaluation system in the construction of industrial colleges. Subsequently, sharing and cooperative construction were conducted by two alliance universities and three enterprises, analyzing and exchanging ideas on the common and individual issues of the construction of modern industrial colleges from different perspectives and levels.

During the on-site visits to the Digital Information Modern Industrial Institute and the Smart Security and Emergency Technology Modern Industrial Institute, the participating team from Anhui Sanlian University gained a deeper understanding of the operational mechanism, school-enterprise co-cultivation model, and research service docking of the modern industrial colleges of Chuzhou University. During the seminar, Deputy Dean Feng Pengfei of the Modern Industrial Institute of Intelligent Transportation, on behalf of the university, exchanged and reported on the development of industry-university-research integration. He emphasized that this integrated development is the educational "gene" of Anhui Sanlian University.

Taking advantage of the construction of provincial-level modern industrial institutes, the institute has achieved results and identified areas for improvement in seven aspects, including innovative talent cultivation models, enhancing the quality of professional development, and the development of collaborative courses with industry partners. Feng Pengfei had fruitful exchanges of experiences with the attending leaders and other institutions.

Through this seminar, we further understood the current situation of the construction of modern industrial institutes in universities within and outside the province, which will provide meaningful guidance and reference for the next step of construction of the modern industrial institutes in our university.

Freshmen Gather to Shape the Future ——Anhui Sanlian University Welcomes the Class of 2023

In early autumn, as the clouds cleared, Anhui Sanlian University welcomed the freshmen of the Class of 2023. With great anticipation, the freshmen stepped onto the campus, bringing new vitality to the university. The campus was adorned with eye-catching banners, creating a warm and festive atmosphere.

The university leadership attached great importance to the freshmen welcoming work, focusing on the principle of “student-centered” and making comprehensive arrangements. They aimed to create a welcoming environment that was warm, considerate, harmonious, and safe, ensuring that the freshmen felt

cared for and parents felt reassured. Vice President Jiang Xiuli and other university leaders visited the freshmen on campus to greet them upon their arrival, expressed their gratitude to the faculty and staff working tirelessly in the welcoming process, inspected and guided the welcoming work, emphasizing the importance of accurate and meticulous welcoming services to convey the “ASU warmth”. Zhao Chong, the Deputy Secretary of the University Party Committee and Vice President, went to the reception point at Hefei South Station to inspect the reception situation, coordinate the reception work, patiently answer questions, provide

specific guidance, and have cordial conversations with parents, encouraging students to study hard.

The university initiated point-to-point transportation and “one-stop” services, setting up reception points at Hefei Railway Station and Hefei South Station, and arranging transportation between the reception points and the university.

The university also established a “green channel,” actively promoting national financial aid policies, improving the financial assistance system, and assisting new students in applying for student loans and consulting on scholarships and grants, ensuring the smooth enrollment of students from financially disadvantaged families. At the same time, security personnel, logistics staff, financial staff, and the school

hospital, as well as welcoming volunteers, remained at their posts, providing comprehensive, high-quality, and convenient services to ensure the safety and orderly registration of the new students.

Starting from September 7th, the freshmen of the Class of 2023 will officially begin their freshman orientation. In their upcoming campus life and studies, they will uphold the university motto of “profound virtues, broadly learned, enhance morality, foster talents” aiming for lofty goals, being down-to-earth, bravely facing new challenges, and creating a wonderful life.

Anhui Sanlian University Holds 2023 Teachers' Day Celebration Meeting

Continuing the glory and forging the spirit of teachers, we embark on the journey of educating the future. On the occasion of the 39th Teachers' Day, Anhui Sanlian University held a grand celebration meeting on September 8th in the Academic Lecture Hall of the Library to commemorate Teachers' Day 2023.

The meeting aimed to recognize excellence, pay tribute to the advanced, and inspire all faculty and students to work hard to achieve their educational dreams. Professor Jin Huiqing, the founder and president of ASU, Wang Guanghu, the Provincial Education Supervision Commissioner and Secretary of the University Party

Committee, leaders from various departments, personnel who received commendations, and representatives of faculty and staff attended the meeting. The meeting was chaired by Vice President Jiang Xiuli.

