

### 初心如磐 行稳致远

“选择是一时的人生，但人生是永恒的选择。”人生充满了选择和机遇，不忘初心，才能让我们在诱惑之前不动摇、在逆境之中不气馁、在选择面前不犹疑、在挑战来时不逃避。松柏放弃沃土，选择扎根于悬崖峭壁之上，换来风雪中挺拔的身姿；海鸥放弃平静，选择翱翔于海天一线的港湾，换来了轻盈自在的生活；谷物放弃了万紫千红的春天，选择置身于泥泞的土地，换来了金秋的硕果累累。世间万物如此，作为新时代的我们更需要坚守初心，直视自己的选择，才能留下独一无二的风景。

选择是亘古至今的凝视，端详着生命的万千姿态，君子居易以俟命，小人行险以侥幸。站在历史的对岸回望：楚大夫沉吟侧畔，宁九死也不悔正直之言，纵然谄媚污蔑混淆视听，也不随波逐流，这是屈子的选择；徐弘祖万里遐征，纵使被骂“朽木”之身，却凭竹杖草鞋，走出男儿志在四方的豪气，这是徐霞客的选择；陶渊明悠然南山下，饮酒采菊以寄乐，躬耕陇田，这是靖节先生的选择。在一番选择中，帝王将相成其盖世伟业，贤士迁客成其千古文章。所谓选择，各有不同，即使前路布满荆棘，但只要不忘初心，方能到达理想的彼岸。

选择是坚定持久的责任，担负起时代的殷殷重托，英雄子弟守势以待，平民百姓守望以助。“敦煌的女儿”樊锦诗扎根大漠，从青丝熬成白发，用“数字敦煌”让莫高窟“容颜永驻”，将敦煌石窟

的绮丽展现给世人，消磨的是时光，不变的是她的初心；黄旭华以身许国三十载，潜心钻研中国的核潜艇技术，将终身献给祖国的复兴大业，他在忠孝两难之间选择了国家，以对国的忠来回报对父母的孝；我国高原医学事业的“拓荒者”吴天一用一生坚守初心，守望高原，坚持“一个决定走一生”，凭借坚忍执着的精神和对科学真理的追求，以敏捷的思维一生致力于低氧生理和高原医学研究，填补了世界高原医学研究的空白。他们用行动诠释了无论选择的路有多难走，秉持初心终会见证顶峰的光芒。

人生中，每个阶段的我们会面临很多的选择：升学时，我们会考虑就业前景、校园环境、师资力量；毕业时，我们会纠结考研、考公、就业；就业时，我们会考虑工作方向、升职空间、锻炼机会。“事不一而理有定在，犹百川万折，必归于海。”世事繁复，但个中有理，我们只需锚定目标、全力以赴，方能不负初心使命。

我们面对选择，往往会因为追求一个“最优解”而踌躇不前，但万般迷津唯有自渡。诚如作家路遥所言：“人生，其实无非是矛盾与选择的综合体，无关对错，仅仅在于我们是否有勇气在矛盾中做出选择并勇敢承担一切后果。”初心如磐，落棋无悔，相信并坚持自己的选择，我们终将行稳致远。

## “可持续交通安全人因工程管理论坛”在北京成功召开

2023年5月7日，“可持续交通安全人因工程管理论坛”在北京成功召开。论坛由中国工程院工程管理学部主办，国家车辆驾驶安全工程技术研究中心、清华大学人因工程与智能交互研究所承办，中国人类工效学学会、人因工程全国重点实验室、安徽三联学院共同协办。

论坛由大会主席孙永福院士主持，傅志寰、王礼恒、卢春房、田红旗、何华武、胡文瑞、周建平、陈学东、林鸣、王自力等11位院士，清华大学、武汉理工大学、中国民航大学、交通运输部公路科

学研究院相关系统等共60余名专家学者参加会议。

中国工程院工程管理学部主任卢春房院士、国家车辆驾驶安全工程技术研究中心学术委员会副主任余皖生教授分别在开幕式上致辞，金会庆、申瑞源、张笛、汪磊、张伟等专家分别作了专题报告。发展可持续交通是践行中国式现代化的重要举措，交通安全是交通可持续发展的首要目标，与会专家学者围绕人因工程及其在道路交通、铁路交通、航空交通、水路交通领域的发展，聚焦“交通安全人因工程”各抒己见，畅所欲言。

孙永福院士在总结中指出，本次论坛把道路、铁路、水运、民航四种运输方式聚集在一起，首次以大交通视野，从人的生理—心理—行为—管控多层次，从理论—技术—工程—应用多维度，阐述交通安全人因工程的研究进展和应用成果，加深对人因工程的认识。举办本次论坛有利于促进高校、科研、行业各界对人因工程研究的高度重视，推动交通安全人因工程研究网络体系的形成，对我国交通安全及可持续交通发展发挥重要的推动作用。

## 深化校企合作 践行产教融合

——安徽三联学院领导带队深入企业走访调研

为进一步深化产教融合，加强与企业的沟通与联系，2023年8月8日至9日，安徽三联学院副院长蔡文芬带领经济管理学院、机器人工程学院、外语学院、教务处相关人员前往深圳硕石星辰科技有限公司、合肥创趣电子科技有限公司、中科深谷科技发展有限公司、安徽凯福佑国际货运代理有限公司走访调研，并借此机会看望在企业实习就业学生。

走访中，蔡文芬参观了各企业的产品展厅和学生实习工作环境，全方位了解企业文化、发展前景和人才需求情况，慰问了在企业就业、实习的学生，并对几家企业长期以来给予学校的关心和支持表示感谢。座谈会上，双方就人才需求、实习就业

以及产学研合作等方面展开交流。蔡文芬介绍了三联学院在专业建设、人才培养、社会服务等方面的基本情况，强调了本次走访调研的重要意义，认真听取了用人单位和毕业生对学校人才培养的意见和建议，希望校企双方在过去良好合作的基础上，进一步深化在人才培养、科学研究、师资共建、服务地方等方面的合作。

暑期走访企业调研，有效促进了学校和企业深度交流与合作，校企双方将在协同育人、提高人才培养质量以及促进学生高质量实习就业等方面谋求更大合作空间，共同开创合作共赢新局面。

## 三联交通公司应邀参加科技助力道路交通安全精细化治理及放管服工作实践与探索研讨会

2023年7月12日，由中国道路交通安全协会主办的“科技助力道路交通安全精细化治理及放管服工作实践与探索研讨会”（以下简称研讨会）在福建省莆田市举行。莆田市人民政府副市长、公安局局长陈文荣，中国道路交通安全协会秘书长苑雷，福建省公安厅交通警察总队副总队长王晓东等领导出席会议并致辞。

三联交通公司作为道路交通安全行业科技领军企业应邀出席本次研讨会，王江波董事长代表公司发表《关于依托科技升级深化车驾管服务的实践与探索》的主题演讲，分享了三联交通围绕公安部交管深化“放管服”改革，聚焦车驾管领域，引入点云成像、大数据分析、图像视频算法等新技术，在车驾管领域加强监督管理和延伸下放服务方面的实践和探索，并与行业领导和专家围绕交通安全精细化治理及放管服工作实践内容展开交流，共同探讨道路交通管理的新方法。

本次研讨会主要围绕“减量控大”的交通管理核心工作目标展开，采取线上线下相结合形式，安排了实地参观调研和专家深度研讨两个环节。研讨会现场，公安部道路交通安全研究中心交通控制技术研究部主任邱红桐、同济大学交通学院教授王雪松、公安部道路交通安全研究中心交通安全宣传教育研究部负责人朱建安等权威专家围绕智能交通、交通治理、交通安全等内容发表了主题演讲，加强了全国交管科技信息化建设的经验交流，助力提升交通精细化管理和“减量控大”工作水平。

未来，三联交通公司将继续紧跟行业，立足主业，依托新技术与开放思维携手行业同仁，共同推进技术迭代升级，助推公安交管“放管服”改革深化与实践，推动智能交通行业发展。

## 科技赋能驾培 打造智慧驾校

——三联泰科驾校应邀参加《驾培之音》节目

2023年7月12日，合肥三联泰科驾驶员培训有限责任公司（以下简称三联泰科驾校）总经理董贤新作为安徽省百强驾校代表，受邀参加由安徽百家品牌驾校联盟与安徽广播电视台联办的安徽高速之声《驾培之音》节目。

此次节目采用直播的形式对董贤新总经理作现场采访。在采访过程中，董贤新总经理围绕“科技赋能驾培，打造智慧驾校”的主题，分享了三联泰科驾校的办学初衷和经营理念。董总在采访中说道：“三联泰科驾校成立于2022年9月份，从‘泰科’二字就能看出我们办学的初衷。泰，取自国泰民安，是希望交通更加安全，降低和避免交通事故的发生；科，取自科技科研，代表着新技术与新方法，运用前沿科技赋能驾培行业，探索新的培训模式，增强驾校学员交通安全意识，从源头上预防和减少道路交通事故，筑牢交通出行第一道安全防线。让交通更安全，这是我们的初衷，更是我们企业的使命”。

作为安徽三联交通应用技术股份有限公司全

资子公司，三联泰科驾校依托母公司多年的科研成果，赋能驾培行业，是母公司在驾培领域技术迭代与模式创新上更深入的探索与实践。2021年11月完成工商注册，2022年9月20日在合肥市交通运输局备案通过，是一家三级驾校，具有培训C1、C2车型培训资质。三联泰科驾校的办学宗旨是不仅让学员掌握驾驶技能，还要培养学员养成主动的交通安全意识，掌握更多的应急技能。在实操环节上，三联泰科驾校建立了一整套数据分析系统，对每一位学员的驾驶技能进行大数据分析，制定个性化教学方案，提高学员综合驾驶技能。让每一位学员不仅是一名合格的驾驶员，更是一名安全驾驶的践行者。

未来，三联交通公司将努力践行企业使命，聚焦交通出行第一道安全防线，持续技术迭代与应用创新，为驾驶人培训与考核提供更加可靠、完善的解决方案，为道路交通安全发展贡献力量。

## 安徽三联学院、合肥工业大学共同承办中国心理卫生协会 交通分会学术会议圆满举行

2023年8月，由安徽三联学院与合肥工业大学共同承办的中国心理卫生协会交通分会交“心网联 智驾安达—智能网联背景下驾驶人信息感知与行车安全”学术与应用交流会议在合肥工业大学顺利举行。此次会议旨在从多学科交叉的角度，进一步探讨和提升该智能网联背景下的驾驶人因理论和应用技术。三联学院副校长张树林、交通工程学院执行院长凤鹏飞及相关教师参会交流。

合肥工业大学党委副书记严福平与中国心理卫生协会交通分会第八届委员会主任委员、南通大学副校长高建林分别作开幕式致辞，一致认为本次中国心理卫生协会交通分会学术与应用交流会议是促进心理学、人因工程与交通融合研究交流的良机，也搭建了多领域、多学科交叉探讨的平台，让更多的学者有更多机会参与到这种交叉融合的学术研究中来，创造出更多的研究成果。

学术会议分为两个阶段。在学术研讨环节，来自南通大学、清华大学、北京工业大学、湖南大学、合肥工业大学、辽宁师范大学、交通运输部公路科学研究院等高等学校和研究机构代表分别围绕交通心理感知、交通人因、交通行为、交通安全仿真等

内容作汇报交流。张树林代表安徽三联学院汇报了道路交通安全人因工程的应用研究成果，尤其在驾驶适应性、驾驶安全仿真、未来安全驾驶行为技术保障等方面内容进行了精彩分享，并与参会学者充分交流和探讨。同时，研讨会还增设了交通安全博士生研讨交流会，来自国内高校近十位博士分享了自己的研究成果。

在考察交流阶段，参会领导和学者一行赴国家车辆驾驶安全工程技术研究中心进行考察交流。与会代表详细了解了道路交通事故“三道防线”理论及综合防治方法，现场观摩了公司“互联网+”机动车驾驶人考试系统、VR机动车驾驶模拟系统、“E慧通”智慧车管平台、“禹化”智慧交通信号控制系统等系列研发成果，就技术研究细节与工程中心人员进行深入交流。中国心理卫生协会交通分会理事长戴家隽表达了加强沟通合作的意愿。

此次联合承办的学术与应用交流会不仅增进了交通安全与不同学科领域之间的交流，而且进一步扩大了三联学院在道路交通人因工程研究影响力。

## 安徽省日语教学研究会 2023 年度年会在安徽三联学院召开

2023年7月15日，安徽省日语教学研究会（以下简称研究会）2023年度年会在安徽三联学院隆重召开。本次会议以“交流与互鉴——新文科背景下日语专业建设与发展”为主题，来自安徽省内21所开设日语专业和第二外语日语课程的高校领导、专业负责人和教师代表参加了会议。

在开幕式上，教育部高等学校外国语言文学类专业教学指导委员会日语分委会副主任委员、黑龙江大学许宗华教授，教育部高等学校外国语言文学类专业教学指导委员会日语分委会委员、中国日语教学研究会副会长、上海分会会长、同济大学刘晓芳教授，外研社综合语种教育出版分社杜红坡副社长，三联学院副校长傅炜出席开幕式并致辞。

在主旨报告环节，许宗华教授以“关于跨文化能力培养的一点思考”为题，从《国标》和指南性文件中对“跨文化能力”的界定谈起，探讨培养跨文化能力的路径，指出区分不同层级的跨文化活动，采取多种协同育人模式，语言知识与文化规则并重，是培养学生跨文化能力的必由之路。

刘晓芳教授以“新形势下日语专业的挑战和机遇”为题，从新文科背景下日语专业建设和发展面临的困难与解决之道说起，关注一线教师的科研压

力与个人发展，强调日语教学改革的迫切性，探讨了综合性高校日语专业建设及人才培养的未来发展之路，提出了很多宝贵建议。

两位特邀专家的报告，高屋建瓴，深入浅出，对各校修订、完善人才培养方案、重构课程体系、优化教学内容等都起到了指导性作用，为安徽省日语教育教学的发展指引了方向。

经验分享环节，安徽理工大学、安徽大学、安徽农业大学、安徽外国语学院和芜湖职业技术学院等5所院校交流了本校日语专业的师资、招生规模、人才培养和国际交流等基本情况，分享了在学科建设和教学改革方面的特色做法。同时，深入交流了专业发展面临的困难和挑战以及努力寻求突破的解决对策。

公开课展示环节，安徽师范大学、淮北师范大学、安徽三联学院、合肥师范学院、安徽大学、安徽农业大学等6所院校进行了高水平的授课展示，充分体现了对学生思辨性思维、批判性思维和创新能力的培养，信息化时代线上线下混合式教学模式和评价方法的创新使用，以及实践教学的落地之法和课程思政的融入之道等。

合肥三联教育咨询有限公司副校长胡宝琴分享了日语学生的对口就业率现状、日语专业在校生和毕业生调查以及用人单位反馈情况，强调了加强新生职业生涯规划引导的必要性，学生的综合应用能力培养的重要性，剖析了提高日语专业对口就业率和破解当前专业发展瓶颈的内在逻辑。

副会长唐千友回顾了研究会自2018年成立以来发展历程，介绍了研究会组织结构和增补成员的原则。唐千友对三联学院各级领导和老师对研究会工作的大力支持表示感谢，对本次会议的会务和

志愿者工作给予了高度评价。他指出,本次年会日程安排紧凑、合理,效率高、成果多,既有业内专家的高阶引导、一线教师的交流探讨和教学实践展示,也有业外教育咨询公司就实习就业的经验分享,年会内容较好切合了安徽省日语研究实际。他强调

今后研究会要适应新形势,积极探索转型发展之路。

经常务理事会审议,本届研究会新增补副秘书长1人、常务理事5人、理事21人。

## 安徽省比较文学学会第五次会员大会在安徽三联学院召开

2023年8月26日,安徽省比较文学学会第五次会员大会在安徽三联学院召开。省社科联党组成员、专职副主席周祥飞,比较文学学会会长戚涛及学会相关领导出席会议,共123名会员代表参加本次大会。安徽三联学院副校长操晓峰到会并致辞。大会开幕式由外语学院执行院长赵巍炜主持。

周祥飞副主席在致辞中深切回顾了安徽省比较文学学会三十多年的历史,肯定了学会创办以来取得的成绩,并对学会未来的工作提出了四点要求:一是坚持马克思主义的指导;二是坚持学术创新;三是提升服务社会的意识和能力,站在文化强省的角度去弘扬安徽文化,做好文化普及工作;四是进一步搭建形式多样的优质学术平台。

操晓峰在致辞中介绍了安徽三联学院的发展历程、办学特色及取得的成果,肯定了安徽省比较文学学会在省内比较文学、外国文学、文化外译与传播等领域的发展和学术共同体构建等方面的积极

作用,并预祝大会取得圆满成功。

学会会长戚涛教授在致辞中感谢省社科联对学会工作的关心与指导,感谢三联学院以及广大会员对学会及本次会议的支持。接下来的会员大会由学会第四届副秘书长、安徽大学陈婷婷教授主持。戚涛首先作第四届理事会任期总结报告。他回顾了学会四年来的工作,肯定了本届理事会在复兴、发展学会方面所做出的重要贡献。

随后,大会通过无记名投票,选举产生了由86位会员组成的新一届理事会。在第五届理事会第一次会议上,经无记名投票表决,合肥工业大学唐军教授、皖西学院曾必好教授、巢湖学院余荣琦教授、黄山学院洪常春教授等28人当选常务理事,安徽大学戚涛教授等8人当选为学会负责人。三联学院外语学院执行院长赵巍炜当选本届常务理事。会议还表决通过学会新章程和会费收取标准等重要议程。

至此,安徽省比较文学学会第五次会员大会在圆满完成所有议程后胜利闭幕。

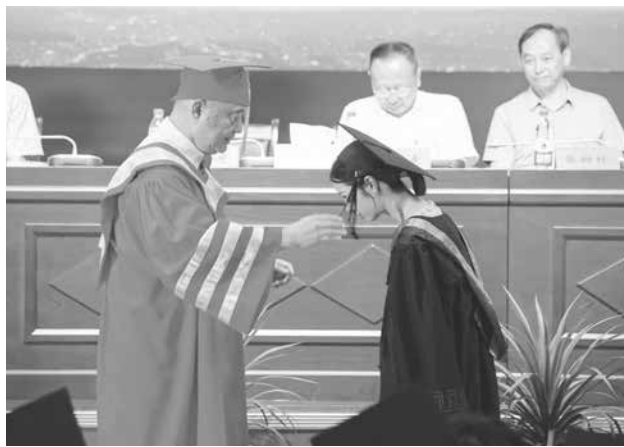

据悉,安徽省比较文学学会是省社科联和民政厅下属的安徽省一级学会。学会一直致力于中国比较文学、世界文学和跨文化研究,对不断拓宽学术视野、持续提升文化软实力、稳步加强中国特色学术话语体系建设具有重要意义。

## 青春不散场 毕业再起航

——安徽三联学院举行 2023 届学生毕业典礼暨学士学位授予仪式

2023 年 7 月 12 日，安徽三联学院 2023 届学生毕业典礼暨学士学位授予仪式在学术报告厅隆重举行。校长、校学士学位评定委员会主席金会庆教授，省教育督导专员、校党委书记王光虎及在肥校领导出席典礼并在主席台就座。2023 届 1200 余名毕业生代表齐聚一堂，以典礼见证成长与收获，开启人生新的旅程与辉煌。常务副校长江秀丽主持典礼。