The meeting began with the solemn school anthem. First, Vice Presidents Cai Wenfen and Song Menglan successively read out several provincial and university-level honors and award documents. The meeting commended and awarded the recipients on-site. President Jin Huiqing and Secretary Wang Guanghu presented honorary certificates to the awarded teachers and took commemorative photos.

After the recognition session, representative outstanding teachers and Mr. Rao Shenghong from the School of Nursing took the stage to deliver speeches, sharing their insights and experiences in educational and teaching work. They expressed their commitment to continue dedicating themselves to their

positions and contributing to the growth of students and the development of the university. Subsequently, four teacher representatives presented a wonderful performance, reciting a poem titled “Pursuing Dreams at ASU,” showcasing the glory and mission of ASU’s teachers.

Finally, President Jin Huiqing delivered a concluding speech. He fully recognized the outstanding teachers of the university and expressed great expectations for all teachers. President Jin earnestly encouraged all faculty members to strive for excellence, be proactive, dedicated, and contribute more to the goal of building a “nationally renowned, provincially first-class, outstandingly distinctive, and locally applied high-level university.”

Anhui Sanlian University held the Opening Ceremony for the Class of 2023 and the Summary and Commendation Conference for the Military Training

On the morning of September 26th at the main

campus sports field. The event was attended by ASU leaders including Jin Huiqing, Wang Guanghu, Yu Wansheng, Zhao Chong, Zhang Shulin, Hong Mei, Cao Xiaofeng, Cai Wenfen, Liu Zheng, Song Menglan, Fu Wei, and Fan Zhaohong, as well as the heads of various colleges and functional departments, representatives of faculty and students, and all the freshmen of the Class of 2023. The conference was presided over by Vice President Jiang Xiuli. President Jin Huiqing delivered a speech, and Wang Guanghu, the Provincial Education Supervision Commissioner and Secretary of

the University Party Committee, presented awards.

The ceremony began with the national anthem and the school anthem, with all faculty and students standing and singing the national anthem, paying solemn respects to the national flag. Subsequently, Yu Wansheng, the Chairman of the Board of Directors, announced the opening of the conference, and all the freshmen entered the stadium with neat steps and loud slogans, presenting a summary performance of their military training achievements.

After the summary of the military training achievements, Jin Huiqing went to the field to meet with all the freshmen and express his concern and wishes.

During the conference, Zhao Chong, the Deputy Secretary of the University Party Committee and Vice President, read the commendation document, and Wang Guanghu presented awards to representatives of the advanced collective and individuals in the freshman education work, the advanced collective and individuals in the military training work, outstanding military training instructors, and outstanding volunteers in the reception work for the freshmen, expressing heartfelt thanks for their hard work in the freshman enrollment and military training.

Hu Yongzhi, the rotating chairman of the Student Union, led all the freshmen in taking an oath, and Yu Hui, the Dean of the School of Marxism, took an oath on

behalf of all teachers.

Finally, Jin Huiqing delivered a speech. He first warmly welcomed all the freshmen on behalf of the university and expressed sincere thanks to the teachers, instructors, parents, and relatives. He stated that the arrival of the freshmen has brought more vitality and brilliance to ASU. ASU has always adhered to the development strategy of integrating industry, academia, and research. “Industry, academia, and research” has become the advantage gene for the growth of ASU. The university is conducting multi-disciplinary and in-depth exploration in the integration of industry and education, the integration of science and education, and continuously improving the quality of education and teaching. The university has the determination and confidence to cultivate everyone into more outstanding talents.

He emphasized that the students should have lofty aspirations and bravely shoulder their historical mission. They should be diligent in learning and strive to develop solid skills. They should prioritize ethics and pursue noble ideals. With a high fighting spirit, they should adhere to righteousness and innovation, constantly progress, and create their own brilliance.

Anhui Sanlian University Holds 2023 Mid-Autumn Festival Teacher-Student Gala

On the evening of September 26th, Anhui Sanlian University held the 2023 Mid-Autumn Festival Teacher-Student Gala at the main campus stadium. Leaders from Anhui Sanlian Group and its affiliated

units, including Jin Huiqing, Wang Guanghu, Yu Wansheng, Jin Qing, Jiang Xiuli, Luo Wenqi, Mei Long, and Wang Wei, attended the event. Heads of various schools and functional departments, representatives of

teachers and students, as well as all the freshmen from the Class of 2023, were present.

The gala kicked off with the relay of the school flag. It was divided into three chapters: “Shining Stars, Youthful Spirit,” “Gathering Under the Full Moon,” and “Dreaming and Embracing the Future.”

The gala showcased the vibrant and positive spirit of ASU students through touching melodies and graceful dances. Performances such as the dances “The Most Youthful,” “Sanlian in the Lights,” and “Ignite” demonstrated the vigor of the new generation; the song “The Song of Counselors” by the group of counselors expressed their unwavering love for educational work; the song “Youth Volunteers’ Song” and the dance “With Me” further inspired the young students’ aspirations to contribute to the country; the teachers’ rendition of the Huangmei Opera “Unexpectedly the Top Scholar”

showcased local cultural characteristics; and the song “Above the Moon” heightened the atmosphere to a climax.

All the university leaders and heads of various colleges appeared on stage to meet the new students and sang “The ASU Anthem” together with the entire audience.

The Teacher-Student Gala concluded successfully with the resounding chorus of “Me and My Motherland.”

On the occasion of the Mid-Autumn Festival, the university also distributed customized “university motto” mooncakes to all current students, which received unanimous praise from the students.

Anhui Sanlian University Hosts the 14th China (Hefei) International Garden Expo Volunteer Deployment Ceremony with 500 Volunteers

On September 25, 2023, Anhui Sanlian University (ASU) held the 14th China (Hefei) International Garden

Expo Volunteer Deployment Ceremony at the sports field in the southern campus. Vice Presidents Song

Menglan and Fu Wei attended the ceremony, along with the executive deans, deputy deans, Youth League branch secretaries, counselors, and all the volunteers from the relevant schools. The ceremony was chaired by the Secretary of the Youth League Committee, Li Yan.

During the ceremony, Li Yan gave a brief introduction about the recruitment of volunteers for the Garden Expo. After receiving coordination notices from the Provincial Youth League Committee, Municipal Youth League Committee, and Hefei Youth Volunteer Association in late August, the university's Youth League Committee attached great importance to the matter. Through multiple meetings, including voluntary registration by the Youth League branches, recommendations from the schools, and selection at the university level, a total of 500 volunteers were recruited from the School of Computer Engineering, School of Finance and Accounting, School of Foreign Languages, and School of Nursing. After receiving systematic training, they would be fully committed to providing volunteer services for 8 days at 7 different zones, 26 comprehensive positions, and 101 specific positions in the Garden Expo, adding luster to the success of the 14th China (Hefei) International Garden Expo.

During the ceremony, Peng Rui, a nursing major

from the Class of 2022 at the School of Nursing, spoke as a representative of the volunteers. She pledged on behalf of all the volunteers to cherish this rare opportunity, assume the sacred responsibility of spreading the spirit of volunteer service, be patriotic and dedicated as ambassadors for the Garden Expo, and work diligently to achieve both service and personal growth. Subsequently, under the guidance of Hu Xiaoxia, an English major from the Class of 2021 at the School of Foreign Studies, all the volunteers solemnly took an oath.

Vice President Song Menglan expressed gratitude to all the volunteers for their active participation and selfless dedication on behalf of the university. She also put forward three earnest hopes: Firstly, to enhance their ideological understanding and strengthen their sense of responsibility. It is important to deeply understand the significance and value of participating in this activity and to wholeheartedly devote oneself with a strong sense of responsibility and mission. Secondly, to strictly observe discipline and establish a good image. All volunteers are a concentrated showcase of the school's image and educational achievements. It is essential to comply with rules and regulations, follow arrangements, overcome difficulties, and through personal demonstration, demonstrate the outstanding demeanor of Anhui Sanlian University students. Thirdly, to cherish the opportunity for growth and provide high-quality service. It is crucial to treasure and make good use of this platform to showcase one's abilities and potential, pay attention to details, provide assistance with a smile, and serve every visitor with enthusiasm and patience.