毕业典礼在庄严的国歌和校歌声中拉开帷幕。副校长宋梦岚宣读《2023 年安徽省普通高学校优秀毕业生通报》《关于准予 2023 届普通专科生毕业的决定》，副校长蔡文芬宣读《关于准予 2023 届本科生毕业的决定》《关于授予 2023 年上半年本科毕业生学士学位的决定》。毕业生代表、计算机工程学院桂武，教师代表外语学院吴正英分别发言。

金会庆校长发表讲话。他代表学校向 2023 届全体毕业生表示最热烈的祝贺，向辛勤培育、一路陪伴同学们进步成长的老师、家长们表示衷心的感谢。他向同学们提出三点希望：一是勇担使命，启航新梦想，树立与这个时代同心同行的理想信念，

把个人理想融入到时代发展中，牢牢把握人生航向，用中国梦激荡青春梦；二是勇挑重任，谱写新精彩，肩负起时代赋予的历史责任，坚定奋斗意志，练就过硬本领，做可为、能为、有为的时代新人；三是勇攀高峰，开创新征程，在挫折面前不低头、不灰心、不言弃，以昂扬向上的精神状态和奋力拼搏的行动姿态，不断开拓进取，勇往直前。

随后，王光虎书记为安徽省普通高等学校优秀毕业生代表颁发荣誉证书。金会庆校长为 2023 届本科毕业生代表颁发毕业证书和学士学位证书，并为现场 1200 名毕业生一一扶正流苏。

典礼仪式最后，毕业生家长代表走上前台，感谢金会庆校长及学校对孩子的培育和关爱。

在感人至深的《毕业歌》表演中，本次毕业典礼画上圆满句号。与会的 2023 届毕业生在校领导的目送下离开会场，开启人生新的征程。

学校相关部门负责人，各二级学院领导、教师代表参加了典礼。

## 安徽三联学院参加新建应用型本科高校 高质量发展大会·2023 年审核评估研讨会

2023 年 7 月 16 日，由衢州学院和浙闽赣皖四省边际应用型大学联盟联合举办的新建应用型本科高校高质量发展大会·2023 年审核评估研讨会在浙江省衢州市举行，来自全国近 100 所高校的 400 多位学者参加大会。安徽三联学院常务副校长江秀丽，党委副书记、副校长赵翀，副校长宋梦岚及相关负责人应邀参加。

与会专家们围绕“以本科教育教学审核评估为抓手，全面提高新时代立德树人成效”的主题，采用主旨报告、院士讲坛、经验交流、案例分享等方式，深入研讨应用型本科高校的发展建设和人才培养，

共建共享合作联盟，推动优势互补、协同发展。会上还举行了新建应用型本科高校 23 联盟成立仪式。

此次会议为学校高质量发展提供经验借鉴，同时为进一步推动学校审核评估工作拓展了思路，以新的视角、新的高度重新审视和探索高素质应用型人才培育和高质量应用型高校建设等一系列新时代高等教育核心问题。接下来，学校将充分发挥审核评估的推动作用，不断提高学校整体办学水平，为建设地方高水平应用型高校而不懈奋斗。

## 安徽三联学院副校长张树林当选 中国人类工效学学会副理事长

中国人类工效学学会 2023 年全国会员代表大会于 2023 年 8 月 26 日在北京召开，主要内容是听取并审议第七届理事会工作总结报告，选举学会新一届（第八届）理事会和常务理事会。经全体参会

理事投票表决，安徽三联学院副校长张树林、交通工程学院执行院长凤鹏飞分别以高票当选为中国人类工效学学会副理事长和理事。

中国人类工效学学会成立于 1989 年，接受教

## 中国人类工效学学会第八届理事会第一次全体会议

2023.8.26 北京

教育部和民政部的业务指导和监督管理，为国家一级学会和国内人类工效学专业的最高学术团体，以推动我国工效学人才培养、知识普及与推广、学术研究与创新、国内外专业交流与合作为己任。中国人类工效学学会下设 14 个专业技术分会和 1 个学会期刊，其中交通工效学分会和学会期刊挂靠安徽三联学院。交通工效学分会是中国人类工效学学会最早成立的一批分会，多年来，分会举办交通工效学院士论坛、国际研讨会、国内学术交流会等活动，受到业内广泛好评和强烈反响。人类工效学杂志作为学会唯一权威学术期刊，被浙江大学、东南大学等知名高校指定为职称评审论文资格期刊。期刊自

1995 年成立以来始终重视学术导向，坚持科学性、学术性、先进性、创新性，随着人类工效在各行各业的应用和影响越来越大，尤其在公路与水路运输、航空航天科学与工程、工业通用技术及设备等领域的应用不断深入，学术发展需求迫切，期刊论文质量也不断提升。

三联学院将以此为契机，不断扩大中国人类工效学交通工效分会的影响力，提升学校道路交通人因工程研究的社会服务能力，为地方经济建设贡献力量。

## 安徽三联学院举行 2023 年大学生西部计划志愿者出征仪式

2023 年 7 月 19 日，安徽三联学院 2023 年大学生西部计划志愿者出征仪式在图书馆 T518 会议室举行。副校长宋梦岚、傅炜出席仪式，学生处、校团委负责人和相关学院院长、团总支书记、辅导员及本年度西部计划志愿者参加。仪式由校团委书记李燕主持。

出征仪式上，校团委首先汇报了学校今年西部计划的招募情况。自本年度西部计划工作启动以来，校团委发动各级团组织积极宣传，经网上报名、笔试、面试、体检等环节，最终财会学院曹永安、姚永康，外语学院李露露、高荧，计算机工程学院桂武 5 名同学参加今年西部计划项目，分别前往新疆、

西藏、贵州、安徽等地开展为期1-3年的志愿服务工作。

志愿者代表桂武在会上发言，他用朴实的语言、真挚的情感表达了志愿者们对西部志愿奉献青春、建功立业的决心，表示将在今后的西部计划志愿服务工作中做到多问、多看、多做，在西部大地实现青春梦想，同时要坚守梦想、努力奋斗，发扬三联精神，在实践中锻炼自己，为西部的建设贡献自己的青春力量。

副校长傅炜代表学校为5名志愿者颁发了每人1000元慰问金。最后，宋梦岚副校长代表学校充分肯定了2023年西部计划志愿服务工作取得的成绩，高度赞扬5名志愿者的奉献精神，同时对志愿者们提出殷切期望：一是以理想为引领，让时代牵引青春的方向。把个人的理想追求对接国家和人民的需求，在西部志愿服务中丰富阅历、增长才干，让广大西部地区成为有理想抱负青年人成长成才、大有可为的广阔舞台。二是以奋斗为依托，让青春扎根广袤的西部。当前正处于推进西部大开发、推动乡村振兴等时期，广大青年人要担当时代责任、展现青春作为，把个人奋斗的“小目标”融入党和国家事业的“大蓝图”，将个人的选择与祖国的需要相结合，到祖国最需要的地方去。三是以责任和担当，让“青春之花”无尽芬芳。西部计划是广大

青年扎根基层的“第一堂实践课”，希望同学们传承“公益三联 大爱江淮”的志愿服务精神，只争朝夕，不负韶华，在服务人民、奉献社会中展现青春风采，让青春在为国家、为民族、为社会、为人民的不懈奋斗中绽放绚丽之花，散发无尽芬芳。

据悉，今年是西部计划实施的第20周年。长期以来，安徽三联学院把西部计划作为深化立德树人，培养学生爱国主义情怀、担当奉献精神和实现高质量就业的重要载体，不断深化政治内涵和特色品牌建设。现已逐步成为大学生思政教育的新阵地、志愿精神传承的新途径、实践育人的新载体以及就业择业的新舞台。

## 肥东县统战部领导莅临安徽合肥医药卫生学校新阶层实践创新基地督查指导工作

2023年8月14日上午，肥东县委统战部贾兵主任莅临安徽合肥医药卫生学校实地督查新阶层实践创新基地上半年活动开展及作用发挥情况。基地副会长胡军健、徐晶晶，秘书长司蓉全程陪同。

贾兵主任对学校“医新卫你”新阶层实践创新

基地的总体工作给予肯定，认为基地结合校情开展了一系列丰富多彩的活动，充分发挥了基地的桥梁纽带作用，把更多党外人士团结在党的周围，但也提出了需要进一步完善的方面，并对基地下一步工作提供了切实有效的指导建议。

司蓉秘书长代表基地进行工作汇报，学校新阶

层实践创新基地紧密围绕基地红新闪药、爱新奉献、医路同新三大活动品牌，打造红色家园、思政时光等六个活动平台，通过开展丰富多彩的活动，不断加强学校新阶层人士的认同感和组织归属感。

今后，安徽合肥医药卫生学校新阶层实践创新基地将继续完善基础建设，结合学校专业特色，更好地发挥基地效能，进一步履行社会责任，不断为办好新时代民办职业教育贡献智慧和力量。

## 青春心向党 奋进新征程

### ——安徽三联学院理论普及宣讲团赴六安市开展大学生暑期“三下乡”社会实践活动

为深入学习宣传贯彻党的二十大精神，全面贯彻习近平新时代中国特色社会主义思想，以实际行动全面建设社会主义现代化国家贡献青春力量，7月24日至30日，2023年暑期“三下乡”社会实践国家级重点团队——安徽三联学院“青春心向党·奋进新征程”理论普及宣讲团，在校团委的统一组织下赴六安市开展大学生暑期“三下乡”社会实践活动。

深入一线基层，传递理论之声。安徽三联学院理论普及宣讲团师生成员，先后来到金安区东市街道办事处、中市街道油坊巷社区、望城街道、安丰社区等地开展大小宣讲5场，宣讲普及800余人次。对不同职业、年龄的居民进行面对面宣讲交流和实地问卷调查，积极宣传习近平新时代中国特色社会主义思想和党的二十大精神。实践团队在各个社区、红色基地、商业街等地发放关于《学习贯彻党的二十大精神调查问卷》，团队共计发放问卷1000份，收回有效问卷957份。

寻访红色文化，感受红色历史。团队成员先后来到皖西烈士陵园、大别山革命纪念馆等红色革命教育基地。通过参观学习，团队成员深刻地体会到作为新时代的新青年，要坚定理想信念，树立报国志向，要有不怕吃苦、勇于拼搏、锐意进取的闯劲，要有无私奉献、为人民服务的担当，扛起当代青年身上的历史责任和时代使命。

学习红军精神，牢记使命担当。恰逢第96个八一建军节来临之际，宣讲团一行带着慰问品来到

老红军史涵林家中。已有90多岁高龄的史老先生，身体硬朗，精神矍铄，虽是耄耋之年，但他依然保持着军人的铁血本色。老人与宣讲团成员们亲切交谈，翻看老照片，一起追忆往昔，重温烽火岁月。

7月27日下午，安徽三联学院理论普及宣讲团现场座谈会在团六安市委会议室召开。共青团六安市委、金安区发改委、共青团金安区委主要领导出席会议，安徽三联学院团委一行及实践团队师生成员参加会议。

安徽三联学院团委书记李燕代表学校向地方政府表示感谢，并介绍了学校基本情况和社会实践宣讲团特色做法，要求团队成员将“三下乡”社会实践活动与习近平新时代中国特色社会主义思想主题教育相结合，在寻访红色文化中传承红色基因，在了解社情民情中坚定理想信念，在深入一线基层中传递理论之声。随后实践团队代表杨宇同学结合PPT详细介绍了“三下乡”社会实践活动的开展情

况。

共青团六安市委书记罗伟伟对宣讲团一行表示欢迎并肯定此次实践开展的重要意义，同时提出三点希望：一是要共同畅想“清澈的爱、只为中国”的时代强音；二是践行“请党放心、强国有我”的庄严承诺；三是突出“围绕中心、服务大局”的工作主线。最后对团金安区委提出相关要求，给予师生社会实践团队相应的保障。

此次暑期“三下乡”社会实践活动，安徽三联学院团委紧扣“青春心向党·奋进新征程”主题，结合学校特色，注重实学实干，将社会实践与理论宣讲有机融合，践行知行合一、深化学习成果，在磨练队员意志的基础上使宣讲团成员们在社会课堂中受教育、长才干、做贡献，在实践中学党史、强信念、跟党走，让党的二十大精神在基层落地生根。

## 推动乡村振兴 擘画美丽郑楼

### ——安徽三联学院国家级、省级暑期社会实践活动圆满结束

为全面贯彻习近平新时代中国特色社会主义思想，深入贯彻落实党的二十大精神，助力乡村振兴战略实施，安徽三联学院成功组建了安徽省暑期“三下乡”社会实践活动省级专项项目“推动乡村振兴，擘画美丽郑楼”安徽三联学院赴灵璧县郑楼村乡村振兴专项团、“星火传递”2023年全国大学生“乡村振兴”志愿服务团，赴灵璧县郑楼村开展为期8天的“乡村振兴”社会实践活动。活动得到了团灵璧县委、郑楼村党委等单位的大力支持。

2023年7月24日，校团委书记李燕代表学校前往灵璧县看望慰问学校社会实践团队师生，并参加在灵璧团县委“青创空间”召开的见面会。团县

委书记马学坤、农业发展银行负责人陈燎源出席会议，校团委副书记吴琦、团队指导教师朱悦、社会实践团队全员参加会议。会议由团县委副书记徐贵红主持。

马学坤书记对学校社会实践团队一行的到来表示热烈欢迎，并带领实践团队师生参观了青创空间的成果展示基地，介绍了当地的文化发展、产业建设、创新创业等工作开展情况，鼓励师生们多学习、多锻炼、多实践。随后，陈燎源着重就灵璧县的三农产业发展作了全面介绍。李燕代表学校对本次社会实践活动的支持单位表示感谢，并介绍了学校的基本情况和暑期社会实践工作的开展情况，同

时对实践团队师生提出要求，希望团队成员在实践过程中深入基层一线、结合专业所学，聚焦当地“产学研”一体化发展，切实肩负起服务乡村振兴战略的光荣使命。

奔赴美丽郑楼，深入乡村基层。实践队一行前往灵璧县渔沟镇郑楼村，期间一共走访慰问了28户人家，调研了近80位村民。了解到村民们的经济来源于农作物玉米、大豆、小麦的耕种，收成可观。在实践团队成员入户调研过程中，一位83岁有着50多年党龄的老人家王梦良感叹道：这几年乡村振兴战略是真的落到实处了，最直观的变化就是政府给他们家家户户门口都铺上了水泥地。访谈期间，实践团队成员们广泛宣传并鼓励村民们积极响应国家乡村振兴的战略政策，旨在为当地经济发展带来新的机遇和动力，通过实践和技能助力乡村振兴。

优化产业模式，帮扶村民就业。在实际走访调研期间，实践团队跟随当地的指导人员前往并参观了当地的产业园，产业园采用“合作社+种植大户+农户”的经营模式，实行统一规划设施、统一农资供应、统一技术标准、统一培训指导、统一营销发展。近几年来，农村合作社蔬菜、瓜果产业同步升级，加速崛起，村民获得“土地租金+工资+分红”三项收入，仅羊肚菌一项产业每年可提供就业岗位50余个，实现10人稳定就业。

慰问孤寡老人，传递公益爱心。实践队成员们

了解到公益岗是主要为那些无法稳定就业的村民老人提供一份简单的工作岗位，从而获得经济补贴。期间队员们也来到公益岗地点，为村民们发放了公益礼包，一同参与了打扫老年食堂的公益活动，同时在堂食时间里协助老年人打饭和增添餐饮。学生们说他们都设身处地地感受到了乡村建设者的友爱团结和善良。

追忆红色党史，传承希望之心。实践队员们前往中国灵璧奇石文化园了解学习当地著名文化载体——灵璧奇石，在展区里重温了灵璧县红色革命党史和民俗文化，同时开展了丰富多彩的兴趣班和科普知识讲堂，在小朋友的心中埋下一颗乡村振兴的种子，更好地帮助提高了小朋友们的动手和思维能力。此次实践团队通过参观学习、实地走访、入户调研、互动宣讲等方式将理论知识与实践充分结合，深入社会、贴近基层，在实践中受教育、长才干、做贡献。

自2018年以来，三联学院持续稳步推进与灵璧团县委合作开展大学生暑期“三下乡”暑假社会实践活动。到目前为止，双方深入交流并已成功组建了1支国家级、4支省级和10余支校级重点实践团队。学校赴灵璧县社会实践团队的规模也逐步扩大，在一批又一批实践团的基础上充分学习领会稳扎稳打，进一步深入挖掘优化灵璧地方特色和发展亮点，让团队成员在基层实践中开展教育、增长才干、建言献策。

“下水方知水深，探索真理靠实践。”立足于新时代新征程的历史转折点，青年一代在乡村振兴事业中发挥着大有可为的作用，肩负着不可或缺的时代担当与历史使命。青春正当时，奋发有为志。专项团的成员们坚定信念、一心向党，听党话、跟党走，在学习贯彻习近平新时代中国特色社会主义思想中把牢青春航向，以实际行动和优异成绩积极响应党的二十大，做有理想、有担当的青年。

## 安徽三联学院党委召开主题教育调研成果交流会

2023年7月13日，安徽三联学院党委在图书馆412会议室召开主题教育调研成果交流会，总结调研工作，交流调研成果，研讨典型案例，研究对策办法。省委教育工委主题教育领导小组办公室第二联络组派员到会指导。省教育督导专员、校党委书记、主题教育领导小组组长王光虎主持会议并作总结讲话。学校党委班子成员、党员校级领导参加会议。

会上，王光虎、赵翀、蔡文芬分别围绕“影响和制约民办高校基层党组织两个功能有效发挥的主要因素及改进措施”“主题班会质量评价对高校意识形态阵地建设水平提升的影响”“以一流专业课程建设为抓手，深化教育教学综合改革，推动学校高质量发展”等主题作了交流发言，并提出有针对性的思路举措和对策建议。大家在发言中，还围绕

学校党委确定的正面典型案例“以师德师风建设强化年为契机，着力构建师德师风建设长效机制”和反面典型案例“学校部分基层党支部存在联合或超大现象”，深思教训启示，评估工作成效，检视差距不足，提出持续推进落实和改进提高的新办法、新举措。

会议研究审定了学校调研成果转化应用清单。

省委教育工委主题教育领导小组办公室第二联络组充分肯定了学校调查研究工作取得的成果，对深化调研成果转化运用和暑假期间开展主题教育等方面作出了指导和要求。

王光虎在总结讲话中指出，学校党委大兴调查研究之风，聚焦学校发展所需、改革所急、基层所盼、师生所忧，深入开展主题教育调研工作，取得了预期的成效。要坚持把调查研究作为开展工作的基本能力，坚持把调查研究的结果作为谋划工作的基本依据，坚持把持续深入开展调查研究作为改进作风的重要抓手，坚持把能否有力推动学校事业高质量发展，作为调研成果转化运用取得实际成效的检验标准，让调查研究成为工作习惯，和本职工作结合起来、与学校各项事业高质量发展紧密结合起来，切实以高质量调查研究推动主题教育走深走实。