It is reported that the 14th China (Hefei) International Garden Expo officially opened on September 26. In this comprehensive event, more than 500 volunteers from ASU, under the unified organization

of the Youth League Committee, will act as a group of dedicated “screws” with passion and contribute silently on the grand stage of the Garden Expo.

Under the guidance of the university’s Party Committee, the Youth League Committee has continuously innovated methods, developed a comprehensive educational framework, and actively engaged in large-scale volunteer service projects. It adheres to the combination of theoretical education and

practical cultivation, guiding young students to cultivate a sense of national pride through firsthand experience. In the future, the Youth League Committee will continue to embody the spirit of “adventure,” “innovation,” and “hard work,” and strive to excel in this important “ideological and political education class” of practical education.

Leaders from the Education and Sports Bureau of Feidong County Inspect the Start of the Autumn Semester at Anhui Medical and Health School

In order to comprehensively prepare for the start of the autumn semester in 2023 and effectively safeguard the health, safety, and stability of students and campuses, ensuring a smooth and orderly start to the semester, on the morning of September 8, Feidong County Education and Sports Bureau’s Deputy Party Secretary, Wang Hongbing, Lin Song, Head of the Organization and Personnel Department, and Wang Pengwen, Head of the Safety Department, visited Anhui Hefei Medical and Health School to conduct a check on the start of the autumn semester in 2023 using the “Field Investigation without Notice and Report” approach. The inspection was accompanied by the school’s Chairman, Qin Yongyuan, Principal Wang Wei, and relevant department heads.

Principal Wang Wei, on behalf of the school, reported on the preparation for the start of the semester, mental health, food safety, hygiene and health, and school conduct. Wang Hongbing affirmed the school’s preparation for the autumn semester and inquired in

detail about the difficulties encountered by the school during its development, expressing that the education department will vigorously support the school’s development and provide assistance to the best of their ability.

Finally, Wang Hongbing put forward valuable opinions and suggestions based on the actual situation of the school. He emphasized the need to prioritize safety, always maintain a high level of safety, firmly secure

the bottom line of safety, comprehensively strengthen campus management, focus on identifying safety hazards, mental health education, and ensure logistical support for teachers and students, to ensure the safe and orderly start of the new semester. He also stressed the need to continuously enhance the safety awareness of teachers and students, and prevent the occurrence of safety accidents such as drowning, traffic accidents, and telecommunications fraud.

As the new school year begins, the school's early planning and preparation for the start of the semester

have been conducted in a safe, orderly, and scientific manner. The school will take this inspection as an opportunity to further strengthen refined management, focus on teaching quality, and strive to create a professional school with a positive atmosphere, strong academic atmosphere, and innovative development. In the new academic year, it is believed that the school will achieve higher quality development.

Honoring the Years of Dedication, Embracing the Voice of the Era

——Anhui Medical and Health School Holds the 39th Teachers' Day Celebration and Commendation Conference

Honoring the years of dedication, embracing the voice of the era. In the golden September, the ripe fruits exude fragrance on the branches. To deeply study and implement the important discourse on education by General Secretary Xi Jinping, and to commemorate and honor outstanding individuals, convey the strength of role models, and promote good practices, on the afternoon of September 8, Anhui Hefei Medical and Health School held the 2023 Teachers' Day celebration and commendation conference in the multifunctional hall on the first floor of the teaching building. School leaders including Qin Yongyuan, Wang Wei, Hu Junjian, Xu Jingjing, and Wang Daolin attended the conference, and all teachers and staff were in attendance. The celebration and commendation conference was presided over by Shao Wen, the director of the Academic Affairs Office.

The conference kicked off with a video, covering

students' blessings for their teachers, teachers' sincere hopes for their students, and moments from the daily work of the teaching staff.