## 安徽合肥医药卫生学校党员参加省红十字会庆祝中国共产党成立102周年暨“两优一先”表彰会

近日，安徽省红十字会召开庆祝中国共产党成立102周年暨“两优一先”表彰会。省红十字会党

组书记、常务副会长张青出席会议并讲话，党组成员、秘书长曹芦松出席会议。安徽合肥医药卫生学

校和省红十字会机关及直属、管理单位党员参加会议。会议由省红十字会专职副监事长、机关党委专职副书记、机关纪委书记姚卫东主持。

会上，曹芦松宣读了《关于表彰省红十字会优秀共产党员、优秀党务工作者和先进基层党组织的决定》，并对学校优秀共产党员、优秀党务工作者、先进基层党组织进行了表彰，荣获先进基层党组织代表和优秀共产党员代表分别作了交流发言。安徽合肥医药卫生学校党总支荣获先进基层党组织荣誉称号。

张青代表会党组对受表彰的集体和个人表示祝贺，向党员同志致以节日问候。他指出，回顾党的历史，心潮澎湃，倍感自豪，102年的历史巨变充分证明，没有共产党就没有新中国，没有党的领导就没有中国的富强和中华民族的伟大复兴，中国共产党不愧是伟大、光荣、正确的党。

会议强调，党的二十大报告深刻指出，全面建设社会主义现代化国家、全面推进中华民族伟大复兴，关键在党，全党必须牢记，全面从严治党永远在路上，党的自我革命永远在路上，绝不能有松劲歇脚、疲劳厌战的情绪，必须持之以恒推进全面从严治党，深入推进新时代党的建设新的伟大工程，以党的自我革命引领社会革命。省红十字会各级党组织要进一步强化党建引领、深入推进全面从严治

党向纵深发展，具体要做到五个统筹，要强化政治统领和思想引领；要增强政治功能和组织功能；要持续纠治“四风”和弘扬新风；要坚持系统施治和标本兼治；要压实主体责任和监督责任。

会议要求，全体党员要坚定拥护“两个确立”、坚决做到“两个维护”，把学习贯彻习近平新时代中国特色社会主义思想主题教育作为当前和今后一个时期首要政治任务，坚持学思用贯通、知信行统一，把习近平新时代中国特色社会主义思想转化为坚定理想、锤炼党性和指导实践、推动工作的强大力量。要见贤思齐，向先进典型学习，把抓任务落实作为检验党组织政治功能和组织功能的“试金石”“磨刀石”，认真进行半年工作盘点，做到任务分解到岗、责任落实到人，确保年度各项目标任务如期完成。要大力弘扬伟大建党精神，忠诚尽职、奋勇争先，扎实推动全面从严治党向纵深发展，以党建强引领发展强，奋力谱写全省红十字事业发展新篇章。

安徽医药卫生学校荣获“两优一先”党员备受鼓舞，纷纷表示要继续锤炼坚强党性，忠诚履职尽责，更好地发挥基层党组织战斗堡垒作用和共产党员先锋模范作用。

# 同舟共济扬帆起 乘风破浪万里航

——记安徽三联集团 2022 年度先进集体、安徽三联交通应用技术股份有限公司开发部“162 号部令系统迭代升级”项目组

令系统迭代升级”要求，统一管理平台架构及接口服务、完成了科目二 C6 的上线，顺利通过无锡所系统检测。同时完成基于海光 5280 芯片及银河麒麟国产化操作系统部署。经过不断努力，项目组能够更加清晰地了解和应对客户提出的问题，准确把握

无论处于什么样的环境，都要以奋斗作为青春底色，创造属于自己的人生精彩！这是青春的号角，也是开发部“162 号部令系统迭代升级”项目组成员工作的真实写照。他们是不畏困难、努力拼搏、不计个人得失的一支团队；他们是长期奋斗在工作一线、永不言退、斗志昂扬的一支团队；他们用自己的信仰和精神谱写了属于自己的绚丽篇章。他们就是安徽三联交通应用技术股份有限公司开发部“162 号部令系统迭代升级”项目组。

2022 年，在公司领导的正确指导下，项目组全体成员团结协作、开拓进取，保质保量完成了全年各项任务，承担并开展科目考试系统升级工作任务 3 项、驾驶人考试监管项目任务 4 项、摩托车考试系统任务 5 项、系统维护升级任务 2 项及军交运输战略保障体系子课题任务。他们用过硬的业绩不断创造一个又一个奇迹，用拼搏和汗水浇灌着三联交通大业的一方沃土。

2022 年是项目组值得庆贺、值得回望、值得铭记于心的一年。一年来，项目组围绕“162 号部

握客户需求，构建优良客户沟通渠道，逐渐赢得客户的信赖，为三联交通树立了良好的企业形象。

驾驶人考试监管项目工作同样亮点频出，项目组技术人员分担负责，完成了广西、贵州、广东多地支队多伦、精英监管平台的接入，山西运城、河南鹤壁公司监管项目的建设和江西、内蒙、广西、青海监管项目的维护，为三联交通在行业内树立良好的品牌形象和市场口碑提供了强有力的保障。

在疫情反复、项目周期延长、工作任务并行、人员不足的情况下，他们迎难而上，项目开展期间更是日夜奋战在一线，不眠不休、全力拼搏，顺利完成了无锡所发文新架构下的系统检测任务，同时依据新驾考部令文件，完成老系统合码器软件的升级及软合成系统的维护，完美诠释了三联交通员工不畏艰险、锲而不舍的拼搏精神。

无论是现在还是将来，三联交通公司开发部项目组团队从来都不畏酷暑和严寒，勇于担当和奉献。相信这个团队必将继续知难而进、无往不利、所向披靡、再铸辉煌！（撰稿：交通公司\阮玲）

出生于1989年的他，既有80后的成熟、稳重，又具备90后的敢想、敢拼、敢闯。正是这些特质，让他带领着团队在项目研发中攻坚克难、闯关夺隘，不断取得新突破，为公司发展保驾护航。入职十年来，他始终立足本职岗位，刻苦钻研技术，勇挑工作重担，兢兢业业、脚踏实地地做好每一项工作，曾多次获得公司先进个人以及集团先进个人。他，就是安徽三联交通应用技术股份有限公司开发部项目组长张跃。

## “Forum on Human Factors Engineering Management for Sustainable Transportation Safety” was Successfully Held in Beijing

On May 7, 2023, the “Forum on Human Factors Engineering Management for Sustainable Transportation Safety” was successfully held in Beijing. The forum was hosted by the Department of Engineering Management of the Chinese Academy of Engineering, organized by the National Vehicle Driving Safety Engineering and Technology Research Center and the Institute of Human Factors Engineering and Intelligent Interaction of Tsinghua University, and co-organized by Chinese Ergonomics Society, National Key Laboratory of Human Factors Engineering, and Anhui Sanlian University.

The forum was presided over by academician Sun Yongfu, chairman of the conference, Fu Zhihuan, Wang Liheng, Lu Chunfang, Tian Hongqi, He Huawu, Hu Wenrui, Zhou Jianping, Chen Xuedong, Lin Ming, Wang Zili and other 11 academicians, Tsinghua University, Wuhan University of Science and Technology, Civil Aviation University of China, the Ministry of

Transportation and Highway Research Institute of the relevant systems, a total of more than 60 experts and scholars to participate in the meeting.

Academician Lu Chunfang, Director of the Engineering Management Department of the Chinese Academy of Engineering, and Professor Yu Wansheng, Deputy Director of the Academic Committee of the National Vehicle Driving Safety Engineering and Technology Research Center, delivered speeches at the opening ceremony, and experts such as Jin Huiqing, Shen Ruiyuan, Zhang Di, Wang Lei, and Zhang Wei made special reports respectively. The development of sustainable transportation is an important initiative to practice Chinese modernization, traffic safety is the primary goal of sustainable development of transportation, experts and scholars attending the meeting around the human factors engineering and its development in the field of road traffic, railroad traffic, air traffic, waterway traffic, focusing on the “human factors engineering of traffic safety” to express their

views, speak freely.

Academician Sun Yongfu pointed out in his conclusion that this forum brings together four modes of transportation, road, railway, water transport and civil aviation, and for the first time, with the vision of big transportation, it elaborates the research progress and application achievements of human factors engineering in transportation safety from human physiology–psychology–behavior–control multilevel, and from theory–technology–engineering – application multi–

dimension, to elaborate the research progress and application results of traffic safety human factors engineering, and to deepen the understanding of human factors engineering. Holding this forum is conducive to promoting universities, scientific research and industry to attach great importance to human factors engineering research, promoting the formation of traffic safety human factors engineering research network system, and playing an important role in promoting China’ s traffic safety and sustainable transportation development.

## **Prof. Jin Huiqing, an Internationally Renowned Road Traffic Safety and Human Factors Engineering Expert, Won the Fifth Arakaki Award**

In July 2023, Professor Jin Huiqing, an Internationally Renowned Road Traffic Safety and Human Factors Engineering Expert went to Japan to receive the fifth Arakaki Prize from the Foundation for the Promotion of Social Medicine, a general consortium. Professor Takeshi Tanigawa of the Department of Public Health, Juntendo University, an internationally renowned medical expert and chairman of the foundation, personally presented the award to him in recognition of Jin Huiqing’ s significant achievements in the field of social medicine.

It is reported that the Arakaki Award is funded by Prof. Shunichi Arakaki of the Department of Public (Public) Health, Faculty of Medicine, The University of Tokyo, Japan, and is awarded as the highest prize to the person with the most outstanding achievements in the field of social medicine. Professor Jin Huiqing, as

an internationally renowned accident prevention expert, and “China’ s first comprehensive traffic accident research” , has been dedicated to traffic accident prevention research for more than 30 years. This award is a full affirmation of his research achievements and will further promote the development of China’ s traffic accident prevention.

## Deepening School-Enterprise Cooperation and Practicing Industry-Education Integration

—Leaders of Anhui Sanlian University Lead Team Visit and Investigate Enterprises

In order to further deepen Industry-Education Integration and strengthen the communication and contact with enterprises, from August 8 to 9, 2023, Cai Wenfen, Vice President of Anhui Sanlian University, led the relevant personnel of School of Economics and Management, School of Robotics Engineering, School of Foreign Studies, and Academic Affairs Office to visit and research Shenzhen Wanshi Xingchen Technology Co. Ltd., Hefei Chuangqu Electronic Technology Co., LTD., Valley Of Science And Technology Of China Development Co., LTD., Anhui Kaifuyou International Freight forwarders Co., LTD and took the opportunity to visit the students in the enterprise internship and employment.

Cai Wenfen visited the product exhibition halls of enterprises and students' internship working environment, understood the enterprise culture, development prospect and talent demand in all aspects, condoled the students who were employed and interned in enterprises, and expressed her gratitude to several enterprises for their long-term care and support to the school. At the symposium, the two sides exchanged views on talent demand, internship and employment as well as industry-university-research cooperation. Cai Wenfen introduced the basic situation of Anhui Sanlian University in professional construction, talent cultivation, social service, etc., emphasized the

significance of this visit and research, listened carefully to the opinions and suggestions of employers and graduates on talent cultivation of the school, and hoped that the two sides would further deepen the cooperation in talent cultivation, scientific research, faculty co-construction, service to the local area, etc. on the basis of the good cooperation in the past.

The summer visit to enterprises has effectively promoted the in-depth exchanges and cooperation between schools and enterprises. Both schools and enterprises will seek greater cooperation space in collaborative education, improving the quality of talent training and promoting high-quality internship and employment of students, and jointly create a new situation of win-win cooperation.

## Sanlian Applied Traffic Company was Invited to Participate in the Seminar on the Practice and Exploration of Technology-assisted Road Traffic Safety Refinement and Release of Management and Service

On July 12, 2023, sponsored by the China Road Safety Association, “science and technology to help road traffic safety and fine governance and release of management and service work practice and exploration seminar” (hereinafter referred to as the seminar) was held in Putian City, Fujian Province. Chen Wenrong, Vice Mayor of Putian Municipal People’s Government and Director of Public Security Bureau, Yuan Lei, Secretary General of China Road Traffic Safety Association, and Wang Xiaodong, Deputy Chief of Traffic Police Headquarters of Fujian Provincial Public Security Department attended the meeting and delivered speeches.

Sanlian Applied Traffic Company, as a leading enterprise in road traffic safety industry technology, was invited to attend this seminar. On behalf of the company, Chairman Wang Jiangbo delivered a keynote speech on “Practice and Exploration of Deepening Vehicle and Driving Management Services Relying on Technology

Upgrade”, sharing Sanlian’s practice and exploration in strengthening supervision and management and extending decentralized services in the field of vehicle and driving management with industry leaders and experts focusing on the deepening of the “streamline administration and delegate power, improve regulation, and upgrade services” reform of the Ministry of Public Security’s Traffic Control. Introducing point cloud imaging, big data analysis, image and video algorithms and other new technologies to strengthen supervision and management and extend decentralized services in the field of Vehicle and Driving Management, and exchanging with industry leaders and experts on the refined management of traffic safety and the practice of releasing services to jointly explore new methods of road traffic management.

This seminar mainly focuses on the “streamline administration and delegate power, improve regulation, and upgrade services” of the core objectives of traffic

management, taking the form of a combination of online and offline, arranged for field visits and research and expert in-depth discussion of the two links. Seminar site, the Ministry of Public Security Road Traffic Safety Research Center Traffic Control Technology Research Department Director Qiu Hongtong, Prof. Wang Xuesong, School of Transportation of Tongji University, the Ministry of Public Security Road Traffic Safety Research Center Traffic Safety Propaganda and Education Research Department in charge of Zhu Jian'an and other authoritative experts around the intelligent transportation, traffic management, traffic safety and other content of the keynote speech to enhance the national traffic management science and technology informatization construction of the exchange of experience, to help improve the traffic management and refinement of the management and control of

large" core objectives. Help to improve the traffic management and "reduce the amount of control" level of work.

In the future, Sanlian Applied Traffic Company will continue to follow the industry closely, based on the main industry, relying on new technologies and open thinking to join hands with industry colleagues to jointly promote the iterative upgrading of technology, promote the deepening of the reform of the public security and traffic control "streamline administration and delegate power, improve regulation, and upgrade services" and practice, and promote the development of the intelligent transportation industry.

## Technology Empowers Driving Training and Creates an AI Driving School

——Sanlian Taike Driving School was Invited to Participate in the Program "Voice of Driving Training"

On July 12, 2023, Dong Xianxin, General Manager of Hefei Sanlian Taike Driver Training Co., LTD (hereinafter referred to as Sanlian Taike Driving School), as a representative of the Top 100 Driving Schools in Anhui Province, was invited to participate in the "Voice of Driving Training" program of the Voice of Anhui Highway, which is jointly organized by the Union of 100 Brand Driving Schools of Anhui Province and the Anhui Broadcasting Television Station.

The program adopted the form of live broadcast to interview General Manager Dong Xianxin. During the interview, Mr. Dong Xianxin shared the original

intention and business philosophy of Sanlian Taike Driving School around the theme of "Technology empowers driving training and Creates an AI Driving School". Mr. Dong said in the interview, "Sanlian Taike Driving School was established in September 2022, and the word 'Taike' shows our original intention of running the school. Tai, taken from the Chinese peace and prosperity, is the hope that the traffic is safer, reduce and avoid traffic accidents; Ke, taken from the scientific and technological research, represents the new technology and new methods, the use of cutting-edge science and technology to empower the

driver training industry, to explore new training modes, to enhance the awareness of traffic safety of the students in the driving school, to prevent and reduce road traffic accidents from the source, and to build a firm first line of security for traffic travel. Making transportation safer, this is our original intention, but also is the mission of our enterprise” .

As a wholly-owned subsidiary of Anhui Sanlian Applied Traffic Technology Co., Ltd, Sanlian Taike Driving School relies on the parent company’ s years of scientific research results, empowering the driver training industry, is the parent company in the field of driver training technology iterative and model innovation on a more in-depth exploration and practice. November 2021 to complete the industrial and commercial registration, 20 September 2022 in Hefei City, the Transportation Bureau through the record, is a three-level driving school, with training C1, C2 model training qualification. The purpose of Sanlian Taike

Driving School is not only to let students master driving skills, but also to cultivate students to develop an active awareness of traffic safety and master more emergency skills. In the practical session, Sanlian Taike Driving School has established a complete set of data analysis system, which analyzes the driving skills of each student’ s big data, develops personalized teaching programs, and improves the comprehensive driving skills of the students. Let each student is not only a qualified driver, but also a practitioner of safe driving.

In the future, Sanlian Applied Traffic Company will strive to fulfill its corporate mission, focus on the first line of safety defense for traffic travel, continue technology iteration and application innovation, provide more reliable and perfect solutions for driver training and assessment, and contribute to the development of road traffic safety.

## Anhui Sanlian University and Hefei University of Technology Co-Hosted the Successful Academic Meeting of the Transportation Branch of the Chinese Association for Mental Health

In August 2023, the Academic and Application Exchange Conference on “Smart Driving and Safety – Driver Information Perception and Driving Safety in the Context of Intelligent Network Linkage”, which was jointly organized by Anhui Sanlian University and Hefei University of Technology, was successfully held in Hefei University of Technology. The conference aims to further explore and improve the theory and application technology of driver information in the context of intelligent network connection from the perspective of multidisciplinary intersection. Mr. Zhang Shulin, Vice President of Anhui Sanlian University, Mr. Feng Pengfei, Executive Dean of School of Transportation Engineering, and relevant teachers attended the meeting.

Yan Fuping, Deputy Secretary of the Party Committee of Hefei University of Technology, and Gao Jianlin, vice President of Nantong University and Chairman of the 8th Committee of the Transportation Branch of the Chinese Association for Mental Health, made opening speeches respectively, and agreed that this Academic and Application Exchange Meeting of

the Transportation Branch of the Chinese Association for Mental Health is a good opportunity to promote the exchange of research on the fusion of psychology, human factors engineering and transportation and to set up a platform for cross-disciplinary discussions in multiple fields and disciplines, which will allow more scholars to have more opportunities to participate in this cross-fertilization of academic research and create more research results.

The academic conference is divided into two stages. In the academic seminar, representatives from Nantong University, Tsinghua University, Beijing University of Technology, Hunan University, Hefei University of Technology, Liaoning Normal University, Research Institute of Highway Ministry of Transport and other institutions of higher learning and research institutions reported and exchanged information on the contents of psychological perception of traffic, traffic human factors, traffic behavior, traffic safety simulation and so on. Zhang Shulin, on behalf of Anhui Sanlian University, reported the applied research results of road traffic safety human factors engineering, especially in the driving adaptability, driving safety simulation, future safe driving behavior technology guarantee to ensure that the content of the wonderful sharing, and fully exchanged and discussed with the participating scholars. At the same time, the seminar also added a traffic safety doctoral seminar, nearly ten doctors from domestic universities shared their research results.

In the stage of investigation and exchange, the leaders and scholars went to the National Vehicle Driving Safety Engineering and Technology Research Center for investigation and exchange. The delegates learned in detail about the theory of “three lines of defense” and the comprehensive prevention and control methods of road traffic accidents, and observed on-site the company’s “Internet +” motor vehicle driver examination system, VR motor vehicle driving simulation system, “E Huitong” Intelligent Vehicle Management Platform, “Yuhua” Intelligent Traffic Signal Control System and other series of R & D achievements, and conducted in-depth exchanges with

the engineering center personnel on technical research details. Mr. Dai Jiajun, Chairman of the Transportation Branch of China Mental Health Association, expressed his willingness to strengthen communication and cooperation.

The co-hosted academic and application exchange meeting not only enhanced the communication between traffic safety and different subject areas, but also further expanded the influence of Anhui Sanlian University in road traffic human factors engineering research.