In her speech, Principal Wang Wei extended holiday greetings and highest respects to the teaching staff who have been working diligently in teaching, scientific research, management, and services. She also warmly congratulated the teachers who were being honored. She pointed out that in recent years, the school's infrastructure has been further improved, various systems have been continuously improved, teaching quality has significantly improved, and the construction of the teaching staff has been continuously strengthened. She emphasized that the school is currently in a critical period of transformation and development. She hoped that all teachers and staff would continue to focus on the fundamental tasks and responsibilities of cultivating virtue and talents, practice

the “modeling behavior” value guidelines, maintain a pursuit of excellence in academic research, continue to promote a sense of ownership, and actively contribute to the development of the school with a more full spirit and solid work style.

Deputy Director Liang Yimin led all teachers and staff to review the “Ten Professional Behaviors for Primary and Secondary School Teachers in the New Era”, aiming to further strengthen the construction of teachers’ ethics and professional standards, and guide the school’s teachers to strive to become good teachers with ideals and beliefs, moral integrity, solid knowledge, and a compassionate heart.

During the conference, teacher representative Yang Xuemin delivered a speech as an outstanding teacher, expressing the commitment to stand by the podium, cultivate moral character, focus on academic research, and innovate. With a more practical attitude and full enthusiasm, they will serve as guides for students’ growth and become qualified professional school teachers, striving to write a new chapter in the school’s education development.

The conference announced the commendation decisions, and school leaders presented awards to the honored teachers and took a commemorative photo with them.

In order to make the holiday memorable for all

teaching staff, the conference also organized a handicraft activity. Each teaching staff member was prepared with a Lego puzzle blind box, with numbers posted. At the event, the teaching staff randomly selected a number through a mini-program and then received the corresponding Lego blind box. Through the puzzle activity, the teaching staff’s practical skills were exercised, allowing them to relax both physically and mentally amidst their busy work, and further promoting cooperation and communication among teaching staff. During the puzzle session, students also brought songs and dance performances to express gratitude to their teachers. A quiz was also held, and teachers who answered correctly received a small gift, reaching a climax of excitement at the event.

The aspiration of educators is to cultivate students’ moral character and foster their growth. The entire faculty and staff of the school will shoulder the sacred mission of educating for the Party and the country, continue to implement the Party’s education policy, cultivate morality, and steadily advance towards the goal of becoming a distinctive and top-tier vocational school in the health sector.

Paying Tribute to the Splendid Years, Interpreting the Voice of the Times

——Anhui Medical and Health School Holds Choral Competition

Familiar melodies play the youthful hymn, while soaring music sings of an era of hardworking and striving. In order to vigorously promote the

“May Fourth” spirit, inherit and carry forward the fine traditions of the Communist Youth League, and resolutely implement the fundamental task of

“cultivating virtue and talent”, further consolidating the belief of young students in loving the Party, loving the country, and honoring the League, on October 11, 2023, the Anhui Hefei Medical and Health School held a choral competition with the theme of “Paying Tribute to the Splendid Years, Interpreting the Voice of the Times” in front of the teaching building.

The lyrics of the songs included: “The red sun rises in the east, its grand path adorned with rosy beams. How fortunate am I, to be born in your embrace, with our bloodline flowing in streams”; “Youth’s wisdom brings wisdom to the nation, youth’s wealth enriches the land. Youth’s strength empowers our country, youth’s freedom, a nation so grand”. Each song was sung with enthusiasm and a positive attitude, and the participating students from various classes showcased the charm of their League branches. The strong and forceful singing echoed in every corner of the campus, demonstrating the passion and dreams of the Anhui Medical and Health School students, expressing the

feeling of “youth looking towards the Party”, and continuing the fine tradition of “the Party calls for action, and the League takes action”.

A small competition carries great energy, and a choral song praises the new era. On the occasion of the 74th anniversary of the founding of the People’s Republic of China, the students of Anhui Medical and Health School expressed sincere blessings to the Party and the motherland, as well as their pursuit and yearning for dreams through their songs. The students bathed in the Party’s sunshine, displaying their spirit of happiness, health, and growth. After the choral competition, everyone expressed their determination to immerse themselves more enthusiastically in life and studies, believing that every student has the opportunity to shine and become an outstanding talent for the country.