In the keynote speech, Prof. Xu Zonghua, with the title of “Thoughts on the Cultivation of Intercultural Competence”, started from the definition of “intercultural competence” in the National Standard and the guiding documents, explored the path of cultivating intercultural competence, and pointed out that differentiating different levels of intercultural activities and adopting various modes of collaborative education are the necessary way to cultivate students’ intercultural competence.

With the topic of “Challenges and Opportunities for Japanese Language Majors in the New Situation”, Prof. Liu Xiaofang started from the difficulties and solutions for the construction and development of Japanese language majors in the context of new liberal arts, paid attention to the pressure of scientific research and personal development of the front-line teachers, emphasized the urgency of the reform of Japanese language teaching. They discussed the future of Japanese language program construction and talent cultivation in comprehensive universities and put forward a lot of valuable suggestions.

The reports of the two invited experts are high level and in-depth, which play a guiding role in revising and perfecting the talent cultivation program, reconstructing the curriculum system and optimizing the teaching content of the schools, and guide the direction of the development of Japanese language education and teaching in Anhui Province.

In the experience-sharing session, five institutions, including Anhui University of Science and Technology, Anhui University, Anhui Agricultural University, Anhui

International Studies University and Wuhu Institute of Technology, exchanged the basic situation of their Japanese language majors in terms of faculty, enrollment scale, talent cultivation and international exchanges, and shared their characteristic practices in discipline construction and teaching reform. At the same time, they exchanged in-depth information on the difficulties and challenges facing the development of the program and the countermeasures to seek breakthroughs.

In the open class demonstration session, six institutions, including Anhui Normal University, Huaibei Normal University, Anhui Sanlian University, Hefei Normal University, Anhui University, Anhui Agricultural University and so on, made lectures, which fully embodied the cultivation of students’ discursive thinking, critical thinking and innovation ability, the innovative use of online and offline blended teaching mode and evaluation methods in the age of informatization, as well as the method of practical teaching and integration of course civics and politics.

Hu Baoqin, Vice President of Hefei Sanlian Education Consulting Co., Ltd. shared the current situation of Japanese language students’ counterpart employment rate, the survey of Japanese language majors and graduates, and feedback from employers, emphasized the necessity of strengthening the guidance of freshmen’s career planning, and the importance of the cultivation of students’ comprehensive application ability, and dissected the internal logic of improving the counterpart employment rate of Japanese language majors and solving the bottlenecks of the current development of the majors.

Vice President Tang Qianyou reviewed the development of the Research Society since its establishment in 2018, introduced the organizational

structure of the Research Society and the principle of adding members. Tang Qianyou expressed his gratitude to the leaders and teachers at all levels of Sanlian University for their strong support for the work of the Research Society, and spoke highly of the conference affairs and volunteer work of this meeting. He pointed out that the schedule of this annual meeting was compact, reasonable, efficient and fruitful, with high-level guidance from experts in the field, exchange and discussion of front-line teachers and display of teaching practice, as well as sharing of experience on internship

and employment by lay education consulting firms, and the content of the annual meeting was better suited to the reality of Japanese language research in Anhui Province. He emphasized that the Association should adapt to the new situation and actively explore the road of transformation and development.

After consideration by the Standing Council, the current Research Society newly added 1 Deputy Secretary-General, 5 executive directors, 21 members.

## **Zhang Shulin, Vice President of Anhui Sanlian University, was Elected Vice President of Chinese Ergonomics Society**

The 2023 National General Meeting of the Chinese Ergonomics Society was held in Beijing on August 26, 2023, mainly to listen to and consider the summary report of the work of the 7th Council, and to elect the new (8th) Council and Executive Council of the Society. After the vote of all participating council members, Zhang Shulin, Vice President of Anhui Sanlian University, and Feng Pengfei, Executive Dean of the School of Transportation Engineering, were elected as Vice President and Council Member of the Chinese Ergonomics Society with high votes, respectively.

Founded in 1989, the Chinese Ergonomics Society accepts the business guidance and supervision and management from the Ministry of Education and the Ministry of Civil Affairs, and is a national-level society and the highest academic organization in the domestic ergonomics profession, with the mission to promote the cultivation of ergonomics talents, popularization and promotion of knowledge, academic research and innovation, and domestic and international professional exchanges and cooperation. The Chinese Ergonomics Society has 14 professional and technical chapters and

one journal, of which the Transportation Ergonomics Chapter and the journal are affiliated with Anhui Sanlian University. The Transportation Ergonomics Branch is the earliest group of branches established by Chinese Ergonomics Society. Over the years, the Branch has organized the Transportation Ergonomics Fellows' Forum, International Symposium, Domestic Academic Exchanges and other activities, which have been widely praised and strongly responded by the industry. As the only authoritative academic journal of the Society, Ergonomics Journal has been designated by Zhejiang University, Southeast University, and other famous universities as the qualification journal for title evaluation. Since its establishment in 1995, the journal has always attached importance to academic orientation, adhering to scientific, academic, advanced

and innovative. With the increasing application and influence of ergonomics in all walks of life, especially in the fields of highway and waterway transportation, aerospace science and engineering, and industrial general technology and equipment, the academic development needs are urgent, and the quality of journal papers has been continuously upgraded.

Anhui Sanlian University will take this opportunity

to expand the influence of the Traffic Ergonomics Branch of Chinese Ergonomics Society, enhance the university's social service capability of road traffic ergonomics research, and contribute to the construction of the local economy.

## Anhui Sanlian University Held a Ceremony for the Departure of Volunteers for the 2023 China's Far West Program

On July 19, 2023, Anhui Sanlian University 2023 China's Far West Program Departure Ceremony was held in T518 Conference Room of the Library. Vice President Song Menglan and Fu Wei attended the ceremony, and the persons in charge of the Student Affairs Office, the University Youth League Committee and the deans of the relevant Schools, the secretaries of the general branch of the League, the counselors and the volunteers of this year's China's Far West Program attended the ceremony. The ceremony was presided over by Li Yan, secretary of the Youth League Committee.

At the departure ceremony, the Youth League Committee firstly reported the recruitment situation of this year's China's Far West Program of the school. Since the launch of this year's China's Far West Program, the Youth League Committee mobilized all levels of organizations to actively publicize, after online registration, written tests, interviews, physical examination and other links, and finally the School of Finance and Accounting, Cao Yongan, Yao Yongkang, School of Foreign Studies, Li Lulu, Gao Ying, School of Computer Engineering, Gui Wu, five students to participate in this year's China's Far West Program,

respectively, to go to Xinjiang, Tibet, Guizhou, Anhui and other places to carry out a period of one–three years of voluntary service work.

Volunteer representative Gui Wu spoke at the meeting, he used simple language, sincere emotions to express the volunteers' determination to dedicate youth to the west volunteers and build a career, saying that they will do more questions, see more, do more in the future volunteer work of the China's Far West Program to realize their youthful dreams in the west land, and at the same time, they should hold on to their dreams, work hard, carry forward the spirit of ASU and exercise themselves in practice, and contribute to

the construction of the west. We will contribute to the construction of the west by practicing ourselves in the spirit of ASU and contributing our youthful strength.

On behalf of the university, Vice President Fu Wei awarded each of the five volunteers with 1000 yuan of condolence money. Finally, on behalf of the university, Vice President Song Menglan fully affirmed the achievements of the 2023 China's Far West Program, highly praised the dedication of the five volunteers, and at the same time put forward ardent expectations for the volunteers: The first is to lead the ideal, so that the era traction the direction of youth. The pursuit of personal ideals to meet the needs of the country and the people, in the China's Far West volunteer service to enrich experience, increase ability, so that the vast west region has become a broad stage for young people with ideals and aspirations to grow into talents, promising. The second is to struggle as a basis, so that youth rooted in the vast west. Currently in the period of promoting the development of the west region and the revitalization of the countryside, the majority of young people should take up the responsibility of the times, show their youthfulness, integrate their personal struggles into the "small goals" of the Party and the cause of the country's "big blueprint", and combine their personal choices with the needs of the motherland, and go to the places where the motherland needs them most.

Thirdly, with responsibility and commitment, the "flower of youth" will be endlessly fragrant. China's Far West Program is the "first practical lesson" for young people to take root at the grassroots level. I hope that the students will carry on the spirit of volunteer service of "Students of Anhui Sanlian University do public welfare actions, and great love is full of Jianghuai", strive for the future, live up to their youthful days, show their youthful style in serving the people and contributing to the society, and let their youth blossom in the unremitting struggles for the country, the nation, the society and the people, and emit endless fragrance.

It is reported that this year is the 20th anniversary of the implementation of the China's Far West Program. For a long time, Anhui Sanlian University has taken the China's Far West Program as an important carrier to deepen the cultivation of moral education, cultivate students' patriotism, the spirit of commitment and dedication, and realize high-quality employment, and continuously deepen the political connotation and characteristic brand construction. Now it has gradually become a new position for the ideological education of university students, a new way to inherit the spirit of volunteerism, a new carrier for practical education and a new stage for employment and career choice.

## Following the Party wholeheartedly with the Dream of Youth, and Striving for a New Journey

—Anhui Sanlian University Theory Popularization Lecture Group Goes to Lu'an City to Carry Out Summer Social Practice Activities of "Volunteer Activities for the Country People"

In order to deeply implement the spirit of the 20th CPC National Congress, fully implement the Xin Jinping Thought on Socialism with Chinese Characteristics for a New Era, and contribute youth to the comprehensive

construction of a modern socialist country with practical actions, from July 24th to 30th, the national team of 2023 "Volunteer Activities for the Country People" social summer practice – Anhui Sanlian University

“Following the Party wholeheartedly with the Dream of Youth, and Striving for a New Journey” theory publicizing group, under the unified organization of Youth League Committee of ASU, went to Lu’ an to carry out university students “Volunteer Activities for the Country People” social practice.

Going deep into the grassroots, delivering the voice of theory. Teachers and students of Anhui Sanlian University Theory Popularization Lecture Troupe have come to Dongshi Street Office of Jin’ an District, Youfang Lane Community of Zhongshi Street, Wangcheng Street and Anfeng Community to carry out 5 large and small lectures and popularize the theory for more than 800 times. Face-to-face preaching exchanges and field questionnaire surveys were conducted for residents of different occupations and ages to actively publicize Xi Jinping’ s thought of socialism with Chinese characteristics in the new era and the spirit of the 20th Party Congress. The team distributed questionnaires on “Learning and Implementing the Spirit of the 20th CPC National Congress” in various communities, red bases, commercial streets, etc. The team distributed a total of 1,000 questionnaires, and recovered 957 valid questionnaires.

Searching for red culture, feeling red history. Team members have come to the West Anhui Martyrs’ Cemetery, Dabie Mountain Revolutionary Memorial Hall and other red revolutionary education bases. Through the visit and study, the team members deeply realized that as the new youth in the new era, they should be firm in their ideals and beliefs, set up the ambition to serve the country, have the courage to be unafraid of hardship, the courage to work hard and be enterprising, and have the responsibility of selfless dedication and service to the people, and carry the historical responsibility and

mission of the times on the contemporary youth.

Learn the spirit of the Red Army, remember the mission to bear. Coinciding with the 96th August 1st Army Day, the preaching group came to the old Red Army Shi Hanlin’ s home with condolences. Has more than 90 years old Mr. Shi, strong body, hale and hearty, although it is the oldest, but he still maintains the iron blood of the soldiers. The old man and the members of the Mission talked cordially, looking through the old photos, together with the memory of the past, relive the beacon years.

In the afternoon of July 27th, the on-site symposium of Anhui Sanlian University Theory Popularization Mission was held in the conference room of Lu’ an Municipal Committee of the Communist Youth League. The main leaders of Lu’ an Municipal Committee of Communist Youth League, Jin’ an District Development and Reform Commission, and Jin’ an District Committee of Communist Youth League attended the meeting, and the delegation of Anhui Sanlian University and the teachers and students of the practice team attended the meeting.

Li Yan, secretary of the Youth League Committee of Anhui Sanlian University, thanked the local government on behalf of the school, introduced the basic situation of the school and the characteristics of the social practice

mission, and asked the team members to combine the “Volunteer Activities for the Country People” social practice activities with the theme of Xi Jinping thought of socialism with Chinese characteristics in the new era, to pass on the red gene in the search for red culture, to strengthen the ideals and beliefs in understanding the social situation of the people, and to convey the voice of theory at the grassroots level. Afterwards, Yang Yu, the representative of the practice team, introduced in detail the implementation of the “Volunteer Activities for the Country People” social practice activities with the PPT.

Luo Weiwei, secretary of the Communist Youth League Municipal Committee of Lu’ an, welcomed the delegation and affirmed the significance of the practice, and put forward three hopes: First, we should jointly think of the strong voice of the times of “clear love, only for China” ; Second, we should practice the solemn commitment of “please rest assured that the party, the strong country has me” ; third, we should highlight

the work line of “centering on the center, serving the situation” . Finally, the Jinan District Committee put forward relevant requirements to give teachers and students social practice team corresponding protection.

The summer “Volunteer Activities for the Country People” social practice activities, Anhui Sanlian University Youth League Committee closely focus on the “youth heart to the party – into the new journey” theme, combined with the characteristics of the school, focusing on practical learning and practical work, will be the organic fusion of social practice and theoretical preaching, practicing the unity of knowledge and deepening the results of the study. On the basis of honing the will of the members, the members of the delegation will be educated, grow their talents and make contributions in the social classroom, learn the history of the Party, strengthen their beliefs and follow the Party in practice, so that the spirit of the 20th CPC National Congress will take root at the grassroots level.

## **Promoting Rural Revitalization and Constructing Beautiful Zhenglou Village**

### **——Anhui Sanlian University National and Provincial Summer Social Practice Activities Successfully Concluded**

In order to fully implement Xi Jinping’ s thought of socialism with Chinese characteristics in the new era, deeply implement the spirit of the 20th CPC National Congress, and help the implementation of the strategy of rural revitalization, Anhui Sanlian University has successfully set up a provincial-level special project of Anhui summer social practice activity “Volunteer Activities for the Country People”, which is “Promoting

Rural Revitalization, Constructing Beautiful Zhenglou Village” . “Anhui Sanlian College went to Lingbi County Zhenglou Village revitalization special group” and the “Passing on the Flame” 2023 National University Students “rural revitalization” volunteer service group, went to Lingbi County Zhenglou village to carry out an 8-day “rural revitalization” social practice. This activity was strongly supported by

the Party Committee of Lingbi County and the Party Committee of Zhenglou Village.

On July 24, 2023, Li Yan, secretary of the Youth League Committee, went to Lingbi County on behalf of the school to visit the teachers and students of the school social practice team and participated in the meeting held in the “Youth Creative Space” of Lingbi County Youth League Committee. Ma Xuekun, secretary of Youth League County Committee, and Chen Liaoyuan, head of Agricultural Development Bank, attended the meeting, while Wu Qi, deputy secretary of the Youth League Committee, Zhu Yue, instructor of the team, and all members of the social practice team attended the meeting. The meeting was hosted by Xu Guihong, deputy secretary of the Youth League County Committee.

Secretary Ma Xuekun warmly welcomed the arrival of the school social practice team, and led the practice team teachers and students to visit the results display base of the Youth Creative Space, introduced the local cultural development, industrial construction, innovation and entrepreneurship and other work carried out, and encouraged teachers and students to learn more, exercise more, and practice more. Afterwards, Chen Liaoyuan made a comprehensive introduction on the development industries of agriculture, rural areas and farmers in Lingbi County. On behalf of the school, Li Yan expressed his gratitude to the supporting units of this social practice activity, and introduced the basic situation of the school and the development of summer social practice work, and at the same time put forward the requirements for the practice team teachers and students, hoping that the team members will go deep into the grassroots in the process of the practice, combined with the professional learning, focusing on the integration of the local “Industry–University–Research” development, and effectively shoulder the

responsibility of serving the rural revitalization strategy and the development of innovation.

The students went to the beautiful Zhenglou Village and went deep into the rural grassroots. The practice team went to Zhenglou Village, Yuigou Town, Lingbi County, during which they visited a total of 28 households and researched nearly 80 villagers. They learned that the main economic source of the villagers is the cultivation of corn, soybeans and wheat, and the harvest is considerable. In the practice team members in the household research process, an 83-year-old with more than 50 years of party age, Wang Mengliang sighed: these years the strategy of rural revitalization is really put into practice, the most intuitive change is that the government to their homes are paved with cement floor in front of the door. During the interview, members of the practice team widely publicized and encouraged the villagers to actively respond to the national rural revitalization strategy policy, aiming to bring new opportunities and impetus to the local economic development, and help rural revitalization through practice and skills.

Students optimize the industrial model and help villagers find jobs. During the actual visit and research, the practice team followed the local guidance staff to visit the local industrial park, the industrial park adopts the “cooperative + planting households + farmers” business model, the implementation of unified planning facilities, unified supply of agricultural materials, unified technical standards, unified training and guidance, unified marketing development. In recent years, the rural cooperative industry planting vegetable, melon and fruit synchronous upgrade, accelerating the rise. In addition, villagers obtain three kinds of income including “land rent + wages + dividends”. Only the cultivation of morel mushrooms can provide more than

50 jobs per year, and achieve stable employment of 10 people.

Students visit the lonely elderly and pass on public welfare love. The practice team members learned that the public welfare post is mainly for the villagers who are unable to stable employment of the elderly to provide a simple job, so as to obtain economic subsidies. During the period the team members also came to the location of the public welfare post, for the villagers to distribute public welfare gift bags, together with the public welfare activities to clean the elderly canteen, and assisted the elderly to add food during the lunch time. The students said they felt the solidarity and kindness of the village builders.

Students memorize the red party history and inherit the heart of hope. Practitioners went to the China Lingbi Stone Culture Park to learn about the famous local cultural bearers – Lingbi stones, and revisited the red revolutionary party history and folk culture of Lingbi County in the exhibition area, and at the same time carried out colorful interest classes and lectures on popular science, planting a seed of rural revitalization in the hearts of children, and better helping to improve the Children’ s hands-on and thinking ability. The practice team fully combined theoretical knowledge and practice through visits, field visits, household research, interactive lectures, etc., in-depth social, close to the grassroots, in practice, to be educated, grow their talents and make contributions.

Since 2018, Anhui Sanlian University has continued to steadily promote the cooperation with Lingbi Youth League County Committee to carry out the summer social practice activities of “Volunteer Activities for the Country People” for university students. So far, the two sides have had in-depth exchanges and have successfully formed one national, four provincial

and more than 10 school-level key practice teams. The scale of the school social practice team in Lingbi County is also gradually expanding, and on the basis of one batch of practice groups after another, the school fully learns and comprehends to make steady progress, and further digs deeply to optimize the local characteristics and development highlights of Lingbi County, so that the team members can carry out education, grow their talents, and make suggestions and recommendations in grass-roots practice.

“Going into the water is the only way to know how deep the water is, and exploring the truth relies on practice.” Based on the historical turning point of the new era and new journey, the young generation plays a promising role in the cause of rural revitalization and shoulders the indispensable role of the times and historical mission. Youth is at the right time, and we have the will to work hard. The members of the special group are firm in their beliefs, dedicated to the Party, listen to the Party, follow the Party, keep the course of youth in the study and implementation of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, respond positively to the 20th Party Congress with practical actions and excellent results, and be ideal and responsible youth.
